District Lions of the Year:

Lions Pete & Trinidad Lustria; Based on year long submittals of Club Activity Reports, Lions Pete & Trinidad have repeatedly volunteered their time to serve those less fortunate than themselves. The Lions Moto is "We Serve". Every week these 2 Lions volunteer their time to help serve the homeless at Father Joe's Village and contribute to many other causes.

MD-4 Excellence Awards:

Lion Bill Browning

Lion Bill has continually demonstrated great leadership as the Imperial Region Chair. He has set up great Cabinet Meeting locations and made arrangements for week end work projects and entertainment with little to no guidance from the District. He has been on top of any problems involving his Region and solved them to everyone's mutual satisfaction.

Lion John Ruiz

Lion John has been the District Lion Tamer for the last couple of years, as well as Zone & Region Chairs and various Club positions. Lion John's work ethics are exemplary in that he is always on time, able to complete his assign tasks, takes the initiative to make or offer improvements where needed.

Note: Just prior to making this award presentation, Lion Dr. Chan had passed me a note asking if Lion John was receiving an award as numerous other Lions have noticed all the work he has been doing for the District this Lion's year.

PDG Elizabeth Blottin

PDG Bucky has been a great mentor and advisor to many District Governors over the past years. She has been involved with most of all the district projects, disaster relief fund raisers, convention support & planning as well as Leadership training. She has been a “Go To” Lion for information and procedures.

Lions Clubs International Presidential Letters of Appreciation:

Cabinet Secretary Mary Manning this is not always an easy job, but a job that can make a District either look good or bad. The last several years, this position has been quite involved with the problems we have. Lion Mary has found a way to balance her work, Club involvement, other community responsibilities and family life and still get her job done. This year, she is also training her replacement for 2012 – 2013.

PDG Scott Leslie is usually taking on more than he should handle. He is this year’s Global Membership Team District Coordinator. He has also taken on the role of District Leo Advisor, District Convention Chair and volunteers to help where ever he can within the District, his Club and his Community.

Immediate Past District Governor Jan Gustavel for stepping up to the plate when needed to handle all aspects of the Student Speakers Contest, assisting as needed with 59 Clubs, 13 Zones, 5 Regions, the District Level and assisting with the planning of the Area Levels of the contest. IPDG Jan also stepped in to take over the District Treasure’s duties mid year and has been an Inspiration to us all.
