

Marbles Game:

-Sell tickets... 3 for \$2.00

-1/2 of the sales (50%) goes to the club fund

-1/2 goes to the "pot".

-Pick a ticket; holder of the winning ticket gets the opportunity to draw a marble from a pouch (which is composed of: 2 colors of marbles; 1 color has more than the other; in the case of what we are using, 30 blacks and 3 whites)

-If the winner picks a white marble, he/she gets the "pot"; if he/she picks a black marble, the money stays in the "pot" and the "pot continues to grow until a white marble is picked.

Membership Survey: In order to help the newsletter editor to do a regular member profiles, I put together a fun survey for the members to fill out at a meeting. There were questions to do with Lionism, and personal "getting to know" questions. I passed it around, and encouraged everyone that they could have fun with the answers if they wanted (i.e. Why did you decide to join Lions?

'Because Heather made me!' is a perfectly acceptable answer, and makes the writing of the profile a bit more fun.) Afterwards I collected all the surveys, and charged everyone who did NOT fill it in completely. I was amazed that only two people filled it out completely, so I collected a lot of money that night! Ask your membership, What happens to a guinea pig's eyes when he's picked up by the tail? Many answers include; the eyes bulge, they roll, etc. Every member who gave an answer or incorrect answer was fined. Guinea pig's have NO tail! From Lion Bruce Beck

Happy Dollar: Allow some time for Lions to contribute a dollar and brag about themselves, their kids, grandkids and so on. It's 30 seconds of advertising for \$1. Be sure to fine them if they go on too long. From Lion Bruce Beck

Salute the Flag: Most clubs use the Pledge of Allegiance as part of their program. The Tail Twister ask each member who wrote it and when. Francis Bellamy wrote it in August 1892, in Rome, New York for a public school celebration. Fine those who fail. From Lion Bruce Beck
