District Theme:
“Moving Forward with Technology”

District Governor Kenny Shu

Congratulations to our District 4-L2! Our district has received a **Dream Achiever Awards Gold Pin and Silver Star** in Period One from International President Barry Palmer!

This is an exciting award that shows our district established a new club; our clubs have attained a good growth; and we have shown a positive membership growth in our district. The award covered the period ending on August 31, 2013.

Thanks to all of the clubs and sponsors that have added members to our district. There will be three more periods before the end of the Lion year. Let’s keep it up and receive an award for each period. The next period ends on Dec 31, 2013.

I have been enjoying my visits to the clubs in our district. I get to know each member in the club, find out what your club is doing, induct new members and keep you informed on what the district is doing. Up to this writing, I have visited 26 clubs. I intend to finish all 49 club visitations by November.

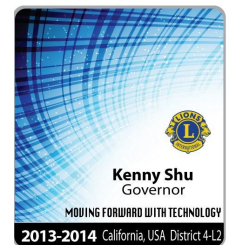

Thanks to Zone Chair Manny Sanchez’s suggestion, we are starting a Lions Yellow Pages

in our district. Most of us know each other as a Lion. But we probably don’t know each other’s profession, business or hobbies. If we need to find an electrician, plumber, carpenter, lawyer, doctor, realtor, computer professional, insurance agent, financial advisor, etc., we will be able to look up our own district Lions first and get a reliable opinion. After all, we are all Lions. We not only help the communities, we help each other. We will be posting your business, profession, hobbies and business cards on our district website. Please look for a form from Cabinet Secretary Nancy’s email and sign up soon.

I look forward to seeing you at our **District Meeting on Saturday, November 16.**

Yours in Lionism,

Lion Kenny Shu
4-L2 District Governor

1st Vice District Governor Remarks

Fellow Lions, I hope you had a great summer!

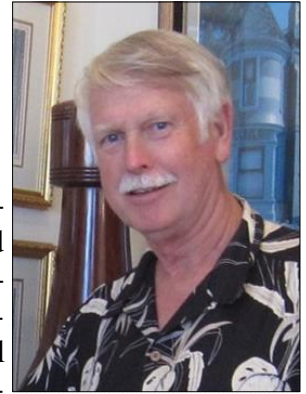

As we move forward to the last quarter of 2013, I hope you and your Lions Club are doing all the great service that you do in your community. During September, 19-21st, I attended the USA/Canada Forum in Overland Park, Kansas. It was a great opportunity to learn more about the following topics: Leadership, How to Prepare Future Leaders in your Club, How to Develop Visibility for Your Club, Social Media, Webinar, Conflict Resolution, How to Apply for LCIF Grants, Public Speaking, Campus Clubs, Protocol, How to Energize and Grow your Club, Learning Online, Tail Twisting for your Club, etc. As you can see, Lions International offers many opportunities to any Lion that would like to get involved. In the future, plan to attend a USA/Canada Forum, or each club send the Vice President, President, etc. They will come back full of energy and ideas that will help your club become a better and larger club.

Remember Sunday, October 13th is our party for the District. Plan to attend and please invite any friend, family member, co-worker, and come and have a great time. If you have not signed up to donate food, drinks, etc., and you would like to, please send Lion Nancy (District Secretary) an email. Tickets are available through your Zone Chair, Region Chair, 2nd VDG, 1st VDG, DG, and District Secretary.

As we move forward, let's remind each other of the service we do daily to help our community. But let's not forget to invite all those community members to be part of our service. If you do not ask, people won't know. Just remember, you were asked to be a Lion so we need to continue asking. Membership is the life of your club. They bring new ideas, new energy, and more hands to accomplish any project. Let's make 4-L2 the greatest District in MD4. Let's commit to bring a friend, relative, or co-worker to participate in your event. We do not need to be the best kept secret in our community.

Yours in Lionism,
Lion Alberto Montes De Oca
1st VDG 4-L2

Words from 2nd Vice District Governor

Here we are in October nearing a third of our tenure and yet there is much to be accomplished. We have an upcoming visit by International President Barry Palmer in December, an MD-4 convention in February, and a district 4-L2 convention in May. Each of these events will take planning, planning, and more planning. In addition to these events, we will continue to visit clubs, attend local events and fundraisers, and provide assistance wherever needed.

As I traveled around the district, attending District Governor Kenny's club visitations, I have been amazed at the enthusiastic reception granted to us. I thank everyone for their dedication and continued service. There is no doubt that Lions continue to set the bar high in community service.

The district service project is off to a slow start, but the plan continues to be the purchase of eight Spot Vision Screeners that will be provided to Region Chairs for decentralized use THROUGHOUT THE DISTRICT. Please take a look at your club's budget to see if a donation to the service project is possible. The children that will benefit from the screener's ability to detect vision problems will be truly grateful. Thank you in advance for your participation.

If you have any questions about this project, please contact me at (562) 331-9265 or email me at lwehage@aol.com. Don't doubt me on this project! I believe in 4-L2 Lions!

Yours in Lionism,
Lion Larry Wehage
