

Join Your District 4-L2 Leadership in Hosting a Reception for International President Barry Palmer!

Sunday, December 29 at the Quiet Cannon in Montebello

Why?

- The reception, hosted by 4-L2 and formerly limited to Lion "VIP's," has been open free to all Lions who wish to attend since 2004. The purpose has been to give as many Lions as possible an opportunity to personally meet the International President at no cost.
- As the reception grew, it continued to be funded solely by District 4-L2. Total cost for food and miscellaneous was about \$4000, with wine & service donated by Doubletree owner Lion Frank Huang of the San Gabriel Taiwanese Lions.
- In 2009 then-Governor Larry Dicus and PCC Roger, president at that time of Lions Float, Inc., agreed that 4-L2 and LFI would share the reception cost with the understanding that LFI would completely fund all future receptions.
- In recent years the International President no longer attends the Multiple District 4 convention. The Rose Parade is considered his official visit to California for the year. Thus this is the one time that many Lions can have access to the IP.
- Now in 2013 the current leadership of LFI finds itself in financial difficulties and has opted not to hold the reception. YOUR 4-L2 LEADERSHIP DOESN'T WANT TO LOSE THIS EVENT! However, the district budget can no longer support the entire cost, SO...**the District will provide seed money of \$1000**. Clubs and individuals are offered the opportunity to become co-sponsors at three levels.

\$250 - Recognition in program & on signage & reserved table at the event

\$100 - Recognition in program & on signage or \$50 - Recognition in program

HOW MUCH DO WE NEED TO RAISE? The more we raise, the better the catered offerings will be, BUT if we raise more than we need, it will be donated to LCIF in President Palmer's name. At the August District meeting several Lions pledged to take a request for funding back to their clubs. Special thanks to **MONTEBELLO LIONS** whose board has pledged **\$250**, to **BELMONT SHORE** and **EAST LONG BEACH LIONS** for their pledges of **\$100** each, and to **ARCADIA HOST LIONS** who have already sent in their **\$50** check!

WE HOPE YOU'LL JOIN THEM!
