# So Just what is a Quartermania!?!

- We will have 10-12 vendors who will be bringing 7-8 items or baskets.
- Each vendor will hold up one item—maybe a chocolate-filled basket from our Chocolate Vendor—and he will say the bid is one quarter.
- If you want a chance on this item, you put a quarter in the pot and raise your bidding paddle.
- A number is drawn and if it is your number and you have your paddle up, you win the chocolate basket for 25 cents.
- If your paddle is not up and you didn't put in a quarter, then another number is drawn until someone wins who put in only one quarter.
- All the numbers are then put back in the pot and we go on to the next item.
- You bid only on what you would want to win.
- There will be a total of about 90 items and each one will take about 2-3 min. It goes very fast!

Most items are 1 to 2 quarter bids. There may be a couple of 3 or 4 quarter bids—but they will be totally worth it!

We will have registration for lunch

Dress is casual—come as you are—but COME and you won't want to be late!

Attached is a flyer which may answer your questions, but if not, please feel free to call:

## **CONTACT INFO FOR ORGANIZERS OF THE EVENT**

Quartermania is like Las Vegas without the cigarette smoke!!! And Like BINGO at the local Hall with out all those ink dabbers... and territorial / Ritualistic /

We will also have a 50/50 raffle and raffle gifts.

You will have a blast and go home with some neat things.

Bring friends and relatives and let us know so we can put you at the same table.

We have to have reservations so we know how many Lunches to buy.

Tickets are with Lions Members—

See you there!!!
