THE LIONS' ROAR

A Quarterly Publication of District 4-L2 - Issue 4 April, 2018 – PDG Chris Ohrmund, Editor

A Message from District Governor Theresa "Tessy" Prumatico

District 4-L2 Lions:

I am writing to apologize to many clubs that I have not personally visited due to my work schedule changing. All clubs in our District are a vital, intricate part of what makes us so great! Please do not feel that because I have not visited your club you are unimportant! I admire all of our clubs for all your hard work, dedication, and sacrifice! Thanks for all you do!

On a different note, I hope all our clubs will be able to come to our convention which is locally in Montebello this year. Starting on Saturday morning (May 19th) and concluding Sunday afternoon with our Memorial Service for our fallen Lions. The theme is "Lions Having Fun Serving". We will have some great entertainment Saturday night, free Bingo Saturday for all, hospitality rooms to meet and greet all candidates, and of course meeting up with fellow LIONS. We hope all will be able to attend!.

We will also have our District Meeting and Student Speakers Contest on April 7th. Location has changed. PIH overbooked causing us to find another location. We will be at Artesia Park. There is a nice stage, plenty of seating, and of course lots of food! The price is the same. The meeting will be exciting so come and cheer these young students and listen to their wonderfully done speeches. Hope to see all of you there.

Please remember to record all of your good deeds so we can include you in our Club of the Year. I am proud of all of our clubs. Keep up the great work!

A member of the Altoona Lions Club, and a Lion since 2000, she has held many offices within the association, including club president, zone chair, district governor and district and multiple district GLT coordinator.

In addition to her Lions activities, Director LeCleur-Meyer has been active in numerous professional and community organizations, including the American Legion, National Association of Professional Women, Boy Scouts of America and her church choir.

Director LeCleur-Meyer's husband, Michael, is also a Lion.

A Message from 1st Vice District Governor John Nelson

Lions of District 4-L2, Welcome to spring. As the days warm up and flowers begin to bloom their beautiful colors, we as Lions are doing what we do best - "We Serve".

There are many ways you can serve your community: collection of eyeglasses, being a "Knight to the Blind", working with our youth by supporting a Leo's Club, or/and become involved with the Girl and Boy Scouts. One of the most important things 4-L2 does is supporting the Student Speakers Contest and having a Club Contest, in addition to making a donation to the Foundation.

Your support to LCIF continues to have a huge positive impact as recently witnessed at the Melvin Jones celebration. The list for new Melvin Jones Fellows can be found on the 4-L2 web site. Thank you for all who participated.

Many of you are hearing about the new California Lions Foundation offering matching grants focused on projects from \$500 to \$10,000. These grants are only available to the 20,000 Lions Clubs serving more than 700 communities in California.

Lions' training is a 4-L2 tradition. GLT Tom Kester has held free workshops for all Lions and adjoining Districts this year. He has scheduled training for Club Presidents, Secretaries and Treasurers on Saturday, April 14th at the Applied Technology Center High School-1200 West Mines-Montebello. Time is 8:30a.m. – 11:30a.m.

The MD-4 Lions Leadership Institute graduation was held on March 12th. District 4-L2 leadership was there to support the graduates. The cost of the Institute is \$300, which includes housing and meals. Our District will subsidize \$100 of the cost upon graduation. Please consider attending next year's Institute.

It's not too early to register for the USA/CANADA Lions Leadership Forum in Columbus, Ohio – September 20-22, 2018. I have information available or visit www.lionsforum.org

The 4-L2 Convention will be held May 19th and 20th, 2018, in Montebello at the Quiet Cannon Banquet and Event Center. Rooms are available on the property at the Hilton Garden Inn. Please see me or the 4-L2 web site for information.

It is my honor to represent the membership in 4-L2 as your 1st Vice District Governor.

A Message from our 2nd Vice District Governor Gary Hall

My Fellow Lions of 4-L2:

As we enter the last quarter of the 2017 – 2018 Lions year, plans are being finalized for the 80th Annual District 4-L2 Convention. This Convention will be held May 19-20, 2018, at the Quiet Cannon Banquet and Event Center, and the Hilton Garden Inn in Montebello. This two day, convention will be the first in District 4-L2 since 2014 when the Convention was held in Pasadena. The Convention Committee has been working hard to make it a memorable experience for all and we ask for as many officers and members as possible to attend and support this fun-filled event. Of course, election of the 2018-2019 District Governor and the 1st and 2nd Vice District Governors will be held on Sunday, May 20th. Also on the ballot will be changes in the District By-Laws as presented by the District Constitution and By-Laws Committee.

We are fortunate this year to have three candidates running for the office of Second Vice District Governor. I thank each of these fine Lions for their dedication and interest in our District to make the commitment it takes to serve in this capacity. All three candidates are currently Region Chairs and have many other credentials that qualify them to hold the position of Vice District Governor.

Another important Officer Training Summit, hosted by GLT Tom Kester, will take place on April 14, 2018 and will be held at the Applied Technology Center High School in Montebello. I encourage you to attend this most valuable free training, so get those RSVP's in to Cabinet Secretary Mary Jane Patton or they can be made by contacting me.

And always remember

“WE SERVE BETTER TOGETHER”

A Special Word of Congratulations to these Lions in our District who attended and graduated from the MD-4 Leadership Institute:

Teresa “Teri” Castro – Montebello Lions Club

Kirit Dave – Pasadena Host Lions Club

Terri Hall – Irwindale Lions Club

Steven “Steve” Huhta – Downtown Long Beach Lions Club

Nicky McLean – Norwalk Lions Club

The Institute training includes the following subjects: Diversity, Public Speaking, Membership, Personal Mission Statement, LCI Forward, Motivating Club Members, Strategic Planning, and Issues and Opportunities.

The training received is invaluable in your Lions’ life, professional work environment, and personal life. Plan to attend in 2019.

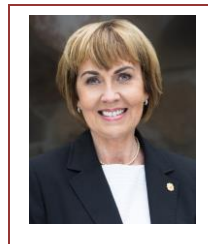

**Our District 4-L2 Family is saddened by the Loss of this Special Lion:
(Since our last District Bulletin)**

**Lion Frank Napolitano – Norwalk Lions Club. He became a Lion in 1985.
Our sympathy is extended to his wife, Lion Grace,
and the members of the Norwalk Lions Club.**

**All departed Lions since our last District Convention will be honored
in a Memorial Service at our District Convention on May 20th.**

Plan Now To Attend Our International Convention in Las Vegas

Our Association will make history again when **Gudrun Yngvadottir** is installed as our International President.

Gudrun Yngvadottir from Gardabaer, Iceland, was elected to serve as first vice president of Lions Clubs International at the association's 100th International Convention, held in Chicago, Illinois.

Vice President Yngvadottir is a Biomedical Scientist and has worked in research, education and management. Since 1990 she has worked at the University of Iceland as Vice Director at the Institute of Continuing Education.

A member of the Gardabaejar Eik Lions Club since 1992, Vice President Yngvadottir has held many offices within the association, including district governor council chair. She had dedicated her service to children and youth, membership and leadership development, health and wellness, including vision and diabetes, environmental projects and Lions Clubs International Foundation (LCIF).

Vice President Yngvadottir served as International Director 2010-2012 on the Leadership Committee, as Chair the second year; 2011-2013 on the Women's Task Force; 2012-2013 she was a Board Appointee on the District and Club Service Committee; and 2013-2014 on LCIF Governance Ad Hoc Committee.

In recognition of her service, she has received numerous awards including the Kjarans Medal, the highest award of Icelandic Lions; the Lions Crystal, the highest award of Norwegian Lions; several Membership and Extension Awards; eleven International President's Awards; and the Ambassador of Good Will Award, the highest Lions Clubs International award. She is also a Progressive Melvin Jones Fellow.

In addition to her Lions activities, Vice President Yngvadottir is active in numerous professional and community organizations, including the Icelandic Assoc. of Biomedical Scientists and has been their representative in Scandinavian and European co-operation.

Vice President Yngvadottir and her husband, Dr. Jon Bjarni Thorsteinsson, a past international director and a Progressive Melvin Jones Fellow, have one son, one daughter and six grandchildren.

“LEADERSHIP, THE FUTURE OF LIONS”

**Submitted by Lion Tom Kester
District Global Leadership Team Chair**

As we approach the end of the third quarter of our Association’s service year, it further focuses me on the valuable opportunities for leadership development upcoming. Our organization’s life blood depends upon us properly preparing ourselves to plan, lead and guide our fellow Lions on the path of “We Serve”.

To that task our District will again offer club officer training focused on the club offices of President, Secretary and Treasurer, the core leadership positions of each club. Each training session will be focused on the key responsibilities of each position and will benefit not only the upcoming elected club leaders for next year, but will also be beneficial to currently serving club officers and any interested in serving their club.

We are pleased to offer a special forum entitled “Tell Me What You Know”. This will be an open forum opportunity to discuss key issues affecting our districts’ clubs, topics such as: “Membership Burn-out”, “Recruiting Like your Club Depends on it”, and “Costs of being a Lion”, This session will be hosted by District Global Membership and Leadership Chairs along with other district leaders.

This upcoming training opportunity will be held on Saturday, April 14th, 8:30a.m. – 11:30a.m., at the Applied Technology Center High School in Montebello. A formal district announcement has been sent out with sign-up procedure. Again, at this training session we will accept pre-submitted questions. Specific questions you may have and do not want to miss the answer to can be submitted to the presenters at the beginning of each class so they will be sure to be covered during the class or at the open forum.

I encourage your attendance at this upcoming district training which will provide you both the tools and guidance necessary to ensure your successful Lions leadership experience. Thank you for the difference you make as we fulfill our Lions mission under our motto: “We Serve”.

My Lions Pin

On the lapel of my coat is a little pin. Its colors are purple and gold. The purple is perishable enamel and the gold is gilt. The enamel will fade and the gilt will tarnish, but the pin is priceless. That pin cost me little, but I would not swap it for all the gold of the Aga Khan.

It was given to me by those who know me for what I am, my sins, weaknesses and my shortcomings. They have chosen me in spite of all these, to honor and to accept me into the greatest service club of them all, and have given me the privilege of calling myself a LION.

However, that pin represents even more than the comradeship and fellowship of my fellow members, when I became one of them. It is a symbol of brother and sisterhood of man-kind and reverence of God. Those who wear a pin like mine, do good things not for fame and glory, but for goodness sake.

They help those with poor vision to see and make the burden of the sightless lighter. They make boys and girls happier, they support all kinds of worthwhile community projects and make the world a much better place in which to live.

Yes, all my fellow LIONS, that little pin on my lapel is PRICELESS.

Welcome to our Lions Family (January 20th – March 20th)

Their service includes: Lions serving as board members on various community organizations; doing a Vision Screening in the elementary, middle and high schools for West Covina Unified School District; and they joined a Focus Group that will provide opportunities to local service organizations. They have donated to West Covina Police Explorers Program and West Covina Fire Department Explorers Program as well as Teresita Pines, West Covina Library, City of Hope, and many other community projects.

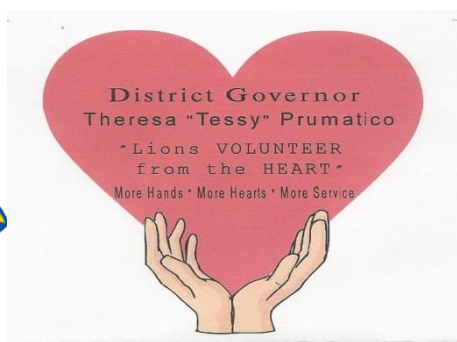

Pasadena Host Lions Club awarded two Fred W. Smith Fellowships in the Lions Student Speakers Foundation to Lions Elaine Vilven and Phyllis Smith, who for many years spearheaded the club's student speaker's program.

City of Industry Lions Club works with the East San Gabriel Valley Coalition for the Homeless and prepares sack lunches.

Montebello Lions Club awards scholarships to graduating high school seniors who live or attend school in Montebello. The main focus of the application is community service.
