The mission of the SOLA Lions Club is:  
"To take an active interest and participate in the mission and vision of the Special Olympics. To help provide sports and training programs for any individual with intellectual disabilities and thereby improve their lives and the lives of everyone they touch".

One hundred percent of all money raised goes to serving the athletes to provide competitions, purchase equipment and uniforms, social events and many other activities in support of our Special Olympic Athletes and their families. I hope you will be able to join us.
