We also hope that members of the Lions Club can participate in automatic blood donation. Donating one bag of blood can save three lives, a significant medical breakthrough. We encourage both those who regularly donate blood and those considering donating for the first time to come forward and help those in need.

我们还希望獅子會的會員能參與自動獻血。捐獻一袋血可以挽救三條生命，這是一項重大的醫療突破。我們鼓勵那些定期獻血的人和考慮首次獻血的人前來提供幫助，幫助有需要的人。
