# **FOUNDER: LIONS CLUBS INTERNATIONAL**

**Melvin Jones, 1879-1961**

"The Lion stands for something; not so much as a noble animal, but rather as the traditional symbol of great deeds and high accomplishment."

The International Association of Lions Clubs started as a dream in the mind of a young Chicago insurance agent. The man was Melvin Jones. This dream was presented to the leaders of various independent groups at a meeting in Chicago, Illinois, on June 7, 1917. From that meeting came a call for the Association's annual convention, which was held October 8-10, 1917, in Dallas, Texas, with 23 clubs participating. Thus was conceived and founded the world's largest, most active and most representative service club organization, LIONS CLUBS INTERNATIONAL.

The information contained in this District Directory is prepared for the personal and restricted use of the Lions Clubs and supportive organizations of District 4-L2 of Lions Clubs International and shall not be used for commercial mailing list purposes.

Leo's Program began in 1957 in Pennsylvania. Leo's were officially adopted by LCI in 1967. Leo's now total more than 140,000 in 130 countries. Our Leo's District was formed in 1995 by PDG Dennis Windscheffel with 12 clubs. The first activity was to help the Downey Lions Club's existing Rancho Los Amigos Program. In 1995 a festival was planned by the Leo's that involved over 600 participants, and has continued since then. District activities also have included Diabetes Walk-a-thon's, Beach Clean-up, Rose Bowl Float Decoration, and work outings at Lions Camp at Teresita Pines and Wrightwood Lions Camp.

#### District Leos Meetings

# DIABETES AWARENESS

FEDERAL CLIA ID # 05D0933194

The prime goal of Lions International is the preservation of sight. Diabetes is a disorder of metabolism in which people have problems converting food to energy. It is the leading cause of adult blindness (age 20 - 75), kidney failure, non-traumatic amputations and cardiovascular disorders (diabetics are 60% more likely to have heart attacks and/or strokes). Diabetes is rated the fifth cause of death in the U.S.A. according to the Center for Disease Control and Prevention (CDC).

Updated statistics shows 17 million with Diabetes and 16 million with Pre-diabetes. The CDC officially considers this data an "epidemic". Thus 33 million people are diabetic or will become diabetic shortly, unless they are screened, treated, and controlled. CDC predicts there will be 50 million diabetics in the U.S.A. by 2030. 90%-95% of all diabetes is Type Two for which there is no cure.

The District Committee presents programs about diabetes and does diabetic screening tests (Blood glucose and when required Glycostated Hemoglobin [HbA1c]) at club meetings. The committee also does diabetic screening tests at health fairs, walks, street fairs, chili cook offs, fish fry's, etc. and distributes Diabetic information and books wherever large crowds celebrate and the local Lions Club wishes to set up a booth. The Committee can also perform Total Cholesterol and Full Lipid Panel (HDL, LDL, TG, Total) Tests with advance arrangement. The Committee works closely with the American Diabetes Association and Taking Control of Your Diabetes (TCOYD.org) in promoting Diabetic Seminars and fund raising.

The Committee has appreciated the assistance of Roche Diagnostics Advantage, Johnson & Johnson Lifescan, and Metrika (A1cNow) for donating their meters and medical supplies. The Committee is capable of supplying glucose meters to clubs and individuals. The Committee can also assist other MD4 District Committees to become active, obtain licenses, write procedures, and meet all federal and state requirements for diabetic screening.

### LIONS FLOATS, INC.

Since 1992, Lions Clubs International has had a float in the New Year's Day Tournament of Roses Parade in Pasadena, California. Two of its entries in 1993 and 1994 won awards for the most beautiful floats in the parade and again in 2014 won the Tournament of Roses Special Trophy for exceptional uses in multi classifications. However, all entries are considered winners presenting Lions an opportunity to promote our service activities to people world-wide who view the float each year.

The Rose Parade is viewed by more than 800,000 along the parade route and an estimated 400 million in 85 countries. The parade is covered by several hundred domestic and international media representatives. Every major print media features related stories before, during, and after the parade.

Lions Float, Inc., a 501 (c) 3 non-profit corporation was formed in 1994 to direct the preparation and funding of the Lions Float in the Rose Parade. This is a year-round activity involving the designing, fundraising and coordinating of volunteer decoration of the float in December.

Club Banner Patch, float merchandise, "Ride of Your Life" package and Fellowships are the means for raising funds to build the float that costs \$100,000. Lions Clubs International in Oak Brook, Illinois has provided half of the funds; the rest is raised by Lions of MD-4 and Lions around North America.

The MD4 Youth Exchange has been exchanging youth with other countries since 1962. Throughout that 50 years thousands of youth have traveled abroad for a 5-week in-home stay, thus giving them the advantages of studying and understanding other cultures and familyliving.

The MD4 Lions Youth Exchange Foundation, Inc. is a California Non-Profit Public Benefit corporation administered by a Board of Directors who are Lions and serve without pay. The Foundation is the trustee of funds contributed to support the Youth Exchange Program. The Foundation invests these funds in federal insured term accounts to provide the highest rate of return with maximum guaranteed security for the assets of the Foundation.

The first exchange was conducted in 1962 between Japan and California-Nevada. We now exchange with Europe, Scandinavia, Malaysia, Peru, Australia, New Zealand, Japan, and several other countries.

The tremendous growth of the YEP throughout Lions International has received increased recognition for its positive contributions towards a better world of understanding.

### THE HEARING FOUNDATION

(The Ear of the Lion Foundation, Inc.)

The Hearing Foundation, a nonprofit, 501(c)3, Foundation was formed by Lions Clubs of California/Nevada in 1982. The Foundation is dedicated to assist qualified low income hearing-impaired people unable to afford the care they need to hear better, and issues hearing aids from its hearing aid bank at a nominal fee. Member Lions Clubs are encouraged to seek out patients in their community who might benefit from our services. Lions are encouraged to collect and send hearing aids no longer being used to our office.

The Foundation is funded by two primary sources. Lions Clubs can become a member club by pledging to make a semi-annual donation to the Foundation of \$3.75 per active member. Individual Lions and other friends of the Foundation may become Tosch Fellowships, Life Members or Alexander Graham Bell Fellows by donating \$250, \$500 or \$ 1,000 respectively, to the Foundation. The principal received from these donations is permanently invested and not spent. Investment income may be used only for patient care expenses.

Officers and Directors of the Foundation are available and anxious to make presentations of club and cabinet meetings. If you would like to arrange a presentation, please call or write our office.

## LIONS CLUBS OBJECTIVES

### *Lions Clubs Objectives*

To create and foster a spirit of understanding among the peoples of the world.

To promote the principles of good government and good citizenship.

To take an active interest in the civic, cultural, social and moral welfare of the community.

To unite the clubs in the bonds of friendship, good fellowship and mutual understanding.

To provide a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

To encourage service-minded men and women to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

## LIONS CODE OF ETHICS

### *Lions Code of Ethics*

To show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self respect lost because of unfair advantage taken or because of questionable acts on my part.

To remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards my fellow men, to resolve such doubt against myself.

To hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state and my community, and to give to them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

To aid my fellow men by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To be careful with my criticisms and liberal with my praise; to build up and not destroy.

# PROTOCOL

## WHAT IS PROTOCOL?

**Etiquette  
Respect  
Order**

**Good Manners  
Common Courtesy**

Lions Clubs International official protocol policy was established to recognize our leaders in a logical and sensible way.

### **A. Order Of Precedence**

Understanding Lions Official Protocol begins with learning the order of precedence. This order is used when acknowledging or introducing dignitaries, and for arranging seating at a head table, or on a stage or dais.

Lions shall be recognized in the following order:

1. International President
2. Immediate Past International President
3. International Vice Presidents (by rank)
4. International Directors
5. Past International Presidents
6. Past International Directors
7. Chairperson, Council of Governors
8. District Governors
9. Past Council Chairperson
10. Immediate Past District Governor
11. Vice District Governor (by rank)
12. Past District Governors
13. District Secretaries
14. District Treasurer
15. Regional Chairperson
16. Zone Chairperson
17. Global Leadership Coordinator
18. Global Membership Coordinator
19. District Chairpersons
20. Club Presidents
21. Immediate Past Club Presidents
22. Club Secretaries
23. Club Treasurers
24. Past Club Presidents

### **B. Non-Lion Dignitaries**

Non-Lion Dignitaries should be given precedence in accordance with local protocol and/or custom, keeping in mind that if the non-Lion is the principal speaker, then he or she should be seated directly to the right of the Chairperson (see next page).

## PROTOCOL

### C. Head Table Seating

The presiding officer or meeting Chairperson should always be seated at the most central seat at the table when there is no central podium, shown as seat number one in the following diagram (figure 1). The principal speaker would occupy seat number two, then other Lion dignitaries in accordance with the general order of precedence. If possible, there should be the same number of seats to the right and left of the Chairperson or presiding officer (who would normally be the Club President, District Governor, Council Chairperson or International President).

Figure 1

As shown in Figure 2, seating at a head table with a podium is essentially the same, except the meeting Chairperson or presiding officer is always seated at the left of the podium (facing the audience) and the principal speaker at the right.

Figure 2

*When spouses are present, they should be seated to the member's left when on the left side of the table, on the right when on the right side of the table.*

### D. Head Table Introductions

Introduction of the head table should begin with the meeting Chairperson or presiding officer, then continue from the person with the lowest rank on the order of precedence to the person with the highest. When spouses are present at the head table, they should be introduced with the member (e.g., "Past International Director John Doe and his wife Jane").

### E. National Anthems

When official representatives of the International Board of Directors (whether or not currently serving on the Board) from another country are present at an event where national anthems are normally played, they should be extended the privileged of having their anthem played.

Our motto is "WE SERVE", and as you progress in Lionism, you will discover the great satisfaction that comes from sharing in our efforts. Lions Clubs serve their communities by aid to the sick, stricken or handicapped, plus many other worthy projects. I charge you with the responsibilities of living by the Lions Code of Ethics, being regular in you attendance, and being active in the Lions Clubs International Objectives.

"I charge the \_\_\_\_\_ Lions Club and its officers with the responsibility of seeing that this (these) new member(s) attend a Lions Indocrtination meeting and that you involve this/these new member(s) in your activities and committee assignments. Each of you knows what is expected of you in service of Lionism.

"I now ask you, do you desire to become a member of the Lions Club of \_\_\_\_\_? (Yes). Since you have expressed a desire to affiliate with this club and Lions Clubs International, I now ask you to repeat after me:

OF SOUTHERN CALIFORNIA

*Restoring the gifts of sight & hearing*

**“It was life-changing”**

**“It was like a miracle”**

**“I’m so grateful”**

Almost all our clients say something  
like this after recovering  
their vision or hearing with our help.

LSH funds eye surgery and  
digital hearing aids at no cost  
to Lions Clubs, with local  
providers in your communities.
