A Message from District Governor Theresa "Tessy" Prumatico

District 4-L2 Lions,

What a fantastic installation of Officers! Thank you to all who came and made our installation so special! Thank you Lion David Williamson for your very thoughtful gift!

I look forward to a great year working with 1st VDG John Nelson, 2nd VDG Gary Hall and all of the Officers, Committee Members, Club Presidents, Club Secretaries, and all Lions in District 4-L2. Our District is very special and unique. We have bonded together in one common goal, WE SERVE and MD-4 has taken notice! The key to our success is communication and team work. More Hands * More Hearts * More Service!

A special THANK YOU goes to PDG Chris Ohrmund and Lion Wayne Martin who are working very hard to have our Directory ready in time for our first District Meeting on August 19th.

A BIG HUG goes to ZC Maggie Cardenas for her invaluable help doing the awesome programs for our District Installation and helping to decorate! Another BIG HUG goes to my sister Lion Cece for keeping track of the money and guests coming to our installation and a great job decorating! A special thanks to PCS Nancy McAfee for helping with Cabinet Secretary duties while CS Mary Jane was away!

District 4-L2 has many fun and exciting events planned this year that are fun for the whole family! The first being our upcoming "Old Fashioned BBQ" on August 12th. Tickets are only \$15.00 each. Come and spend the afternoon filled with fun and surprises.

I look forward to visiting all our clubs and will soon be working on a visitation schedule. Please be sure to check our District Website Calendar which will include all events such as club fundraisers, club service projects and District Governor visitations. Everything will be listed on one calendar so we will hopefully not overlap and be able to attend all events and fundraisers. Please be sure to let us know so we can post them on the website and calendar!

One last item, a HUMONGOUS apology goes to 2nd VDG Gary Hall and all Irwindale Lions for missing their installation and a Hip Hip Hurrah to 1st VDG John Nelson for covering the installation of officers for me!

Yours in Lionism -

Lions Volunteer from the HEART

A Message from 1st Vice District Governor John Nelson

Hello fellow Lions of 4-L2:

These past three (3) months saw the closing of our lion year. You followed Immediate Past District Governor Many Sanchez in “Building a Strong Foundation”. He brought to our membership training, training, and more Training. And how the clubs and individuals responded! The members of 4-L2 broke the record for attendance at our MD-4 Leadership Institute with 19 Club members. You are the best-trained and are ready to take on leadership roles.

Many of you traveled to Chicago to celebrate our Lions Centennial. We enjoyed the fellowship with Lions from around the world. The entertainment was impeccable with a line-up featuring the Beach Boys and Chicago. We elected a new International President from India, IP Naresh Aggarwal. And equally important to us, District Governor Theresa Prumatico was installed. “More hands, More hearts, More service.

Past International Director Howard Hudson was the installing officer for our 4-L2 installation. I give a Lions welcome to all officers who were installed and wish everyone the best for a successful year.

Growing our membership going forward is a goal for DG Tessy, 2nd VDG Gary and I. Our current membership is over 1200 and growing. We will be chartering a new club, “Hacienda Heights Centennial Lions Club”. Please attend their charter night on Friday, September 8th. Details are in this bulletin. More clubs and branch clubs are in the works. I see the hard work everyone is doing and I truly appreciate your efforts.

Take advantage of our GMTs (Global Membership Team Coordinators) Lions Rico Sam and Andy Muniz and our new GLT (Global Leadership Team Coordinator) Lion Tom Kester. They are here to help and serve you.

I am always available and can be reached at 562-804-9412 or jrnjr@yahoo.com

It's my honor to serve as your 1st Vice District Governor.

“Humble and Kind” We Serve

Thank You District Governor “Tessy” for the opportunity to serve you and our district as this year’s Global Leadership Team Coordinator. I am looking forward to working with our Region and Zone Chairs and our clubs to help continue the development of leadership skills of our district.

This will be a joint effort, first by the district in providing a core of traditional leadership training programs followed by our district clubs identifying specific Lion leadership areas where additional training will help. Success will only occur with participation in the training, followed by application of knowledge and skills in an effective manner.

In the coming weeks a district training schedule will be published identifying key training topics for club officers and additional member orientation classes.

Thank you my fellow Lions for your participation and support.
Lion Tom Kester
Global Leadership Team Coordinator 2017-18

A Message from our 2nd Vice District Governor Gary Hall

Hello Fellow Lions of 4-L2:

As I write this article, I am reminded of all the exciting times that were enjoyed by Lion Teri and myself during the campaign and election process to become the 2nd Vice District Governor of District 4-L2. From the campaign planning meetings to the club visitations and on to San Diego in May, 2017 for the District 4-L2 Convention and election, the experience has been nothing but rewarding. A big "THANK YOU" to all that have participated and supported me as I embark on the Lions journey of a life time. I am so very proud to be your 2nd Vice District Governor. I will continue to work diligently and be respectful of that support so we can all work better together.

It is hard to believe that the joint Council of Governors meeting that was held in Pasadena this past June 1-4, has come and gone, but has certainly not been forgotten. Lion Teri and I are now preparing for the next COG meeting, the Organizational Council of Governors meeting, which will be held in Sacramento, on August 4-6, 2017. However, the 2nd VDG's will have an additional full day of training ahead of that on August 3rd as well. We are looking forward to seeing old friends and fostering new friendships as we are able to spend some fun time with the DG's, 1st and 2nd VDG's and all of the AC (adult companions) and the many other Lions that will also be attending the meeting.

Myself and the rest of DG Theresa's Cabinet were installed in our respective posts at the 4-L2 Installation of Officers which was held on Saturday, July 22, 2017, at Bruce's Restaurant in Santa Fe Springs. We were all proud to have as our installing officer IPID Howard Hudson. Many Lion guests from other districts were also there in attendance for the ceremonies as well as Lions and guests from our own district.

As we go forth into this Lions' year, it is my objective to faithfully support and assist DG Theresa, 1st VDG John Nelson and the goals and objectives they have set forth for all of the Cabinet Officers of our district. Also, will be a focus on membership retention and growth as well as club retention and additional new clubs.

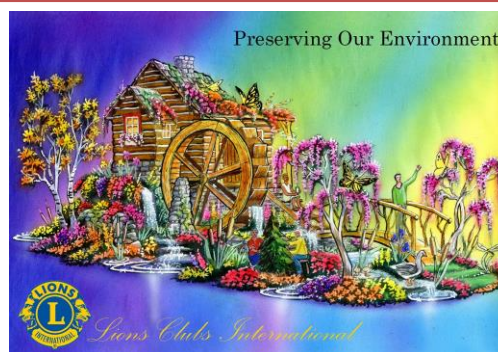

And please remember

"WE SERVE BETTER TOGETHER"

My Best to all of you!

Our District 4-L2 Family Is Saddened by the Loss of these Lions: (Since our last District Bulletin)

Lion Hal Raphael, a member of the Bellflower Noon Lions Club.

Lion Russ Haas, a member and Treasurer of the Monterey Park Lions Club.

District 4-L2 had the honor of having IPID Howard and Lion Lynn Hudson (4-A3) visit us on July 22nd. The IPID installed our Cabinet Officers, presenting each of them with a food item. He mentioned that all of the items combined would create a meal, thus alleviating hunger, which is one of LCI initiatives for 2017 – 2018.

Let's Meet Our District Governor.

Lion Theresa "Tessy" was born in Bellflower and moved to Norwalk at age 3. Tessy graduated with honors from Santa Fe High School, then onto Cerritos College.

Lion Tessy joined the Norwalk Lions Club in January of 1990, and transferred to her current club, Artesia-Cerritos in 2002. She has held every office at the club level. Lion Tessy mostly enjoyed being the Tail Twister. It was a great way to get acquainted with all the members and to promote comradery. DG Tessy has also served as Bay Region, Zone C Chair 2001-02, 2002-03, Bay Region, Zone B Chair 2009-10, 2010-11, and 2013-14. She has served our District in many other positions including: Convention Committee 2006-14; Board of Directors for Lions Sight and Hearing Foundation 2010-11; Second Vice President for Lions Sight and Hearing Foundation 2011-12; Second Vice District Governor, and First Vice District Governor.

Lion Tessy is a graduate of the MD-4 Lions Leadership Institute, Graduate of Lions Guiding Lion Training; and serves as her clubs Leo Advisor for the past seven (7) years. Lion Tessy is proud of the Cerritos High School Leos who assist with their club events as well as many other community and school events. Their Leos have received Club of the Year at their school.

She has also received many awards for her volunteer work including being a Melvin Jones Fellow; International President's Leadership Medal by IP Dr. Wing-Kun Tam in 2012; Woman of the Year from Assemblyman Tony Mendoza; Citizen of the Year from the City of Norwalk; MD-4 Excellence Award; Volunteer of the Year by the Cerritos Chamber of Commerce; Keystone Award from the City of Norwalk (two times); Harry J. Aslan Fellowship in the Student Speakers Foundation from the 4-L2 Past District Governors; special recognition by the ABC Unified School District which encompasses the cities of Artesia, Cerritos, and Hawaiian Gardens for her support with their clubs annual track meet and free eyeglasses program. DG Tessy has also received the proud Sponsor Award, plus many other awards.

DG Tessy has dedicated her life in the cause of helping others. She started at a very young age volunteering for many city events with her parents. Giving to others was instilled in Tessy by her parents. Growing up, they volunteered in Scouts, PTA, Parks and Recreation events, Norwalk Libraries plus many other events.

Lion Tessy enjoys meeting new Lion members and enjoys the friendship, dedication, and comradery with being a Lion!

Hats Off To Our Clubs That Serve

Pasadena Host Lions Club cooks with Compassion on each fifth Wednesday. Lions prepare and serve a home cooked dinner at Union Station Homeless Services for individuals and families going through hard times. Union Station is the San Gabriel Valley's largest and most comprehensive social service agency assisting homeless and low-income people.

City of Industry Lions Club assists the San Gabriel Valley Coalition by volunteering to make lunches for the homeless in shelters during the winter months.

Whittier Host Lions held their Annual Sight Fair and assisted needy individuals to obtain glasses.

Many of our Clubs are helping young students with new school clothes and filled backpacks as school will soon start.

Lions Fourth District Student Speakers Foundation, Inc.

A 501(c) (3) Corporation #95-610-4287

Fellow 4-L2 Lions,

A sincere thank you to all of our District Clubs and Lions who contributed to the Student Speakers Foundation during the 2016-17 Lions' year.

The total contributions from our District were \$7,721.00. As you know, each District has a minimum goal of \$7,000.00. Each year \$103,500.00 is awarded in scholarships to those students in the fifteen (15) districts who advance to the scholarship levels in the contest (District \$4,500, Area \$6,500, and Final \$10,000).

This year, our District winner was **Simon Ketema** a sophomore from Mayfair High School. He was sponsored by the **Bellflower Noon Lions Club**. What a fine young man, with excellent speaking skills and only in 10th grade. He won our District and then Area Four, so he has \$11,000.00 in his Scholarship Account. He made us PROUD! Before he left Pasadena after the Final Contest, he said "I will be back!" We look forward to him participating in the 2017 – 2018 contest year.

Every dollar that is donated to the Foundation goes to scholarships, and is tax deductible. My sincere appreciation to the following: **Bellflower Noon Lions Club; Downtown Long Beach Lions Club; Montebello Lions Club; DG Theresa Prumatico; VDG John Nelson; IPDG Manny Sanchez; District 4-L2; Lion Ryan Rice (Montebello Lion); Lion John Saavedra (East Los Angeles Lion); Special Olympics Lions Club; Memorials in Memory of Lion Ethel Prumatico (Artesia-Cerritos Lion); West Covina Lions Club; Shirley Chiavetta (Judge for a SS Contest); Downey Lions Club; San Gabriel Taiwanese Lions Club; Norwalk Lions Club; Lion John Layton (Norwalk Lion); PDG Chris Ohrmund (Montebello Lion); and Artesia-Cerritos Lions Club.** If you need any donation forms, please contact PDG Chris at ohrmu@aol.com or 909-598-0554.

We also received approximately \$200 from our Recycling Program. (Please keep saving your cell phones and PC ink cartridges.) **You also can register on Amazon Smile for us. You just choose the Foundation (only once) and from then on when you order through Smile Amazon we receive .5% of your order (and it does not cost you anything).**

If you would like a program for your Club on the Foundation, contact PDG Dennis Drag, Vice President or PDG Chris Ohrmund, President, and they will be happy to do a program for you.

A donation to the Foundation is an investment in our Youth, our Future!
