

**Attention Lions of District 4-L2!**  
**Put It on Your Calendar Now!**  
**The 83rd 4-L2 Convention: Saturday, May 15**  
 Doubletree by Hilton - 888 Montebello Blvd., Rosemead  
**YES! An in-person event at one of our beloved sites owned by San Gabriel Taiwanese Club's Lion Frank!**

**Of course, there will still be some restrictions.**

- To limit the need for a hotel stay & long-distance travel, the event will be for one day within the district's boundaries.
- Your convention committee is working out details with the hotel for appropriate safety measures, including sealed disposable utensil packages & properly protected servers for meals (breakfast and lunch) as well as socially distanced seating.
- More details will be forthcoming via messaging & at the April 10 District meeting.

#### **Things to Do in the Meantime**

- Get vaccinated as soon as possible.
- While waiting for that opportunity, continue to follow safety measures including masking, social distancing & avoiding large gatherings.
- Watch for more announcements about the event.

#### **Envisioning Ourselves Under the Rainbow**

Dolly Parton said it: "The way I see it, if you want the rainbow, you gotta put up with the rain."

We've been deluged with the rain of Covid for over a year, so let's joyfully envision ourselves under a rainbow as we gather in person as Lions!
