When having a Club Fund Raiser, remember to use this emblem and not the Lions Int'l Emblem. This is a legal requirement.

And have respect for your Lions organization and your club and never use a “dog face” or poorly engraved emblem. Contact Lions Clubs International or your District Governor for instructions on using the emblem.

LEO CLUBS

Leo's Program began in 1957 in Pennsylvania. Leo's were officially adopted by LCI in 1967. Leo's now total more than 140,000 in 130 countries. Our Leo's District was formed in 1995 by PDG Dennis Windscheffel with 12 clubs. The first activity was to help the Downey Lions club existing Rancho Los Amigos Program. In 1995 a festival was planned by the Leo's that involved over 600 participants, and has continued since then. District activities also have included Diabetes Walk-a-thon's, Beach Clean-up, Rose Bowl Float Decoration, and work outings at Teresita Pines Lions Camp & Wrightwood Lions Camp.

DIABETES AWARENESS

FEDERAL CLIA ID # 05D0933194

The prime goal of Lions International is the preservation of sight. Diabetes is a disorder of metabolism in which people have problems converting food to energy. It is the leading cause of adult blindness (age 20 - 75), kidney failure, non-traumatic amputations and cardiovascular disorders (diabetics are 60% more likely to have heart attacks and/or strokes). Diabetes is rated the fifth cause of death in the U.S.A. according to the Center for Disease Control and Prevention (CDC).

Updated statistics shows 17 million with Diabetes and 16 million with Pre-diabetes. The CDC officially considers this data an "epidemic". Thus 33 million people are diabetic or will become diabetic shortly, unless they are screened, treated, and controlled. CDC predicts there will be 50 million diabetics in the U.S.A. by 2030. 90%-95% of all diabetes is Type Two for which there is no cure.

The District Committee presents programs about diabetes and does diabetic screening tests (Blood glucose and when required Glycosated Hemoglobin [HbA1c]) at club meetings. The committee also does diabetic screening tests at health fairs, walks, street fairs, chili cook offs, fish fry's, etc. and distributes Diabetic information and books wherever large crowds celebrate and the local Lions Club wishes to set up a booth. The Committee can also perform Total Cholesterol and Full Lipid Panel (HDL, LDL, TG, Total) Tests with advance arrangement. The Committee works closely with the American Diabetes Association and Taking Control of Your Diabetes (TCOYD.org) in promoting Diabetic Seminars and fund raising.

The Committee has appreciated the assistance of Roche Diagnostics Advantage, Johnson & Johnson Lifescan, and Metrika (A1cNow) for donating their meters and medical supplies. The Committee is capable of supplying glucose meters to clubs and individuals. The Committee can also assist other MD-4 District Committees to become active, obtain licenses, write procedures, and meet all federal and state requirements for diabetic screening.

LIONS LOW VISION SERVICES

(L.O.V.E.) PROGRAM

"People Caring for People", the cornerstone of Lionism, is actively demonstrated through the *Lions Low Vision Services (L.O.V.E.) Program*. Known as the "*L.O.V.E.*" *Program*, the Lion Clubs of Southern California have responded enthusiastically and generously to the establishment of the vital program for the partially-sighted.

The *L.O.V.E. Program*, in cooperation with Optometric Center of Los Angeles and the Southern California College of Optometry offer complete vision care services including such specialties as low vision devices and vision therapy. Patients of the program receive complete vision examinations and prescribed correction and treatment. Patients receive top quality services from the Optometric Center, a teaching clinic staffed by optometrists, ophthalmologists, college interns and complete office personnel. The center has over a hundred years of experience in identifying and solving diverse problems of patients seen in both private and clinical practice.

Fees

The *L.O.V.E. Program* provides services based on the patient's ability to pay. For the truly indigent, the cost may be almost nothing. Regular fees will be charged for those who can afford to pay. All patients must either pay for the services through personal funds or private insurance. Patients may also request for financial assistance.

Funding

The Lions Clubs of Southern California, along with grants and donations from other charitable individuals and entities support the financial needs of the program.

LIONS FLOAT, INC.

Since 1992, Lions Clubs International has had a float in the New Year's Day Tournament of Roses Parade in Pasadena, California. Two of our entries, in 1992 and 1994, won awards for the most beautiful floats in the parade. But all entries have been winners, presenting Lions an opportunity to promote our services activities to people worldwide who watch the float each year.

the Rose Parade is seen by an estimated 400 million people in 85 countries worldwide. The parade is covered by several hundred domestic and international newspapers. Every major newswire service features related stories before, during and after the parade.

Lions Float, Inc., a non-profit corporation, was formed in 1994 to direct the preparation and funding of the Lions float in the Rose Parade. This is a year-round activity involving the designing, fundraising and coordinating of volunteer decoration of the float in December.

Lions Clubs International in Oak brook, Illinois has provided approximately half of the funds; the remainder is raised by the Lions of Multiple Four (California).

LIONS INTERNATIONAL YOUTH CAMP AND EXCHANGE PROGRAM

The MD4 Youth Exchange Program has been exchanging youth with other countries since 1962. Throughout the 50 years thousands of youth have traveled abroad for a 5-week in-home stay, thus giving them the advantages of studying and understanding other cultures and family living.

The MD4 Youth Exchange Foundation, Inc. is a California Non-Profit Public Benefit corporation administered by a Board of Directors who are Lions and serve without pay. The Foundation is the trustee of funds contributed to support the Youth Exchange Program. The Foundation invests these funds in federal insured term accounts to provide the highest rate of return with maximum guaranteed security for the assets of the Foundation.

The first exchange was conducted in 1962 between Japan and California-Nevada. We now exchange with Europe, Scandinavia, Malaysia, Peru, Australia, New Zealand, Japan, and several other countries.

The tremendous growth of the YEP throughout Lions International has received increased recognition for its positive contributions towards a better world of understanding.

This is a very ambitious program that requires support from club to MD level. To become involved contact your District Youth Camp and Exchange Chairperson.

PROTOCOL

Lions Clubs Objects

To create and foster a spirit of understanding among the peoples of the world.

To promote the principles of good government and good citizenship.

To take an active interest in the civic, cultural, social and moral welfare of the community.

To unite the clubs in the bonds of friendship, good fellowship and mutual understanding.

To provide a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

To encourage service-minded men to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

LIONS CODE OF ETHICS

Lions Code of Ethics

To show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self respect lost because of unfair advantage taken or because of questionable acts on my part.

To remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards my fellow men, to resolve such doubt against myself.

To hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state and my community, and to give to them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

To aid my fellow men by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To be careful with my criticisms and liberal with my praise; to build up and not destroy.

WHAT IS LIONISM

We are not a political organization, yet among our members will be found leaders of all political parties and factions. . .

We are not a social club, yet we are directed to take an active interest in the social welfare of our various communities. . .

We are not a youth organization, yet we participate in so many youth programs and projects in this nation and abroad that it is hard to determine if the dog is wagging the tail or the tail is wagging the dog. . .

We are not a welfare organization, yet over the years, in good times and bad, countless thousands of less fortunate people have been the recipients of the generosity of Lions. . .

We are not a sports or recreational agency, yet thousands of boys have been thrilled with Little League programs and many other activities built around the training of the minds and bodies of our youth, both boys and girls. . .

We are not a religious body, yet the precepts we live by are familiar to the doctrines of the world's spiritual bodies. . .

We are not a medical or health organization, yet our clubs have performed miracles in this wide panorama of community and individual service. . .

We are not an educational foundation, yet thousands of students are today in schools built by Lions. . .

We are not a United Nations, yet we are an instrument of peace. Lionism, born while the world was aflame, has grown strong under the nourishment of freedom and liberty. . .

Excerpts are from an address by Edward M. Lindsey, the Golden Anniversary President of Lions International to the annual U.S. Senate Dept. of Foreign Policy Conference for Nongovernmental Organizations.

FOUNDER: LIONS CLUBS INTERNATIONAL

"The Lion stands for something not so much as noble animal, but rather as the traditional symbol of great deeds and high accomplishments."

The International Association of Lions Clubs started as a dream in the mind of a young Chicago insurance agent. The man was Melvin Jones. This dream was presented to the leaders of various independent groups at a meeting in Chicago, Illinois, on June 7, 1917. From that meeting came a call for the Association's annual convention, which was held October 8-10, 1917, in Dallas, Texas, with 23 clubs participating. Thus was conceived and founded the world's largest, most active and most representative service club organization, LIONS CLUBS INTERNATIONAL.

Utilize the Lions Mobile Health Screening Unit (Lions Eyemobile) to enhance

"We Serve" at Community Events.

Using the Lions Mobile Health Screening Unit is an excellent way to demonstrate your Club's commitment to service and the improvement of sight and hearing in your community. The "Eyemobile" has been used in Community Parades, at Festivals, Summer Concerts, Carnivals, Health Fairs, Special Olympics, and Holiday events. We also encourage Lions clubs to team with our District Diabetes Awareness Committee to provide diabetes and cholesterol screenings concurrently when using the "Lions Eyemobile."
