District 4-L2 Update from District Governor

BY HARRY SHUSTER
DISTRICT
GOVERNOR

District 4L2 is growing. Our membership is at all time high, service by clubs are up and financially we are doing well. We have a diverse community of Lions. This is a pride that I share with everyone. Though we are of different cultures we all share our passion for service and giving. Changes are coming. As of June all further dues that are California based will be billed by our District and we will forward monies to the California District. International will be eliminating the word "Club." We will be known as Lions. If your club is having a project invite other clubs to attend. We all must support each other. Friendships should go beyond clubs. We all need that

We are the best support from everyone.

Succeed"**

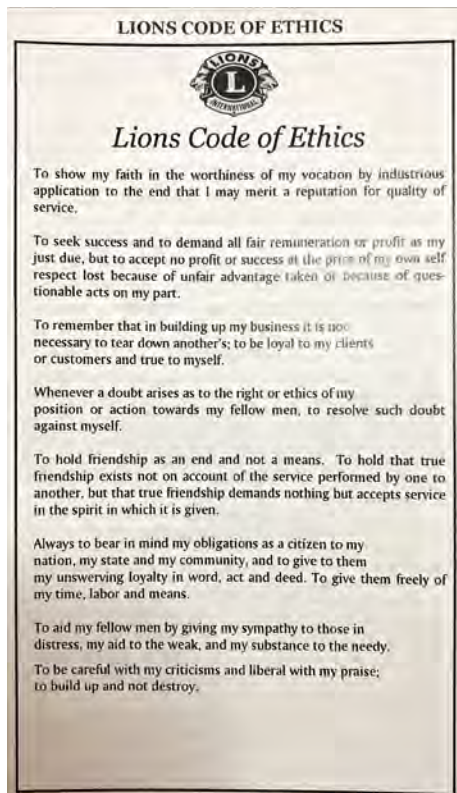

Continue to do Community service. Step up membership. I want to say thank you to all the clubs that have increased membership; especially LA Elite and LA Diamond Clubs. Their love for Lions is noted. May the holidays bring peace and harmony to your lives.

International Reception will be in December and meeting with all the Club Presidents will take place. Your Cabinet is working hard for the future of 4-L2. Check 4-L2 Calendar for dates.

Leadership Development Plan

Thank you all for working hard this past year and as the year comes to a close I'd like to wish everyone a Merry Christmas!

Long Range Planning Leadership Committee has conducted many trainings this year; including Leadership Training, Treasurer Training, Club Secretary Training, Zone Chair Training, and Region Chair Training. Within our 4L-2 District of 1500 members 200 Lions have gone through training, that's over 10%. Hopefully by next year we can increase participation in these trainings even more.

We Serve is our motto. Please just remember that as a Lion, Code of Ethics is our backbone to service in our community. I encourage all of our leaders to read the Code of Ethics in our Lions meetings to help remind ourselves how to prevail as good Lions.

LCIF UPDATE

BY MANNY SANCHEZ

LCIF
DISTRICT
COORDINATOR

It is through LCIF grant funding that our clubs and districts can help more people in need and create an even deeper, lasting impact. LCIF empowers service through Matching grants, which can help districts equip their vision screening programs.

Thank you to the Lions of District 4-L2 for being the leaders in Donations to Lions Clubs International Foundation. We are the known as leaders in California and in the United States.

It is through LCIF grant funding that our clubs and districts can help more people in need and create an even deeper, lasting impact. LCIF empowers service through Matching grants, which can help districts equip their vision screening programs. LCIF is mobilizing hurricane relief funds to Lions to deliver relief in Louisiana and other states impacted by Hurricane Ida.

Since July 2020, LCIF has awarded 142 hunger-related grants totaling US\$1,751,036. With 100% of donations going towards grants and programs, LCIF empowers the compassionate service

of Lions and those who need our help.

Let's keep up the hard work in supporting LCIF, every donation counts. Our goal this year is to be 100% District; this means every club donates to LCIF in any amount.

For the Model Clubs we thank you and some of the clubs have achieved the Model Club Commitment and other are close to reaching the commitment. I will be sending out the information to the individual clubs shortly.

Remember, your donations are registered in your individual accounts and supports your club for recognitions.

This includes the 100% clubs, 200% clubs, Model Clubs, 100% Melvin Jones Clubs and Major Donors. For the 2020-2021 year we donated \$129,371.00, I know we can reach that goal.

I am also looking to conduct

LCIF Club Coordinator Classes; a link will also be sent out shortly.

Contact me for more information, I can visit your clubs or on Zoom. You can donate directly at lcif.org

Sincerely,
PDG Manny Sanchez

CHARTER AND ENTRANCE FEE WAIVER

DOUGLAS X ALEXANDER

INTERNATIONAL
PRESIDENT

The coronavirus (COVID-19) pandemic continues to impact the work of Lions and communities around the world, creating challenges for our clubs and the people we care for. Throughout this global crisis, Lions have continued to safely serve because the needs have been so great.

To help ensure that clubs are able to meet the growing needs in our communities, the International Board of Directors passed another resolution to make it easier to invite new members to serve with us. Here is an overview of the new resolution approved by the Board of Directors:

- Charter and entrance fees waiver – We have waived all charter and entrance fees from January 1 through June 30, 2022. Charter and entrance fees are also currently waived through December 31, 2021.

Please note that clubs should pay any outstanding balances right away to stay in good standing and avoid being placed on financial suspension on November 15.

We know that every member matters, to our clubs, to our communities and to the lives we touch as Lions. For more than a century, Lions have taken on the greatest challenges facing humanity, and together, we will overcome this.

Thank you for sharing the joy of being a Lion, and for your outstanding service and commitment to our communities and the world.

Yours in Service,
Douglas X. Alexander
International President

The barn is unheated, and you will be working with glue that does not come out of clothes!

Parking is sparse, so be prepared to hunt and walk.

Children under 13 are NOT allowed to decorate. It's an insurance issue with builder not Lions.

Dress Warm and "Socially Grubby" (clothes you would wear to paint your house).
