

Saugus Lions Club

4th Annual Roaring Toy Drive 2023

November 25, 2023, at the Saugus Senior Center

The Saugus Lions will be hosting its 4th Annual Roaring Toy Drive on Saturday, November 25th, from 10:00 am - 2:00 pm at the Saugus Senior Center at 466 Central St. Because of last year and continuing this year's craziness, more families are hurting more than ever and need help for Christmas.

As we all know, when times are tough, toys for children may get overlooked. Retired Capt. Bill O'Malley of the Saugus Fire dept. will be collecting the toys and delivering them to those families in need.

Please share this information with your family, friends and co-workers. If we can all tell a handful of friends who have found themselves far luckier than most, to donate 1 extra toy, imagine all the toys we can collect.

Also, come meet Lily the Lion and Mrs. Claus. They will be there to greet and thank you.

Let's all try to make Christmas of 2023 far better than the rest of the year. Together we can make a difference and help put some smiles on many faces.

PLEASE SHARE!
