

District 33-N Bulletin

Dear District 33N Lions,

Welcome to our second District Bulletin. Our District Bulletin Editor, Laurie Cantwell, has been hard at work collecting all of our clubs' news and events. Please take your time and look at this very informative bulletin detailing all of the great service projects and fundraisers our awesome clubs have done so far this year (and continue to do).

We are so proud of every Lion in our District. Our Lions' passion is truly ignited! We continue to be humbled daily as we hear about everything our clubs are doing this year. Together, we have visited many of our clubs and are amazed at the energy and enthusiasm each one of our clubs has done to better their communities and help those less fortunate. Please, keep up the great work. If we or any of our cabinet members can assist you in any way, please feel free to reach out to us at any time.

We hope to see you at the Princeton Station Restaurant, North Chelmsford, for our upcoming Second District Advisory on Saturday, December 3, 2022, at 10:00 am. We have a wonderful breakfast meeting planned. Please reach out to our Registration Chair, Tammy Gray at tgray2968@yahoo.com to make your reservations.

Again, our thanks to District Bulletin Editor Laurie for her hard work to keep us informed. Keeping our clubs informed is one of our number one goals. We continue to look forward to working with all of you and look forward to visiting with every one of you.

Yours in Lionism,
DG Tony and 2VDG Sharon

Lions Clubs International Foundation (LCIF) Update

Lions Clubs International Foundation (LCIF) is the charitable arm of **OUR** organization. Since its inception, LCIF has awarded more than \$1.2 billion in grants for various projects throughout the world. Of that total, more than 10% has been awarded in disaster relief grants.

Within the last few months, LCIF has awarded significant grants as a result of hurricanes Fiona and Ian, which affected the United States, and the ongoing refugee situation resulting from the war in Ukraine. These are some of the events that LCIF addresses through the generous support of local Lions Clubs.

Are you aware that you can help? Individual donations are gladly accepted and put to work increasing the great works of our foundation. Donations of any amount can be made through the website, lcif.org, as either one-time or continuing periodic donations.

Checks can be mailed to:
LCIF
Department 4547
Carol Stream IL 60122-4547.

Make a Donation

As always, your donations will be credited to you and will accumulate toward a Melvin Jones Fellowship. LCIF needs all of us to step forward to ensure its continued success. This is our foundation, and it only succeeds when we support it. Please give to help our great works.

Please contact either PDG Marcel Plouffe or PCC Dave O'Brien for additional information or assistance.

The DG and the Cabinet felt that instead of having a "Toys for Tots" Toy Drive this year, we are asking our individual clubs to **organize a local toy drive** that will best serve the needs of their own communities.

We know how important every community is, and we would like you to find a organization in your community that you can donate to.

Please donate items locally.

District 33-N Lions: Peanut Butter & Jelly Challenge November 1 through December 31

TO BENEFIT OUR LOCAL SHELTERS AND PANTRIES:

Peanut butter is rich in heart healthy fats and is a good shelf stable source of protein to have available to our shelters and pantries. Peanut butter and Jelly are not just for kids, but families and seniors also rely on this pantry staple.

Please help us in this food collection competition to kick out hunger in our local communities by benefits going to our local shelters, pantries, and food banks. We will be collecting non-perishable items and for each item collected you get a point.

What kinds of peanut butter and jelly?

Single servings, small or medium jars and squeezable. Sugar free, almond butter, all natural, crunchy.

HOW TO HELP?

Bring your collected items to your meetings and have someone in your club and keep track of items collected. All totals must be turned into the Region Chair no later than January 1, 2023 and the winner will be announced at Mid-Winter Convention!

The club that collects the most peanut butter and jelly by December 31st will win the Peanut Butter Trophy!

MA Lions District 33N EyeMobile

The MA Lions District 33N EyeMobile Committee is asking for your support to update our equipment and assist in keeping our organization running. Our charitable efforts, as a result of the adverse effects of the COVID pandemic, have suffered. The District 33N Eye Mobile, Inc., a 501(c)(3) Corporation of the Lions Clubs of Massachusetts, utilizing the MA Lions District 33N EyeMobile, conducts free health screenings that include blood pressure, hearing, and vision. As a non-profit, our EyeMobile and its equipment rely solely on the support of generous supporters like you.

Our initiative, "Driving To Prevent Blindness", has been suffering throughout these unprecedented times. Our committee, with your help, has been working toward making our EyeMobile accessible to all. Unfortunately, we have not been able to provide our regular vision screenings, which help both children and adults avoid preventable blindness and, as we all know, good vision helps individuals be more successful. We are humbly asking for your support to ensure that we can meet our initiatives and prevent avoidable blindness.

We desperately need funds to replace our antiquated retinal camera. With a new retinal camera, we will be able to replace our 25-year-old retinal camera with a new portable hand-held device that allows ease of use. After much research, we have found that the equipment we so desperately need is not eligible for a grant. This is one of the most important pieces of equipment we have to conduct vision screenings!

With your generous donation, we can purchase this much-needed retinal camera and continue operations to provide our community with free screenings.

Please send your generous donation to:

District 33N Lions Eye Mobile, Inc.
Attn: Bob Salvo, Treasurer
12 Robinhood Rd,
Winchester, MA 01890

Rest assured that whatever your donation, 100% of the money goes to ensure our EyeMobile continues to help meet the needs of our community and beyond.

Thank you kindly for your consideration of donating to the charitable efforts of District 33N Eye Mobile, Inc. Your generosity will touch people's lives and help children and adults avoid preventable blindness.

North Shore Lions Club presents [Lucky Duck Lotto fundraiser](#)

QUACK - QUACK - WE'RE BACK!!!
North Shore Lions Club Presents: **THE LUCKY DUCKY LOTTO**

Lotto Begins:
Nov 01, 2022

Lotto Ends:
Nov 30, 2022

\$20 per duck

One - Grand Prize Winner will be awarded \$100 Cash and \$50 in scratch Tickets.

Three - Best In Show Winners will each be awarded a gift basket full of surprises.

This is a fundraising lotto that uses the MA Powerball Lottery as its source for selecting the winning numbers. Three times a week (Mon, Wed & Sat) the MA Powerball lottery pulls five white numbered balls from a pool of 69 white balls. If your lucky ducky number matches one of the pulled lottery balls, your duck will be counted as a match for that week. **PLEASE NOTE: We will not be including the red "power ball" number as part of our game.**

The first lucky ducky to be matched five times will win the grand prize of \$100 in cash and \$50 in scratch tickets. If no one hits a count of five matches by Nov 30th, the North Shore Lions will have a Facebook live drawing on Dec 1st and will pull lotto balls until a winner is received.

2nd Chance — BEST IN SHOW

The Best in Show is a Lucky Ducky second chance lottery. This second chance lotto encourages you to go out and have fun with your duck and take pictures. Each picture that is posted on Facebook with the hash tag of [#NorthShoreLionsLuckyDucky](#) will be entered. Be silly, be creative, have fun with this. If people ask what you're doing with that duck, tell them. Take this opportunity to talk to them about Lions and how we serve.

To buy a duck please email North Shore Lions Club at northshorelionsclub@gmail.com. Payments can be made by check made out to North Shore Lions Club or by Venmo to @Tammy-Gray-101.

GOOD LUCK

All proceeds will be donated to North Shore Lions Club Charities.

LIONS CODE OF ETHICS

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TOO SEEK success and demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost, because of unfair advantage taken, or because of questionable acts on my part.

TO REMEMBER that in building up my own business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my nation, my state and my community and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labour and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise, to build up and not destroy.

District 33-N Summary

November 2022
Bulletin

Did you enjoy our Second District Bulletin?

As mentioned in our previous August 2022 District 33-N Bulletin Summary, our bulletin is a work in progress. It is very difficult to research and find all the many wonderful things our District is doing to serve our communities. So, if I've missed an item, it's not intentional; please let me know so it can be included in our next Bulletin.

Our Bulletin is one of the tools our District uses to keep our Lions and Clubs informed of activities. With all that our clubs are doing to serve their communities, we have certainly moved forward. *"Ignite your Lions Passion"* is not just a catchphrase but rather something that it seems our clubs have acted upon. Just take a look at all the wonderful activities we've done to serve!

If you have any questions, suggestions, or items of interest for our next bulletin, including event photos and descriptions, please email me with subject *District Bulletin* as soon as you have them.

And, don't forget to record all your events and activities in [MyLion](#), on your Monthly Activity Report, on individual and club social media sites, and on websites!

Best, YIL
