

# ROAR Program

**Recruiting, Orienting, Actively involving, Retaining – The ROAR Program** is designed to help new members become familiar with and take an active role in club activities.

The objective of the **ROAR** program is to build quality into our membership up front by ensuring that potential members understand what is expected of them and for clubs to understand what new members expect from Lions. Club membership chairs and sponsors have an obligation to sit and discuss benefits and responsibilities of membership in a Lions Club. They also have the responsibility to get the new members actively involved in club activities and to help them understand the great work Lions do at all levels.

The **ROAR** program for New Members and their sponsors is one tool that clubs can use to help new members get and stay involved with the club and their community.

**A handsome lapel pin awaits the New Lion and Sponsor who takes advantage of the ROAR program.**

To receive the **ROAR** lapel pin, this form must be completed within one year of the date of membership and submitted to **Cabinet Secretary Sharon Pecci.**
