2013 Lions International Youth Camp and Exchange need host families

The Lions International Youth Camp and Exchange (YCE) will need approx 5 to 6 host families for the summer of 2013 to provide accommodations for students from all over the world.

Their ages are from 16 to 21 years and they are looking to experience our way of life for 2 weeks. Exchange students can be moved to another host family if a short stay is only available at the initial host family. It's sometimes easier if a young person of approximately the same age is available to "chum" around with but not a necessity. Nothing special needs to be planned by the host families, just the normal day-to-day life. Going camping, local ball game or to a social? Great take them along. You never know they might have something to tell you about their country!

There is a camp from August 5th to 11th that all exchange students will be attending at the Delta Waterfowl Field Camp near Minnedosa where we will have them come together as a group.

We will be exposing them to some more Canadian experiences at that time as well as giving the host families a break as well as having them tell each other about their country and culture.

If a host family or anyone else would like to volunteer as a supervisor and/or mentor at the camp we will provide all meals and accommodations for them for the week. A camp leader is also required if anyone has the time and desire to help organize activities and the running of the camp.

For more information or ideas call Gord Kingdon at 204-868-5155 or gkingdon1@hotmail.com

Lions challenged to help victims in Oklahoma

Deadly tornado kills over 20 people
and destroys community

As many of you know, a tragic event occurred in the United States a few days ago. A deadly tornado touched down in the state of Oklahoma killing over 20 people, including children, as well as destroying schools, a hospital and many homes in the town of Moore.

A donor in Vancouver, Canada, was so moved by the stories of individual bravery and survival from Oklahoma that he donated US\$1,000 to the disaster relief fund at Lions Clubs International Foundation (LCIF) as a challenge to other Lions

to match his donation. A match does not need to be the full \$1,000, but can be any amount - even US\$1. Through local Lions efforts, this money will be used for immediate relief and long term reconstruction. To match this donation, contact LCIF or donate at <https://www.lcif.org/EN/ways-to-give/lion-disaster-donation.php>. All donations to the disaster relief fund are Melvin Jones Fellowship eligible.

Many other Lions across the US and world have also responded to the devastation in Oklahoma. A club in Michi-

gan had a club meeting Tuesday night where over US\$3,000 was donated with more on the way from clubs across the district. Districts in Florida and Virginia are sending truckloads of relief supplies to the scene. Donations have come in from Ontario and Prince Edward Island in Canada and from many clubs in the US.

Please be generous in your donations to assist disaster relief and reconstruction. Thank you! LCIF Development

Morden Lions Club Eyeglass Recycling and Magnifier Project for Morden Library

May is "Recycle For Sight" month for Lions Clubs (<http://www.lionsclubs.org>) all over world. Eyeglasses & sunglasses that people no longer have a use for, can be donated to "Lions Recycle For Sight" which will give someone in need of glasses a renewed opportunity to see and read. From Canada in 2011, 191,740 pairs of recycled glasses were sent to underdeveloped countries. The largest shipment was to Ghana where 55,900 pairs were distributed in 20 missions. In Canada, recycled eyeglasses are tested, packaged and distributed by The Canadian Lions Eyeglass Recycling Centre (<http://www.clerc.ca/>) which is a joint program between the Lions of Calgary and the Calgary Correctional Centre. Locally, eyeglasses are collected by local Lions Clubs, packaged at the Lions Eye Bank office and then shipped to CLERC in Calgary. Morden Lions, for example have collected 10,598 pairs of glasses in the past 8 years. Lions in Miami and Winkler also collect and ship glasses. Collection bins are located at the Altona, Winkler and Morden branches of

the South Central Regional Library, Focal Point Comprehensive Vision Centre in Morden and in Miami at Call Insurance Office or Miami Friendship Centre. Thanks for your support by dropping off your unwanted or not needed eyeglasses & sunglasses.

Magnifier Project – Morden Library

16 magnifiers for Morden Library

One of Lions main priorities is to improve quality of life by improving vision wherever possible. In keeping with that priority, an opportunity to help was identified at the Morden Library. Library patrons with reduced or low vision could benefit from having magnifiers available when reading library material. Magnifiers, valued at over \$2500, were recently delivered to the library through a joint project shared by The Lions Eye Bank, Focal Point Comprehensive Vision Centre and the Morden Lions Club. The project also illustrates how the Lions Eye Bank's Journey For Sight snowmobile ride fundraiser comes back to help the local commu-

nity. Money raised in the Journey For Sight is used by the Eye Bank to cosponsor local vision related projects like the magnifier project in Morden. This year in January, 25 Morden & area snowmobile riders raised over \$9100 for the Eye Bank. Library patrons will certainly benefit from having magnifiers available to view some of the smaller print materials.

We welcome you

Lions welcome new members, you can be a part of the world's largest service organization. It doesn't take a lot of an individual's time but, as a group, a tremendous amount can be accomplished both locally in and around Morden and also all around the world helping those who are unable to have some of the basic necessities of life. For more information contact any Lions member, look up Morden Lions Club on the web, phone President Rob Lawrence at 204-822-6021 or email us at mordenlions@mts.net.
