Lions Foundation of Canada Dog Guides

Lions Foundation of Canada is a federally incorporated charitable foundation created and operated by the Lions of Canada. Its mission is to provide service to Canadians who are physically challenged in the areas of mobility, safety, and independence; and to cooperate with other charitable endeavors as appropriate.

The facility, located in Oakville, Ontario, is proud to be the only dog guide school to provide three categories of dog guides; for the visually impaired, for the hearing impaired, and for individuals with special needs. It remains the only school of its kind in North America to offer bilingual services for its dog guide teams. Clients receive their dog guide teams free of charge, as the costs are borne by funds raised by Lions and Lioness clubs throughout Canada.

MD5M COMMITTEE REPORTS

Canadian reports: DG Colleen Kingdon, 5M13 – Lions Eye Bank and Foundation of Manitoba & Northwestern Ontario, Inc.

These two organizations operated as separate entities following their incorporation, but in 2005 they became one. The Foundation is governed by a board of Directors elected to three year terms by each of the three Districts. It's purpose is to ease the burden with medical issues not covered by the health care system.

The Lions Eye Bank was incorporated in 1984 as a registered not-for profit charity to provide services promoting the importance of becoming a donor, support the medical lab at the Misericordia Health Centre, provide funding assistance to children and adults needing adaptive technology and medical treatment, provide eye examinations and eye wear at no cost for children and adults, and recycle eye glasses for Canadian Lions Eyeglass Recycling Centre. Funding includes the annual January "Journey for Sight" snowmobile ride with accompanying pledges and the snowmobile raffle which raise about \$100,000.00 annually, the "Iron Man Golf Tournament" hosted by the Winnipeg Lions and the "Parade of Green".

The Medical Assistance Program started in 1981 to provide assistance for distant surgeries and treatments not covered by local health care systems and provide assistance for obtaining mobility equipment. Fundraisers have included Don Mennie Memorial Trail of Hope, Heartfeld Appeal, Public Awareness/Tag day, Hope Medal, Golf Tournament and "Parade of Green".

Hearing – Canadian Division. Hearing became a MAP committee in 2011. 7,000 babies underwent infant hearing screening in the past three years and of the 1,700 births screened in 2010-2011, 215 were referred for follow-up testing.

Lions Foundation of Canada – Dog Guides. The LFC Dog Guide Program was founded in 1983 with the vision of providing dog guides at no cost to Canadians with disabilities. There are now 5 dog guide programs which are Canine Vision, Hearing Ear, Special Skills, Seizure Response and Autism Assistance. Project Pride raises about \$10,000 and the Guide Dog walks about one million annually.

Diabetes – The purpose is to provide public awareness and financial support to the Canadian Diabetes Association.

Speak-Off. District 5M13 holds a "Speak-Off" contest of three categories of competition – Middle years, Senior 1&2 and Senior 3&4. The final competition is held during the Mid-Winter Convention with cash prizes including the eligibility of the Senior 3&4 winner receiving \$1,000 towards the Youth Exchange program.

Project Pride. This project, sponsored by the Lions Foundation of Canada provides an opportunity for Lions to visit local grade one classes to encourage pride in our country and to provide students with a Canadian flag and certificate and become familiar with the Lions organization.

Lions Quest Canada. During the past 25 years over 45,000 Lions-Quest trained teachers have helped millions of students through the use of the program.

Manitoba Lions Memorial. This memorial has been completed with the official opening taking place at the site in Warren, MB in August 2011. Being an ongoing project, Manitoba Lions are encouraged to obtain memorial plaques for deceased members. This was featured in the Lions Magazine.

Special Olympics Manitoba. The Lions of 5M13 support Special Olympics Manitoba and all those with intellectual disabilities within the Province of Manitoba to assist in publicizing and promoting their activities by the Lions clubs and members.

Project New Hope Canada. 5M13 supports Project New Hope in principle. The project started in 2010 obtaining volunteers, establishing a Canadian executive and raising funds which enabled them to hold a retreat. Others are planned and peer-level counselors are available. The committee has extended its contacts to Alberta and Ontario.

Can Do Canines: PDG Pete Kleingartner, 5M8 – Can Do Canines is doing well. We have certified 12 teams this year and a second graduation is being held on May 12 at which time nine teams will graduate. One from District 2, two from District 5, three from District 6, one from District 8 and one from District 10. Currently dogs are being raised and trained at Waseca prison and Faribault prison. 74% of the Lions clubs have supported Can Do Canines from July through March, 2012. The new kennels which the Lions supported with a \$75,000 matching grant are completed. Lions clubs are encouraged to participate in some of the fundraisers that are coming up. Thank you to every Lion, Lioness and Leo for your past support.

LCIF: PCC Bert Nelson, 5M9 – Canadians can now receive a tax receipt for donations to LCIF, so please consider donating. We had the privilege of having LCIF Chairman Sid Scruggs III speak to us and he said something that I took to heart. That is that we need to share stories about LCIF. What I want to talk about it 1 shot, 1 life. Every year measles strikes thousands of families. This disaster takes the life of 450 children daily. For less than \$1.00 a child can be immunized against measles. The Gates Foundation will match \$2.00 for every \$2.00 that Lions raise to help end measles. Consider that your challenge for today.

Financial Consultant: Jim Diehl, 5M8 – In March of 2010 the Council of Governors created the position of Financial Consultant. The goal of this position is to inform and educate the Governors. We are not attempting to make them accountants, but to understand the financial matters of the Council. We are working with the accounting firm to reformat our accounting reports to make them easier to understand and more readable.

MD5M GMT: PCC Bob Jechorek, 5M5 – The District Governors have done a fantastic job this year of figuring out how to get GMT/GLT working. We held a very successful GMT/GLT Forum in St. Cloud in April. All 12 Districts were represented with 74 Lions in attendance. We had presentations on GMT/GLT Teams Working Together, How to Organize a Lions Training Day, The Importance of Club Assessments, Club Officer Training and Starting New Clubs. We have

made positive strides in membership. Though we are still down in membership, MD5M has had a 42 membership increase since March. Keep up the strong positive message! I am encouraged and I believe we can make significant positive membership strides. We can do it!

MD5M GLT: – PDG Mary Ferleman, 5M2 - We are coming up on our 5th Regional Lions Leadership Institute. It is not too early to plan. All graduates were asked to stand. There are emerging Lions leaders in your district that need to attend in April of 2013. I need to have you encourage these people and make sure that they attend. We want 72 Lions to attend in April. The DGE's and spouses are ready to go to Busan. They did a great job at the DGE training and will make you proud as District Governors.

Public Relations Report: PDG Mike Appel and Lion Cheri Appel, 5M3 – Make certain that you listen to the Public Service announcements that we are getting to run on the radio. We have sent them to over 200 radio stations. We hope to meet with the DG's and DGE's of the Canadian clubs to see if some of the PSA's can be used on Canadian stations as well. Please let us know if you hear them, so that we know they are running. If you know of a station that will use the spots, send us their email address and we can get a copy of the PSA's to them. We did have one station that contacted us and wants us to come speak to them about Lions. If you have any articles that you would like in the "Newsletter" please get them to us. Clubs were encouraged to appoint PR Chairs and also to make certain that their signage is in good shape.

At this time Lion Cheri Appel was awarded the Certificate of Appreciation from the International President.

USA/Canada Leadership Forum: IPID Debra Wasserman, 5M2 – It is my privilege to encourage you to attend the 2012 USA/Canada Lions Leadership Forum. The Forum will be held in Tampa, Florida September 13 through the 15th. If you have never been to a Forum, I would highly encourage you to consider going to Tampa. Attending a USA/Canada Forum is like a MidWinter Convention on steroids. You have the opportunity to choose from 63 seminars. We have fabulous and inspiring speakers to tell us their stories as they relate to leadership, motivation and inspiration. You will be motivated, re-energized, and inspired. You can register for the Forum on line. There is also a person in your district that is the Forum Liaison.

Insurance Consultant: PDG Burdell Wessels – I have been helping the Lions Clubs with their insurance questions for about 32 years. Lions International provides a 1 million dollar policy that covers all of our clubs. It does not cover a club's personal property. Because of the changes in the law in Minnesota we added a 1 million dollar excess umbrella policy to cover the Minnesota clubs. The current cost for this 2nd million dollars is about \$8.00 per club. We have also taken out a separate honesty bond to cover 7 known Foundations. The limit there is \$25,000.00. If you have any questions, please feel free to call. The number is in the directory.

Legal Consultant: PDG Wayne Swanson, 5M11 – This report was read by CC Mike as PDG Wayne was home with his wife DG Joanne Swanson who was recovering from surgery. "I have been honored to serve as Legal Consultant to MD5M for the past 15 years. I look forward to working with the Council of Governors in the future. I will be the Multiple District Constitution and By-Laws chair for the 2012 – 2013 year." Lion Wayne has been an invaluable resource to the Multiple for at least 15 years. He has also been of valuable assistance to the Eye Bank and the Diabetes Foundation. We also have a get well card that you can sign for DG Joanne.

Parade Consultant: PCC Keith Johnson, 5M4 – You are lucky that when you go to Busan you will be the first delegation to march. They have the M's up front, so you will be #7 in the parade. CC Mike Molenda will be the one organizing and keeping you in order. Remember chest in – belly's out! I would like to say that the official uniform is the blue snowman shirt, the white hat and kaki colored slacks. Sunday morning at 7:45 we will have a meeting on the convention. We may be able to hire a band in Germany to march for us. MD5M is a great Multiple. When they see the blue shirts and the kaki colored pants, they will know that MD5M has arrived.

Technology Consultant: Lion Steve Wasserman, 5M2 – It has been my pleasure to be your Technology Consultant again this year. There is a very special group of Lions that I am sure is in the audience today. Would all of the Club Secretaries please stand up. I want to thank you and congratulate you. We all owe them a round of applause. I know that going to an all electronic directory last year was a challenge for many Secretaries and you came through with flying colors. I would like to urge you to make sure that the information on the PU101's is accurate. I have done Braille for 5 or 6 District Conventions. I am glad to provide Braille for anyone any time. I have recently been asked to do a Lions songbook in Braille.

M/S/P PDG Randi Fravert, 5M1/PDG Brian Toews, 5M7 move to accept the reports as presented.

93rd MD5M Convention: Lion Dale Hurni, 5M8 – Welcome on behalf of the Princeton Lions and 5M8. We are excited to have you here, we worked hard to make a very enjoyable, entertaining and hopefully fun conference for you. Registration at this time is 528 with 382 here for the entire convention. I am not sure about the first timers yet, but we are in the 70's. If you have any questions, the Princeton Lions are wearing yellow hats. I will give more details on participants at the next business meeting.

LCIF Chair and Immediate Past International President Sid L. Scruggs III:

It is an honor for Lion Judy and me to be here this weekend. We have looked forward to being here thanking each of you for making such a successful year last year. Every Lion is responsible for two Lions. One to replace yourself, and one to grow the association. If every Lion would take that responsibility we would never need to talk about membership again.

The Measles Initiative. We did such an outstanding job in 2001 that Bill Gates realized that Polio has been pretty much eliminated and they wanted to get involved in other causes. That is when they decided to get involved in the Measles Initiative. They have given us a \$5 million challenge. If we would raise 10 they would provide 5 to give us 15 million dollars. Our reputation is so good that we already have that 5 million dollars. Right now we have raised in excess of 2.5 million dollars. At this time tomorrow 450 children will have died due to measles. \$1.00 for 1 shot that is all it costs.

When you go home, thank your Lions. Thank them for what they are doing. Thank those people that are donating to the cause. Let them know where their money is going. We have a responsibility to let them know that truly when they give money to a Lions club for humanitarian services every single penny goes to help someone. Thank you for being here this weekend. We are excited about it.

CC Mike Molenda declared the meeting in recess until tomorrow at 10:00 AM.

Nominations Committee: Lion Nancy Schroeder, 5M7 – We had no need for nominations since we have no candidates.

Resolutions Committee: Lion Jim Gilman, 5M4 – We have three resolutions for you to consider.

Resolution # 1. Be it resolved that we the delegates of this 93rd annual convention for Multiple District 5M of the International Association of Lions Clubs held at Hinckley, Minnesota in 2012 express our sincere thanks to International President 2010-2011 and Lions International Foundation Chair Lion Sid. L. Scruggs III and his wife Lion Judy for sharing their weekend with us and contributing greatly to the success of this convention.

M/S/P Resolution Committee to adopt resolution #1

Resolution # 2. Be it resolved that we the delegates of this 93rd annual convention for Multiple District 5M of the International Association of Lions Clubs held at Hinckley, Minnesota in 2012 extend our appreciation to Convention Chair, Lion Dale Hurni, the Host Committee, the Princeton Lions club and the members of 5M8 for their outstanding efforts in preparing for and hosting this convention.

M/S/P Resolution Committee to adopt resolution #2

Resolution # 3. Be it resolved that we the delegates of this 93rd annual convention for Multiple District 5M of the International Association of Lions Clubs held at Hinckley, Minnesota in 2012 extend our thanks to the management and staff of the Grand Casino Hinckley Hotel, Convention Center and Catering staff for their fine hospitality and support.

M/S/P Resolutions Committee to adopt resolution #3

Project New Hope: PDG Dale Johansen, 5M9 – All districts had Project New Hope on their Parade of Green, which is great. I know that the chairs are out beyond Lions from the checks that I am getting. Some are talking to VFW, Legion, and church groups. However, I have not yet gotten a check from a Rotary Club. We had a retreat last weekend in a different location. It was a fabulous retreat, we had 12 veterans there. Every person that registered showed up and that is a first! If you have any questions, stop out and see us at the table.

Youth Exchange: PDG Sue Mullen, 5M6 / Lion Cindy Walters, 5M2 – Good Morning, I am Lion Cindy Walters and I am here representing Youth Exchange. We have 40 youth from 22 different countries and 25 of them still need host families. We have a booth and we have applications with the youth's photos and letters. Please stop and talk to us and take a youth for the summer. PDG Sue Mullen – I would like to ask you to go back to your districts and please find some families for us. You are our source and you are the ones that need to help place these students. Thank You.

At this time Presidential Certificates of Appreciation were given to PDG Sue and Lion Cindy.

Youth Outreach: PDG Jack Riordan, 5M9 – We have a new problem appearing because our troops are coming home. That doesn't sound like that would be negative, but what is happening is that dad comes home and mom and dad want some time together and the child feels left out. Quest is working on this problem. It is important to get the word out about Quest. Give us a call and we will help you get the word about quest out to the schools.

At this time a Presidential Certificate of Appreciation was given to PDG Jack Riordan.

GMT/ GLT: PCC Bob Jechorek, 5M5/PDG Mary Ferleman, 5M2 – This morning PDG Mary and I want to tell you what N.O.W. means. We wanted to find something catchy that you would remember. We came up with N.O.W. There is **N**o **O**ther **W**ay to increase membership except to ask! And, when is the best time to ask? **N.O.W.** If you know of someone that you have been thinking of asking to join Lions, ask them **N.O.W.** Why do you go up and personally ask these people and tell them all the things that Lions do? Because there is **N**o **O**ther **W**ay. We have talked about having our club and district officers well trained. It all goes together with getting new members. Would you go to a club that has a president that doesn't know what they are doing? No. They need to be trained, so training and new members work together. Without training, you are not going to get new members. So when do you need this training? **N.O.W.** Zone Chairs are instrumental in making your district run smoothly, so they need to be trained. When do they need training? **N.O.W.** There is **N**o **O**ther **W**ay than to do that training. Club assessments are coming up and that is a great way to figure out the issues in your club so that we can retain members. So when do you want to start Club Assessments? **N.O.W.** We have asked the DGE's to continue this throughout their year. By the end of the year, every Lion in MD5M should know the meaning of **N.O.W.**

CC Mike Molenda: The next items are our Constitution and By-Law amendments. The first item is the one that will be done by secret ballot. This is a proposed amendment to MD5M Constitution Article VII, Section 6 to cap the campaign funds for International Second Vice President, International First Vice President, International President and Immediate Past International President. Reducing that cap from \$215,000 to the original \$100,000. That Constitutional amendment is proposed by PID Gerry Robbins. This requires a 2/3 majority to pass.

PID Gerry Robbins: Back in 1984 we passed an amendment to our Constitution where we subjected the membership to a dues increase and we took the Vice Presidential Fund up to \$100,000 and that is where we capped it. Subsequent to that we had another fund raiser for the same offices. We have reached a point now where in our opinion that is no longer necessary. That money laying in the bank is not doing anything for the district and it is your money. It is my opinion that we should give that back to the Lions as a credit against your dues. We do not need that kind of money to elect an individual to that office. \$100,000 should be sufficient and probably more than necessary.

PCC Jim Diehl: In my opinion as the Financial Consultant for the Multiple District, I would urge you to vote against reducing that cap. I think first of all that money was raised specifically to finance a campaign. I agree that the interest rates are not what we would like to see them be, but the income over the current cap of \$215,000.00 is going back fund the operations in the Multiple District. In the likely event that we have a candidate for 2nd VP in the next several years we would have to raise several hundred thousand dollars to finance that committee. This could result in an assessment of approximately \$20 per member compared to the \$5.00 that is being proposed to return to the membership.

PID Dr. Bud Danylchuk: This has been going on for some time. Currently a candidate from Arizona, with less than 4,000 members is going to be the Vice President of this association. You don't need that kind of money. First the politics has to be right. Why did we raise the extra \$115,000 ? I thought it was great and I voted for it entirely. We were going to have a barn burner of a party, and who deserved it? It was the membership for the excitement of having an International President. I think a lot of people became disconnected. They gave their money sincerely thinking that this was going to take place. I think it behooves us to come back and give it to a core service project like sight or hearing. We don't have a candidate coming in the next three or four years. We are the third largest Multiple and we deserve to have a Vice President, but you can't buy it.

PID Ross Thorfinnson: You can say what you want about politics and stubbing your toe or falling down or whatever you want to call it. I will tell you that I have been in the room when officers have come in to pay their part of the International Reception on the Friday night after the reception. To be an officer in this association and to fund your portion of that one event over the 4 years while you are an officer will eat up a good chunk of at least \$100,000.00. I can also tell you that these campaigns that were referred to by PID Bud and PID Gerry cost a lot of money. We also need to fund that candidate to attend all of the Forums throughout the world prior to election and fund that officer during the four years that he is on the Board. My time is past, this money is not about me, but I can tell you that there will be a candidate from 5M and it will be about time because this year marks the 90th anniversary since we had a President. We have raised the money and we didn't use it like we thought we would. Someone will, and it is a lot easier save the money than it is to give it back and turn around and ask for more. Just ask Jessie Ventura how far giving money back got the State of Minnesota.

PCC Bob Jechorek: I would like speak against the Constitutional Amendment for all of the reasons that Lion Ross and Lion Jim have already articulated. Keep this in mind and take home this thought. The money is there and it is already capped. Interest is going into our general fund at the moment. I believe that much sooner rather than later we will have a candidate for 2nd International Vice President from this Multiple District. I agree that I really don't want to have someone come back to me and ask me to start raising more funds and have another dues increase when we could

have kept what we already have. I whole heartedly fully agree that it isn't about getting the person to the office just for the office of 2nd International Vice President. Some of the numbers that I have heard was that for 4 years it would be closer to four to five hundred thousand dollars. Think about that. I would ask you to defeat the amendment.

CC Mike Molenda: The entire amendment is on page 2 of the material you received today. Will the Sergeant at Arms please come forward to dismiss the delegates for voting.

Constitution and By-Laws: Lion Jim Gilman, 5M4 – We will move on to proposed amendment to MD5M Constitution Article VII, Section 2. To change the deadline from 90 days to 180 days to complete the annual audit. The committee recommends adoption and the Council of Governors recommends adoption of this amendment.

M/S/P Constitution and By-Laws Committee to adopt this amendment.

Constitution and By-Laws: Lion Jim Gilman, 5M4 – Proposed amendment to MD5M Constitution Article VII Section 3, Reporting of Audits by Other Entities. This encompasses all the other funds and organizations that are not under the control of the Council of Governors or under the financial management of the Executive Secretary. In many cases we have not given guidance on reporting or record keeping. We have come up with that guidance and it will be placed in the policy manual at a later date. It is to provide a rational, more practical approach to reporting and an alternative to a certified audit. The committee recommends adoption and the Council of Governors recommends adoption of this amendment.

M/S/P Constitution and By-Laws Committee to adopt this amendment.

Constitution and By-Laws: Lion Jim Gilman, 5M4 – Proposed amendment to MD5M By-Laws Article IV, Section 8 deals with reporting and procedures for the records of the Host Committee's Convention Fund. Instead of audit they would now be subject to the agreed upon procedures. It would also establish minimum record keeping requirements and a deadline for reporting which would be October. The committee recommends adoption and the Council of Governors recommends adoption of this amendment.

M/S/P Constitution and By-Laws Committee to adopt this amendment.

Constitution and By-Laws: Lion Jim Gilman, 5M4 – Proposed amendment to MD5M By-Laws Article IX. Support for Non Profit Organizations. This removes Spring Point Project as it is now under the Diabetes Foundation. Also the name of the Lions Eye Bank and all of the eye activities has been rolled into the Minnesota Lions Vision Foundation Inc. Last year this group approved a resolution adding Camp Winnebago and Special Olympics of Minnesota Inc. The committee recommends adoption and the Council of Governors recommends adoption of this amendment.

M/S/P Constitution and By-Laws Committee to adopt this amendment.

Constitution and By-Laws: Lion Jim Gilman, 5M4 – Proposed amendment to MD5M By-Laws Article VI, Section 5F to change the reimbursement for International Convention expenses from the Executive Secretary and the Council Chairman to the Executive Secretary and the Council Chairman Elect. The committee recommends adoption and the Council of Governors recommends adoption

of this amendment. The committee also recommends that for this year only, the outgoing Council Chair would also receive expenses. The Council approved this recommendation.

M/S/P Constitution and By-Laws Committee to adopt this amendment.

CC Mike Molenda: The results are in of the ballot vote on the proposed amendment to MD5M Constitution Article VII, Section 6 to cap the campaign funds for International Second Vice President, International First Vice President, International President and Immediate Past International President, reducing that cap from \$215,000 to the original \$100,000.

The vote was 3 spoiled ballots, 25 votes in favor of the amendment and 268 opposed to the amendment. The amendment failed.

M/S/P Elections Committee to destroy the ballots.

CC Mike Molenda: It is now our opportunity as a great group to hear one of the best speakers that I have ever heard at any convention. A man who can come up and speak without any notes whatsoever. A man who is full of knowledge about Lionism, a man who is a Beacon of Hope and gave us direction last year and kept us moving forward. Past International President and LCIF Chair, Sid L. Scruggs III.

Sid L. Scruggs III: It is great to be with you and we really appreciate the attendance this morning and I share your concern about campaign funds. I do, without any disrespect to the people that spoke here this morning, think that I need to add a bit of information. Things have changed drastically in the last four or five years. There are a lot of expenses that are incurred in previous years. Due to the complexity of International Conventions, several years ago it was decided that there would be an Officers Celebration at the end of the convention that all of the attendees would be invited to. They decided what the expenses would be and they would pro rate it on the position that would be held. When you come in as 2nd International Vice President, your portion of that is \$20,000.00. The next year it is \$10,000.00 and the year you are President is \$20,000.00 and the year you are Chairman is \$10,000.00 so it is \$60,000.00 that is required to put on that celebration. If you are going to be the International President of all the clubs representing 208 Countries and 46,000 clubs you are obligated to attend all of the Forums. As you know we now have six Forums, so you now have that added expense. There are also hidden expenses. You have the demonstrations and they are quite expensive. You cannot get a demonstration band now for less than \$10,000.00. You also have all of the giveaways. You really don't have a reason to know about all of those expenses until you have a candidate, and then it becomes real personal. I am not getting involved in politics, I just wanted to give you an explanation.

We are excited to be here. I am looking forward to spending time with you this evening and we have some awards that I can give out to you at that time. How many times do we put our Lions pin on with the thought in mind "I want the pin to count"? Because, you see, whether we are an Officer, District Governor or a Club President, when you wear that pin and someone sees it that doesn't know anything about Lions, for that short period of time you personally are the face of Lions Clubs International. Not only is it a responsibility, but it is a wonderful opportunity. So many times people ask us about who Lions are and what they do and some of them are rather fun. I changed our slogan because those five letters really tell who we are and what we do. **L**oving **I**ndividuals **O**ffering **N**eeded **S**ervice. We are Loving Individuals Offering Needed Service in communities around the world. So I hope that when you put your pin on you will look at those five

letters and realize the opportunity that you have, not only to help someone, but to share the message. And when will you do it? **N.O.W.**

CC Mike Molenda: I now declare this meeting in recess until tomorrow morning at 9:00 AM.

MINUTES OF THE ANNUAL MEETING
MINNESOTA LIONS VISION FOUNDATION, INC.
SATURDAY, APRIL 28, 2012
HINCKLEY, MN

The Annual Meeting of the Minnesota Lions Vision Foundation, Inc. was called to order by Chairman Lynn Farley.

M/S/P 5M1 Fravert/5M8 Hoofnagle to approve the minutes of the 2011 Annual Meeting.

Farley – I would like everyone to know that Dr. Jay Krachmer retired October 1 of last year and we have a new Chair of the Department of Ophthalmology, Dr. Erik van Kuijk, also a Lion, and his wife, Dr. Virginia van Kuijk. Please stand and be recognized.

Last year we kicked off our three (3) million dollar pledge to the Department of Ophthalmology. Since then, we used some of that money to establish the new Children's Clinic. We have had a revolving research grant and have given two (2) grants for research. Those grants were \$50,000 each. We also started the *International Journal of Eye Banking*. That was started by our CEO, Jackie Malling. We have the Minnesota Lions Research and Equipment Fund. The purpose of this fund was to support retina research. We have also applied for a LCIF \$75,000 Matching Grant that will assist with the Lions Retinal Imaging Center.

I have a report from our CEO, Jackie Malling. She states that the 2011 achievements are as follows: facilitating gifts from 1,650 eye donors, providing 1,225 corneas for transplant, and providing 1,260 eye tissues for research and training. In 2012, the major initiatives include: build out of new educational conference space and lab renovation, implementation of new donor database and systems, expansion of our research program, and the launch of *International Journal of Eye Banking*. On the horizon: complete and have successful outcome from our upcoming Eye Bank Association of America accreditation site inspection, complete our emergency preparedness plan, and evaluate employee compensation.

This year, we had four (4) of our board members retire. Lions Jean Dahlke, James Gorman, and Brian Salisbury have completed their six (6) year term. Lion Jennelle Shriver has resigned after five (5) years on the board.

I would like to announce the 2012-2013 board members for approval: 5M1 Al Fravert & Clair Mrotek, 5M2 Marlys Meskan & Dianna Kroells, 5M3 Darly "Barney" Olson & Bob Thoma, 5M4 Jerry Miller & Kent Beissel, 5M5 Roger Badenhop & Kevin Walsh, 5M6 Dave Moen & Lynn Farley, 5M7 Tom Waldren & Larry Kounkel, 5M8 Bob Hoofnagle & Sandy Sandwick, 5M9 Peter VanErp & Carolyn Hegland, 5M10 Sandy Palmer, 5M11 Jim Strandlie & Mike Griffin.

M/S/P 5M6 Moen/5M4 Beissel to approve board appointees.

The Board Chair for next year will be Lynn Farley and Kent Beissel will be the Vice Chair. Frank Loreno was appointed as Treasurer. Mary Ferleman was appointed as Secretary and our Legal Consultant will be Mike Molenda. District Governor Liaison will be LeRoy Levorson.

Lion Kent Beissel, Finance Committee Chair, presented the financial report. The following information and numbers are taken from the Audited Reports for the fiscal years ending June 30, 2010 and 2011 and summarized by Treasurer Frank Loreno. All numbers have been rounded to the nearest \$100. The numbers will be stated as total for those two (2) years. Receipts total \$9,105,000 and come from the following sources: Tissue processing: \$8,215,000 (90.2%), Lions' donations: \$568,600 (6.25%), and public donations and investments: (3.55%). The expenditure total \$9,435,600. Those expenditures are as follows: Eye Bank budget and expense payments: \$6,930,500; Fund for the Prevention of Blindness in Infants and Children: a payment of \$1,500.00 toward the \$3,000,000 pledge (\$1,250,000 has been used to design, remodel and equip the new Children's Eye Clinic); grants spent or allocated to 3 Children's research projects: \$165,000; grant for pediatric research and training: \$55,300; grant for equipment: \$38,000; and grants for equipment and research in areas of the Department of Ophthalmology: \$165,000. Grants are reviewed and approved by committee and the entire Board at quarterly meetings. Those funds are then expended over the course of the following fiscal years. All of these Receipts and Expenditures are handled in accordance with the contractual agreement that has been in effect since 1960 between the University of Minnesota and Lions of Minnesota. The Lions are responsible for all expenses of the Minnesota Lions Eye Bank and in turn the Lions receive all of the receipts for tissue processing from the Eye Bank.

Lion Dave Moen, Chair of the Public Relations Committee, reported that we have had a very busy year and have accomplished many projects with the guidance and assistance of Lions Sara McFee and Jennifer Marshall from the Eye Bank staff. Last year at this convention, the name of the Minnesota Lions Eye Bank, Inc. was changed to the Minnesota Lions Vision Foundation, Inc. The immediate project was the awareness campaign of the name change with news releases and articles in various publications. It also necessitated things such as a new logo, a new color palette, new letterhead, new signs and everything that goes with a name change. Other projects for last year included: holding training sessions for both new and returning Board members; updating and revising our strategic plan; providing message points and related materials, memorial and honor donation cards, thank you cards for Board members to use in speaking engagements; helping to fund the relocation of the Minnesota Lions Children's Eye Clinic to the Park Plaza Building by purchasing new equipment and placing brochure racks in the waiting room; distributing information on the \$3,000,000 pledge to establish the Minnesota Lions Fund to Prevent Blindness in Infants and Children; providing the start-up dollars for the creation of the *International Journal of Eye Banking*. Other ongoing efforts include: review and updating of DVDs and other materials used in presentations; providing funding for and conducting the annual Thanksgiving for Vision; providing funding for Minnesota Lions Eye Bank Donor and Family Recognition Programs; and the Lions booth at the Minnesota State Fair. After many years, we will no longer hand out children's sunglasses at the State Fair but will instead hand out eyeglass cleaning cloths to adults and pencils to children. Both of these items will have the Minnesota Lions Vision Foundation name on them. On the horizon is our first MLVF Annual Report. We are in the final stages of publishing and will soon provide a copy to every Minnesota Lions club. We have provided funding for DVDs about eye donation and the Minnesota Lions Eye Bank which will be aired nationally and regionally on cable broadcast outlets this year. Shorter versions will also be available for meeting and event presentations and public service announcements. The Minnesota Lions Eye Bank is now on Facebook. In the next year, we plan to conduct a follow-up survey (first done in August 2009) of clubs and continue enhancing our various communication tools, as well as exploring other means of distributing information.

Lion Bob Hoofnagle, Chair of the Legal Committee, reported that all business that has come before the Legal Committee this year have been housekeeping items. We have been working on

the language cleanup to the Minnesota Lions Vision Foundation, Inc. policy manual as recommended by our legal council or dictated by the change in the foundation name.

Lion Tom Waldren presented the Long Range Planning Committee Report as prepared by Lion Brian Salisbury, Chair of the Long Range Planning Committee.

This past year the Long Range Planning Committee developed a one-year work plan to support the three-year strategic plan, which the Board approved and everyone has been working on. As part of the three-year strategic plan we completed some of the following initiatives and are working on others:

- In just over two years, we have reached half our goal for the “Minnesota Lions Fund to Prevent Blindness in Infants and Children” which is a 3 million dollar commitment to the U of M over five years of which 1.5 million has already been paid.
- Mission, purposes, and vision statements of the MLVF have been revised.
- The three year strategic plan process has been completed as well as we are completing our one-year work plan for 2011-2012 year.
- The name change to Minnesota Lions Vision Foundation has helped in fundraising. We are developing additional fund raising programs.
- The development of a deferred giving program or estate planning for individuals to give to the MLVF in their estate, this is a long term strategic goal.
- Our communications processes to Lion and Lioness leaders have been upgraded and are now electronically based.
- Through the long range planning process, our communication between the MLVF, the MLEB and the University Department of Ophthalmology has been improved so that we are working together toward common goals and needs for vision related programs.

As with any strategic planning process, you are never done. It is a work in progress. The Long Range Planning Committee will be developing another one-year work plan this July to support the updated strategic plan. Everyone on the MLVF Board will be working on the work plan during the year and it will be updated as needed. The strategic planning process has made a difference by giving the MLVF Board an opportunity to plan for the future.

Farley – Our next training session will be July 13 & 14.

Molenda – I have a Certificate of Achievement from LCI for Past District Governor Lynn Farley. It reads, both in English and translated into Braille: Lions Clubs International expresses sincere appreciation to Multiple District Sight Chairperson, PDG Lynn Farley, in recognition of outstanding multiple district leadership in providing programs and assistance to blind and visually impaired people. Congratulations on a job well-done!

M/S/P 5M8 Hoofnagle/5M2 Dahlke to adjourn.

Chair, Lion Frank Loken
Vice-Chair, Lion Linda Albrecht-Norby
Secretary, Lion Bob Harms
Treasurer, Lion Mike Vos

Lion Marlene introduced the 6-year Trustees who will be leaving the Foundation;
She explained that these people gave 6 years of their time and dedication to make the Hearing Foundation all that it is today. They really have been busy doing a lot of things. She thanked them and recognized them at the Board meeting.
5M7, Lion Kevin Schuldt
5M9, Lion Ken Anderson
5M1, Lion Randi Fravert

5M4, Lion Richard Betlach

5M6, Lion Marlene Martinek

She stated that the Foundation will miss all of these Trustees immensely

Lion Marlene thanked others that are leaving; Lion Dwight Maxa from 5M5 and Lion Susan Hutchison, 5M10. She thanked the Liaison, Lion Bruce Beck for all his work and dedication. She also gave a thank you to PDG Bob Nemeth, who has been Executive Secretary to the Hearing Foundation for many years. She explained that his dedication and hours of contribution has been immeasurable and wished him well in his other endeavors.

Lion Lloyd McCabe gave the Canada report;

He explained about how the Canadian division of the Hearing Foundation benefits from partnership of the Hearing Foundation of Minnesota, Manitoba and NW Ontario. There are two different health systems, but the exchange of ideas is relevant in the future of hearing.

He strongly highlighted the value of the U. of M. Hearing Centers; Dr. Bevan Yueh and his staff to the Hearing Foundation, Canadian Division.

In 2000, the Canadian Hearing Foundation was formed and began purchasing infant hearing testing equipment. The goal was to support a youth program of testing all newborn infants, but there were gaps and lack of continuity of ongoing care.

Last year, Lion Lloyd invited Dr. Sharon Ritterman, Senior Audiologist and Program Manager and Elly Prendergast, Executive Director to accompany him on a tour of the Lions Children's Hearing Center at the University of Minnesota. The visit ignited a spark and so began a dream in conjunction with Dr. Sharon and Manitoba Health. They are now working to establish a Lions Educational and Resource Center at Lions Manor in Winnipeg so now and in the future, children hopefully will not fall through the cracks, and Lions will continue to change the lives of people they never meet.

On behalf of the Canada Division, he thanked the MD5M Hearing Foundation for all the support.

Lions in Manitoba and NW Ontario continue to collect and recycle hearing aids and in conjunction with Horizon Hearing Clinic in Winnipeg, it's been beneficial for the people.

Eleven people have received hearing aids with cost sharing with the local clinic.

\$10,000 has been collected and matched by the hearing clinic. \$400 was donated with cost sharing with the Crystal City Lions for a Red Cap audio system which augments voice recognition.

A letter for funding request for Parade of Green was sent to all clubs, and the response was great. 5M11 increased their giving quite dramatically.

Dr. Sharon Ritterman, Program Manager of Manitoba Health expanded the program to those infants who needed follow- up hearing care. Last year 1,110 infants were screened and 250 needed follow-up care.

The Canadian Division has two representatives from 5M13, two from 5M11 and 2 from 5M10.

Lion Marlene thanked Lion Lloyd and stated that there really is a partnership and sharing of ideas between us and Canada division. The sharing makes both of us all that we can be.

Lion Marlene explained the proposed changes in the By-Laws:

WHEREAS, among other things, the Lions Multiple District 5M Hearing Foundation (hereinafter "LMD5MHF") was established to conduct and advance research and therapy in the field of ear health and communications disorders; and,

WHEREAS, in order to accomplish this goal it is necessary to raise funds and to invest them wisely; and,

WHEREAS, The LMD5MHF Board believes it is advisable to have continuity and the ability to retain a talented person in the office of Treasurer; and,

WHEREAS, it is advisable for incoming elected officers to have sufficient time to be trained in their duties before assuming office.

NOW, THEREFORE IT IS RESOLVED THAT ARTICLES VI AND OF THE BY-LAWS OF THE LIONS MULTIPLE DISTRICT 5M HEARING FOUNDATION BE, AND HEREBY ARE, AMENDED TO READ AS FOLLOWS:

ARTICLE VI: 6. 03 Election and Term of Office. The officers of the Corporation for the following fiscal year shall be elected annually by the Board of Trustees at a meeting to be held between January 1 and March 1 of the current fiscal year. ~~the first meeting of the new fiscal year.~~

-Housekeeping Items:

Article IV Article should be spelled **Article IV**

Article V, 5.02 A minimum of ~~three (3)~~ **four (4)** regular meetings of the Foundation shall be called...

Rationale: With the increased commitment to raise additional funds, the Foundation needs to meet a minimum of 4 times per year.

Motion by PDG Wayne Radloff, 2nd by Lion Richard Betlach to approve the changes in the By-Laws. Carried.

Marlene highlighted the year;

On April 16, LCIF approved a \$75,000 matching grant for hi-definition image stream software that can instantly capture and record images and stream them to multiple computers within and outside the clinic as well as having access in the O.R.

D-Feet Hearing Loss Walk will be on Saturday, June 9, at the University Landscape Arboretum.

Letters were sent to 611 clubs in Minnesota and donations are coming in. She thanked everyone for their donations and encouraged people to sign up and do the walk at the Arboretum to help change the lives of people with hearing loss. People can sign up online and form family, club, and company teams at 5mhf.org and access the registration page, and people can also access Facebook. She thanked Lion Steve Wasserman for his help and encouragement with the technology.

In August, Exec. Secy. Bob Harms will ride a lawn mower from Canada to Iowa.

On Sept. 9, we will have a golf tournament at Oak Glen in Stillwater.

She expressed that the Foundation needs the Lions help in these endeavors and in raising funds to continue to equip the Children's Hearing Center and to fund the professorship at the Dept. of Otolaryngology.

We will have a training session for Trustees on July 13, and various doctors will speak as well as our own staff.

The Affordable Hearing Aid project is very successful. We are continuing to collect, recycle and fit needy people with affordable hearing aids. We continue to try to bring in new clinics throughout the State of Minnesota to help with this project.

She talked about hearing loss that goes untreated can lead to life of isolation, depression and loneliness and quoted Helen Keller.

Council Chair Mike Molenda presented Lion Marlene Martinek with a Certificate of Achievement from the Lions International President, Dr. Tam.

Lion Marlene presented the gavel to the incoming chair, PCC Frank Loken.

Lion Larry Winner update on SDI: Update of research projects. Islet Cell transplant program – human to human – has been going extremely well. FDA has granted approval to the biological licensure agreement. This process should begin in 2013 which will make this treatment reimbursable by Medicare and insurance companies. Pig to monkey islet cell transplant clinical trials are complete at this time and these islet cell transplants are working. They have temporarily stopped those islet transplants because the is drugs are a little too strong for humans, so they are focusing their research on improving IS drugs for

humans as well as making a pouch that could contain the islet cells to be planted just under the skin and that way it would protect the islet cells from being rejected by the body, thereby reducing the need for IS drugs. Pig to human islet cell transplants – they will apply for FDA approval as soon as they get the other two focus areas well along. Stem cell research is an ongoing research at the U as well. That work focuses on taking skin islet cells and programming those to produce insulin and putting them back into a person's body. That probably will lead to the ultimate cure for diabetes but it is several years away.

The MN Lions Diabetes Foundations awarded a \$50,000 grant to the U for kidney research with type 2 diabetes. Kidney research is currently being performed on type 2 diabetic humans to identify markers of kidney disease. In two to three years they believe there will be treatment to help reduce the effects of kidney disease by being able to identify these markers at an earlier stage.

The Decade of Discovery is a relatively new partnership. It is a 10 year partnership with Mayo Clinic and the U of M working on research together.

State of Minnesota has granted \$2.7 million to the U and Mayo Clinic partnerships. Goals will be to help both Type 1 and Type 2 diabetics including a sensing device for an artificial pancreas as well as new drug therapy for obesity.

Last Saturday we had a ribbon cutting on the MN Lions Islet Imaging Laboratory at the MRC at the U of M. This was possible through our \$50,000 grant and an additional \$250,000. With this equipment, they can see the health of the islet cells both before and after transplantation.

The Springpoint Project is providing medical grade pigs to be used for the pig to monkey and pig to human trials. They have a suitable pig islet source that's been developed for the first clinical trials. Their biological master file was filed with the FDA in 2011, so the animal production and release forms of regulatory filing is now complete.

#1 Proposed Amendment to MD5M Constitution Article VII, Section 2:

Section 2: **MD5M Audit** – the Council shall provide for an audit, by an independent auditor, of all the funds as listed under Chapter 6, subdivision H of the Policy Manual of MD5M, as amended, funds. The audit is to be completed and delivered to the Executive Secretary within 180 days of year end. ~~no later than 90 days after the end of the fiscal year.~~ Presentation of the audit will be at the March meeting of the Council of Governors. ~~Copies of the audited financial statements shall be available to any Lions Club in MD5M.~~

Rationale-specific funds subject to audit need to be defined and controlled by the Council. The addition of funds and accounts needs to be determined as new accounts are authorized. A time frame of 180 days is more practical and the presentation by the auditor to the Council itself will be more meaningful.

The Constitution and By Laws Committee has determined that the above proposed amendment is properly formatted and timely submitted in accordance with Article X Sections 2 and 3 of the MD5M Constitution.

The Committee recommends adoption of this amendment.

The Council of Governors recommends adoption of this amendment.

Submitted by: Lion Jim Gilman, Constitution and By-laws Committee Chair

#2 Proposed Amendment to MD5M Constitution Article VII, Section 6:

Article VII, Section 6 A– **Campaign Fund for International Second Vice President, International First Vice President, International President and Immediate Past International President**–All accumulated and unexpended funds in the International Third Vice President Special Campaign Fund as of June 30, 1984 shall remain therein. Thereafter the fund, including interest, shall be dedicated to support and elect an endorsed candidate from MD5M for the office of International Second Vice President, and the subsequent offices of International First Vice President, International President and Immediate Past International President. ~~provided however, that the fund~~ The amount shall be limited to the original \$100,000.00 ~~an accumulated amount of \$ 215,000.00, and all monies in excess thereof shall be transferred to the Administrative Fund of MD5M.~~

Rationale: The amount of \$ 100,000 is adequate and the excess should be returned to clubs or distributed.

The Constitution and By Laws Committee has determined that the above proposed amendment is properly formatted and timely submitted in accordance with Article X Sections 2 and 3 of the MD5M Constitution.

The Committee makes no recommendation for or against adoption of this amendment.

The Council of Governors strongly opposes the adoption of this amendment.

Resolution to be considered if the previous amendment is adopted.

Resolution: Alternative 1: Whereas the balance remaining from the later infusion of funds from the membership is now \$ 115,000.00 (one hundred fifteen thousand) and should be returned to the membership, to be distributed to the Districts on a pro rata basis, based on membership as of June 30, 2012, with the Districts to distribute the money to the clubs within the district to apply to membership dues on a pro rata basis, based on the membership of each club as of June 30, 2012.

The Council of Governors strongly opposes resolution Alternative 1.

Alternative 2: The balance remaining from the later infusion of funds from the membership is now \$115,000.00 and shall be divided equally between MD5M Vision Programs and the MD5M Hearing Foundation.

The Council of Governors strongly opposes resolution Alternative 2.

#3 Proposed Amendment to MD5M Constitution Article VII Section 3

Section 3. **Reporting by Audits of Other Entities** – ~~Any agency, candidate, corporation, foundation, or other individual commissioned to operate by authority of this Constitution or by direction of the Council, shall provide for an audit of the books and accounts to be completed not later than 90 days after the close of the fiscal year. Copies of the audited financial statements shall be sent to the MD5M office not later than 120 days after the close of the fiscal year, and shall be made available to any Lions Club in MD5M.~~ Any other funds or accounts as authorized by the Council and listed under Chapter 6 Subsection I will follow the provisions of reporting as stated in Subsection I. The reporting will be done annually and coincide with the MD5M fiscal year end of June 30. The reporting timelines will be the same as the MD5M audit as defined in Article VII, Section 2. Such information is also to be incorporated and reported to the Internal Revenue Service in the MD5M annual tax return.

The authorized 501C3 foundations will comply with standards of reporting as defined by the Internal Revenue Service and the Charities Division of the Minnesota Attorney General. A copy of all annual reports, returns and filings will be provided to the office of the Executive Secretary and made available for review by the Council upon request. Canadian foundations will follow the equivalent standards as established by the Laws of Canada.

Rationale—to provide a practical approach to reporting and as an alternative to a certified audit. The Agreed upon Procedures engagement establishes completeness of reporting and that some level of control exists over the expenditures in these funds. Reporting guidelines for these accounts will be consistent. By getting all of these accounts to report annually to the Council, data will be available for a complete and accurate tax return. Currently it is unknown who is reporting what to the federal government. The 501C3 foundations already have standards that are established by the Internal Revenue Service and the State of Minnesota.

The Constitution and By Laws Committee has determined that the above proposed amendment is properly formatted and timely submitted in accordance with Article X Sections 2 and 3 of the MD5M Constitution.

The Committee recommends adoption of this amendment.

The Council of Governors recommends adoption of this amendment.

#4 Proposed Amendment to MD5M By Laws, Article IV, Section 8:

~~A, Selection of Auditor The Council shall select an independent auditor to audit the financial statements of the Host club(s). Such audit shall be completed not later than 90 days after the close of the convention.~~

Section 8, Annual Reporting and Record Keeping-the Host club(s) will comply with the record keeping standards as outlined in the MD5M policy manual Chapter 6 subsection G, as amended. The Council shall select an independent accountant to perform an Agreed Upon Procedures engagement as outlined in the MD5M policy manual Chapter 6 Subsection I, as amended. Such final financial information and report of the Independent Accountant will be completed and made available to the Council of Governors not later than the October meeting.

Rationale-we need to establish minimum standards of recording keeping and provide for some testing of the financial data that is practical. Reporting of the data by October should be reasonable and timely.

The Constitution and By Laws Committee has determined that the above proposed amendment is properly formatted and timely submitted in accordance with Article X Sections 2 and 3 of the MD5M By- Laws.

The Committee recommends adoption of this amendment.

#5 Proposed Amendment to MD5M By-Laws Article IX

Section 1. Support for Not-For-Profit-Corporations – The following Not-For Profit corporations conduct programs endorsed by MD5M. Project New Hope, Confidence Learning Center, Friendship Ventures, ~~Spring Point Project~~, Can Do Canines, Leader Dogs for the Blind, Inc, Lions Clubs International Foundation, Inc, Lions 5M Hearing Foundation, Inc, Lions Eye Bank of Manitoba and Northwest Ontario, Inc., Lions Foundation of Canada, Lions Foundation of Manitoba and Northwestern Ontario, Inc, Canadian Diabetes Association, Lions MD5M Hearing Foundation, Inc, Canadian Division, Lions foundation of Canada-Dog Guides, Minnesota Lions Vision Foundation, ~~Eye-Bank~~, Inc, Minnesota Lions Diabetes Foundation, Inc., Camp Winnebago and Special Olympics of Minnesota, Inc.

Rationale: Spring Point Project is dropped because it is now under the Minnesota Lions Diabetes Foundation; the Minnesota Lions Eye Bank has changed its name to the Minnesota Lions Vision Foundation, Inc. Camp Winnebago and Special Olympics of Minnesota, Inc were approved as resolutions at the 2011 convention in Mankato.

The Constitution and By Laws Committee has determined that the above proposed amendment is properly formatted and timely submitted in accordance with Article X Sections 2 and 3 of the MD5M By-Laws.

The Committee recommends adoption of this amendment.

The Council of Governors recommends adoption of this amendment

Submitted by: Lion Jim Gilman, MD5M Constitution and By-laws Chairman

#6 Proposed Amendment to MD5M By-Laws Article VI, Section 5F:

F. Reimbursement for Convention Expenses – Only the Council Chairman-elect and the Executive Secretary may be reimbursed for expenses by MD5M to attend the Annual Convention of the Association, and such expenses shall be governed by the Association Rules of Audit for District Governors-Elect.

Rationale-The 2011-12 Council of Governors has changed the MD5M Policy Manual to allow the Council Chairman-Elect reimbursement of expenses. The Council determined that the reimbursement of the incoming Council Chairman's expenses rather than the outgoing Council Chairman is more appropriate to allow the incoming Council Chairman to conduct business at the International Convention.

The Constitution and By Laws Committee has determined that the above proposed amendment is properly formatted and timely submitted in accordance with Article X Sections 2 and 3 of the MD5M By-Laws.

The Committee recommends adoption of this amendment.

The Council of Governors recommends adoption of this amendment

Al Jensen Leadership Award

1997 to present

Alvin "Al" Edward Jensen was born on September 19, 1931 at Oak Park Illinois to Alvin and Helen Jensen. Al grew up in Chicago. As a boy he was active in the Boy Scouts of America and for many years played on a Drum and Bugle Corps. In high school Al participated on both the Swimming and Basket Ball teams. After high school, Al attended Wright Junior College where he also participated on the swimming team. Al then went to attend Northwestern University.

On October 2, 1954, Al was married to Shirley Headke. Al and Shirley have five children (1 girl and 4 boys) and several grandchildren.

In 1961, Al and Shirley moved to the Twin Cities where he worked several years for the Honeywell Corporation. He then went into the clothing business.

Al became Lion Al Jensen in 1975 when he joined the Golden Valley Minnesota Lions.

Lion Al's contributions as a Lion were many and varied. From the beginning he was a dedicated worker and a strong leader. He held most club offices and served willingly at the District level In 1983/84. Lion Al became Governor of District 5M5 and in 1984/85, he moved on to the position of Council Chairman. For his effort and tireless work for Lions he was honored with the Lions Ambassador of Goodwill Award, the International Presidents Award, two Melvin Jones Awards and the Lions Distinguished Service Award. PCC Al also served for many years as the MD5M Representative to Leader Dogs for the Blind.

PCC Al Jensen is mostly remembered as Lion Al Jensen, a caring, effective, dedicated but quiet leader. He was a man who taught by word and example. A man that could make meaningful suggestions without putting a person down. A man who knew when someone needed advice and how to give the advice in a way that strengthened their confidence and their leadership ability. A man who could affect change without making waves or causing problems. A man who was always available when advice was needed. A leader who helped people build their skills and self-confidence. Lion Al was well known and highly respected from the grass roots level of Lionism in MD5M to the very highest offices in our association as a man who gave much and expected little in return.

Lion Al Jensen had a deep love for what Lionism meant and he did everything he could to share that love with others.

Lion Al died of cancer in 1995.

The type of award is for a Lion's member with 'under 5' years membership or 'over 5' years of membership at the time the award was presented. In 2003 the award was changed to include only Lions with over 5 years of membership.

Past District Governor Association Cap Baker Award 1963 to Present

Lion Chilton C. Baker was a Captain in the Spanish American War and was a charter member of the Grand Rapids Lions Club. He was known as C. C. "Cap" Baker.

Lion Baker was the guiding light for 47 years among Lions on a local, district and international sphere. CAP Baker spread the motto "We Serve" all over the District and through his dedication our Multiple became special.

The award came about by the Past District Governor members wanting something special to denote Past District Governors who have gone far beyond the call of duty asked of Past District Governors.
