

District 5M3 Centennial Challenge!

Help Feed the Next 100 Years

“Help Feed the Next 100 Years” is a focus on youth, nutrition and hunger, with a nod to the Agricultural Industry which is so prevalent in Southwestern Minnesota.

District 5M3 Lions Clubs will take the lead to raise awareness on education and nutritional issues impacting the development of our youth.

The Challenge: Identify a project that helps educate and outreach to your local youth to improve nutrition and hunger issues in your community. Your project will help your club and District 5M3 complete two Centennial Service Challenge Campaigns: Engaging Our Youth, and Relieving the Hunger.

How can my club Participate?

- *Work or Donate to a Food Shelf*
- *Donate Time or Money to a Youth Diabetes or Obesity Prevention Program*
- *Partner with Local 4H/FFA club on an AG Production or Education Program*
- *A Project of Your Choice that Aligns with the Above Goals*
- *Track your Donations & Hours!*

Return this DISTRICT 5M3 CENTENNIAL REPORTING FORM to: Lion Rae Collins, Centennial Chair, 305 Aspenwood Drive, Redwood Falls, MN 56283 or email steveandraecollins@gmail.com
