## Notes from Your Governor

Well, it's official, my ribbon has been pulled and I'm your District Governor for 2022/2023. The LCI Convention is in the rearview mirror and now just a memory, but a great memory it was. The two days of training was great, met lots of DGE's from around the world and guess what, we all have some of the same issues and problems and was interesting to hear how they were approaching and solving their issues. A real learning experience. The Convention itself was a great, pump you up, experience. You can't come away without feeling jazzed and ready to hit the trail. Our new International President, Brian Sheehan, has an exciting message to tell and he's on board to get Lions moving forward. His theme for this year is "Together We Can". Read that again, and you realize that it's just not you, but every Lion member in the world. Together WE Can. Achieve more, increase service, membership, take this organization to the next level. I look forward to sharing his message with you at club and zone visits in the coming months.

Club Presidents, and your leadership team, the following is for you. The Lions Club International "New Voices" program is underway. I need your help in identifying members from your club that have stepped up with new and innovative ideas that can be shared to motivate and inspire other Lions. These Lions need to excel in one of the four following areas: Leadership, Service, Marketing, and Membership. This is a grass roots initiative starting at your club and then promoting and sharing their stories in the district. This program has a short fuse, as I need names and stories by November 30<sup>th</sup>, 2022. So please don't sit on this, send me some names and their stories to support this initiative. Thanks.

In case you missed it last month, OUR (not mine) GOALS for this coming year were developed out of the SWOT analysis done at the last mid-winter convention. Here they are in a condensed version:

1. Positive membership growth
2. Revitalize Clubs with under 15 members
3. Start at least one new Club this year
4. Mentor New Members
5. Share District Goals with all members. Communication
6. Increase training opportunities for all members

OK, so there you have it, straight from the SWOT analysis. Great goals and ideas, but how do we achieve them. "TOGETHER WE CAN" achieve more, reach our goals. Get our/your members involved, educate the need, communicate with your members, do a club assessment, it starts at the club level. I can't do it for you, but "TOGETHER WE CAN".

Just a brief schedule update from my side of the fence, currently, August and September are full. If you would like to schedule a visit, please drop me an email (ddkuehl@msn.com) or give me a call (507-841-4917) and we'll get something set up. Thank-you to the clubs that have scheduled already. I look forward to visiting all your clubs AND if you would like, I can do new member and officer inductions for your club.

I would like to remind everyone of our District Childhood Cancer project for this year. We again are accepting donations to purchase tie blankets PLUS we have donated materials to sew about 200 pillowcases. The pillowcases are new this year. We will be needing sewers to put the material together and a workshop is being planned for August 28<sup>th</sup>. Please see information elsewhere in this newsletter as to the location and time. Questions, please let me know. It will be a great addition to our project.

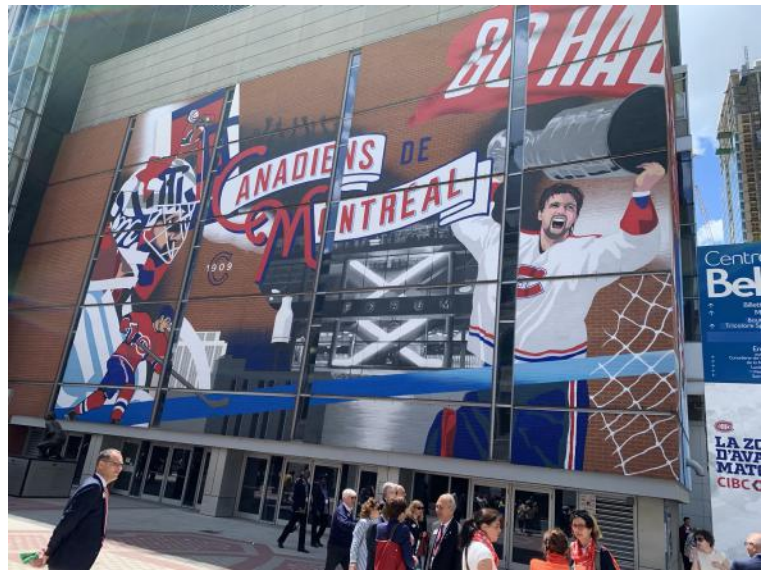

Just got back from the MN Lions Diabetes Foundation meeting last Saturday. I want to commend all the clubs and members in our District that support this and every foundation. Your dollars are being spent providing funding for research to cure diabetes. I fully expect that within my lifetime a cure will be available to all Type 1 and 2 diabetics. We are extremely fortunate that we have the University of Minnesota working with us. Over the last 15 years, Lions from Minnesota have raised and donated over 1.9 million dollars. That is just from the state of Minnesota. You should be proud and excited to continue supporting this and every foundation through your support of our "parade of green" donations at our Mid-Winter Conventions. THANK-YOU.

If anyone is going to the MN State Fair, Lions of MD5M are looking for volunteers to man the Diabetes, Hearing, and Vision booth and the Kid's Sight booth. You will need to commit about three hours' time. There is an online sign up if you are interested. Let me know and I'll forward to you that information. It's fun so give it some thought.

Ok, I'm sure I've forgotten something I wanted to say or communicate with you, but now I've got writers block so better sign off. Remember that three letter word at your club meetings: FUN. Have fun, continue your service, and "TOGETHER WE CAN" achieve more. Till next month,

DG Don

## News from the Global Service Desk.

We are beginning a new year for the Lions of 5M3. We have a new International President Brian Sheehan and he is from Lion's Club in Bird Island Minnesota. It is real exciting to have a International President from Minnesota. Congratulations Brian. Where is BIRD ISLAND.

In this month's article the Lion's Clubs won't be listed, because this is the first month of the year there hasn't been many activities taken place and not many reported. Going to work on getting more clubs to start reporting more activities that clubs are doing.

Having the Clubs enter the things the Lion's are doing and get credit for their work. In the July Newsletter there was great information on service reporting that Lion Lisa put on the front page. Here is some of the information that was there. Details give stories power. Saying you fed 87 families is more powerful than saying you organized a food drive. Saying your club contributed 1,265 volunteer hours last year is more powerful than saying your club serves the community. When your club reports service, you collect the details needed to share powerful stories of your club's impact. Documented club achievements reveal what's working and what's not. For example, what if your diabetes education program is growing in attendance, but your annual club fundraiser is shrinking? Reviewing past service reports helps your club make better decisions, including choosing better service activities and setting realistic Goals. I will be getting in touch with the clubs that aren't doing any service reporting and get them started on this project. We should be able to get 75% of the Lion's Clubs in 5M3 report to LCI. Last year 57,740 people were served, 614 service activities taken place, total volunteer 9918 and 195,768 dollars were raised. CONGRATULATIONS TO ALL THE LIONS IN 5M3 to make this happen.

Thanks for helping out  
GST David J.
