The calls to serve a world in need continue to grow. Through your support, LCIF empowers Lions to always answer.

PRESIDENT'S MESSAGE

Together we can with
International President,
Brian Sheehan

Dear Lion,

We accomplish amazing things together every day because of what you give. And while giving takes many forms, one of the best is your ongoing support of Lions Clubs International Foundation (LCIF). Because that's how we ensure that our biggest projects succeed. And like all things Lions, it starts with you and your club.

The work of LCIF is so important. And you can be a part of it by making a donation, by applying for a grant to take on even bigger projects, and by sharing your LCIF stories and videos. Because the more that our communities know about LCIF, the more our foundation can magnify our service at home and around the world. We're all working together to make a big difference. And when we all give a little, we can accomplish so much.

Make a great day,
Brian Sheehan
International President

The district **Public Relations Kit** is available for clubs to use for special events and fundraisers. If your club would like to arrange to use a kit, please contact Lion Denise Nelson at 507-227-1712 or dlnelson0714@hotmail.com

Notes from Your Governor

Greetings Lions and friends of 5M3. I hope you are enjoying the last of summer here in MN. I've got a couple of last-minute trips planned to start this weekend with a fishing adventure to Canada. Just got back from the Iowa State Fair and enjoyed the "Fair Food". Speaking of Fairs, the Minnesota State Fair is coming up. If you are planning on going, consider helping with the Kid's Sight booth as they screen vision for children at the fair. Several different time slots available and it's fun. Anyone interested in helping please let me know and I'll get you signed up.

I want to personally thank all the clubs that have hosted a "Governor's Night" already. We (my wife and I) had a great time and enjoy meeting your members, especially some of your new members AND seeing the excitement in your clubs and members. Keep that going. I have a couple of clubs scheduled coming up, but willing to schedule more visits so let me know. We have a great story to tell, and we need to get our message out into our communities. I met a member of the New Ulm Lions Club, Lion Keith Richter, a member since 2019 but he has brought in 13 new members during that time. I would encourage your club membership chair to reach out to Keith as he is doing something right and we need to replicate his success. Congratulations Keith on a job well done. So where are we as a District? At the end of July, we were a plus 1 in membership, six gains, five losses for a total of 1036.

Congratulations on the 12 new fully trained "Guiding Lions" in 5M3. We have a good group of enthused and committed Lions available to help when requested. Another heads up to the "New Voices" program I talked about last month. I know we have members in our clubs that do an outstanding job for Lions and need to be recognized by sharing their stories with others. We need to recognize them, share their story to help inspire and motivate others. If you have someone that excels in Leadership, Membership, Marketing, and Service they need to be nominated. We have a short fuse on this, November 30th, to get our nominations submitted. More information can be found on the LCI New Voices webpage or give me a call.

We have one of the best newsletters in MD5M. It's full of timely information and photos of past events. If you are not getting the newsletter, please contact your club secretary or go to the 5M3 webpage. The last 18 months of newsletters are there for your enjoyment and information.

As I mentioned earlier, enjoy the last of your summer activities and good luck with your fall service projects. Remember "Have Fun" and "Achieve New Heights".

Till next month,

DG Don

1VDG~Patty Peterson~

August has been a fun and busy month, with all the fairs, festivals, and fundraisers going on. Gary & I have attended some of these, and had a great time. We had the opportunity to serve at some of these—it's a great way to promote Lions!!

If you come to Tracy for our annual Box Car Days celebration over Labor Day weekend, be sure to stop at the Tracy Lions food stand. We'd love to see you!!

From the Global Service desk

Summer is winding down and days are getting shorter. County Fairs are taking place all around the area. Many of the Lion's Clubs are helping out by doing a lot of different things at the fair. Clubs are parking cars, selling tickets, ring toss games and running many food stands. There is a lot of other things that clubs can do to help out for the community. Just look around and there many things we can help do.

5M3 held a cabinet meeting was held recently in Slayton and it was well attended by cabinet members. Discussion was on service reporting and it will be on the agenda at the zone meetings. The plan is get more to clubs to start reporting service activities. Last year 5M3 had about half the club reporting and this year the goal 75% of the clubs reporting. It is a large step up in reporting it can be done.

Below is report for July and is taking some time getting reporting happening again.

Our District has over half its clubs that haven't reported for over 2 years. Are we working on getting clubs to submit reports? If clubs don't know how to submit reports, give me a call and I will enter them for your club. My phone number is (507) 236-2480 and I will help you with your information on your service activities.

Thanks for help GST David J.

Get Involved with Your Foundation

Your service makes a big difference every day in people's lives, and you can make your impact even bigger through LCIF. Here are three great ways to get involved with your global foundation.

- **Apply for a Grant** – Visit the [LCIF Grants Toolkit](#) page to learn more about how your club can get even more done in your community with the right grant.
- **Share Our Story** – Take pride in the incredible work Lions do around the world and share our [Stories of Pride](#) and other stories from [the Lions Blog](#) on social media using the hashtags #LCIFLions and #WeServe.
- **Make a Donation** – Discover the many [Ways to Give](#) that help support our service around the world—and in the community outside your door.

So let's keep serving, let's keep supporting our foundation and our communities, and let's keep building a better world together.

GLOBAL HOPE: This Is Our Story

Dr. Nmazuo Ozuah January 08, 2021

Your child has cancer. How do you engage a mother who has never heard of cancer and is totally oblivious to its existence? Yet, she has repeatedly sought care for her six-year-old daughter who has been ill for over a month. At first, she is told it's just malaria, but several weeks later her child is deteriorating. When she finally finds closure – a diagnosis – she is left more confused than at the start of her journey.

“All children have the right to live regardless of where they are born...”

This is the story of many parents and children in Sub-Saharan Africa (SSA). Sadly, many never find closure. Some families will receive their child's cancer diagnosis quite late, when a cure has eluded them. Only a few in SSA will come to realize the existence of childhood cancer and live through it. That's a sharp contrast from the tale in wealthier countries, where cancer has become a household name and the majority of children diagnosed with cancer will live into adulthood. In SSA, several factors underlie this disparity in survival, including a general lack of awareness, shortage of trained health care personnel, unavailability of diagnostic tools, and limited access to drugs and other modalities needed for treatment of cancers.

Fortunately, Global HOPE (Hematology-Oncology Pediatric Excellence), a unique partnership between Texas Children's Hospital and Baylor College of Medicine, is working to ensure many more children in SSA survive childhood cancers and blood disorders. Global HOPE's mission is focused on building capacity to treat these conditions, and we are achieving it by partnering with local ministries of health of several African countries, Lions Clubs International Foundation (LCIF) and local Lions clubs. Since 2016, more than 8,000 children have been diagnosed and received treatment through Global HOPE. Children and families in one SSA country bene-

In the capital of Malawi, Lilongwe, Global HOPE has helped establish a pediatric hematology-oncology program serving as many as two-thirds of the country's population. I'm excited to be part of this team of talented and dedicated medical staff working to bring hope to families and ensure that a diagnosis of childhood cancer in Malawi is not a death sentence. The potential for impact here is more than anything I have ever experienced. I am always amazed by the transformation in these children after they have begun treatment. The hope that resonates in their families is indescribable.

One of our goals is to get patients to be children, and when possible, free from the many discomforts and pains associated with cancer. Once they feel better and are able, the children are encouraged to engage in several fun-filled physical and social activities. Watching them play, dance, and be children has been the most rewarding part of my job.

The story of our impact could not be told without recognizing the help we have received from our strategic partners. It takes such strong partnerships and a multidisciplinary-themed approach to ensure we achieve our goals of improving survival of childhood cancer.

In Malawi, Global HOPE has been partnering with LCIF and local Lions to provide nutritional supplementation to children receiving treatment for cancer. More than 70 percent of the children we treat are malnourished at the time of diagnosis. As in many parts of the world, malnutrition is a big challenge, but the impacts get worse when children also get cancer. This becomes even more critical because a child's nutritional state affects his or her tolerance of treatments received.

In SSA, more than 100,000 children get cancer each year, and currently 90 percent of them die. All children have the right to live regardless of where they are born – and this is the story of Global HOPE.

GLT news,

First off, I want to again encourage anyone interested in attending the Regional Lions Leadership Institute (RLLI) to submit their application to DG Don. As of our GLT call this week, they have extended the application date to September 24th, so you still have some time to get into this class. The class will be held on October 13-16 at Roseville, MN. Historically, this class has been held in Mahanoma, MN so this would be an opportunity to attend a class that is much closer to us. It is a wonderful learning experience and you will make friends that you will have for years to come.

The RLLI will help anyone who is interested in learning more about serving through leadership, Lions, and so much more. Anyone can attend. Even if you aren't looking to advance in leadership in your club or district, you will learn skills that will help you in life, work, etc.

For any officers who missed the Officer Training this year, just a reminder that you can complete your Officer Training through the Learn Center on the LCI website. Just go to learn and type in Officer Training and then the office you have been elected to. There are just a couple of quick classes that will complete the training. If you need help or have any questions, reach out to me and I will be happy to help you complete the training.

For anyone who hasn't looked at the Lions Learning Center, I would encourage you to go in and look around at the classes that are offered. Classes like "Time Management," since we all can use some help with that at times. There are also courses like "Planning a Project" so if you are looking at starting a new service project, there is information that you can go through to help you through the process.

The Lions website also has many helpful brochures that you can download. For Club Presidents, have you thought about ways to potentially improve your club meetings? "Your club, Your Way" is a brochure that has lots of suggestions to help. You can also find club member surveys to help you find out what can be improved,

If anyone would like information on any of these, please feel free to contact me at Wayne.Radloff@yahoo.com or call me at 507-865-4732. Or if you would like me to come to visit your club and give you information on any of these items, I would be happy to do that also.

Clubs donating \$1,000 have earned our beautiful, Believe Award. We are so proud of the design and hope your club can display your successful contributions to assisting children with cancer. Currently our foundation is keeping records of the all the club donations. Your club does not have to contribute all the funds at once to earn the Believe Award. Donations to the U of M Hospital will be designated for the Childhood Cancer Survivor Program. And the MNLCCF is the leading contributor for this new program

Please go to the website to apply!

REGIONAL LIONS LEADERSHIP INSTITUTE RLLI

October 13-16, 2022

Hilton DoubleTree Hotel Roseville MN

Registration is now open for the October 2022 MD5M Regional Lions Leadership Institute (RLLI)

The institute is open to all lions who are members in good standing of a Lions Club except for Past District Governors, District Governors, or 1st Vice District Governors.

The \$150 USD registration fee for RLLI includes the cost of materials, facility, staff, and four (4) meals. Room costs, \$129 USD excluding tax, and additional meals are not included.

A \$75 rebate from MD5M, through a grant from LCI, will be given to each participant that completes the program.

Early Bird Discount: Register by July 1st and save \$25 USD

Participants must attend all sessions beginning on Thursday evening and ending Sunday Afternoon.

Each district can send six (6) participants; however, if other districts do not meet their allotment, your district may send additional Lions.

Applications are available from your District Governor or District Global Leadership Team Chairperson as well as on the MD5M website: lionsmd5m.org under resources. Completed applications must be submitted to your District Governor, without fees by August 31st, 2022. Your District Governor will make the final participant selection and you will be notified by September 15th if you were or were not accepted.

If you have any questions concerning the Institute please email Lion Dennis W. Kelly III, MD5M GLT Coordinator at dkellylion@gmail.com

Ask an Institute Graduate, they will tell you that the Regional Lions Leadership Institute (RLLI) is beneficial for you in every facet of your life and not just in your role as a Lion, and it is a lot of fun!!!!!!

Lions break ground on new shelter

The Windom Lions Club shelter project is officially underway!

The Lions gathered at Tegels Park last week for an official groundbreaking ceremony at the site of their new park shelter project. The group pictured above, includes, from left: Jerry Wagner, Carol Wagner, Deloy King, Ellen King, Al Saffert, Sherri Martinell, Dean Schumacher, Eric Haken, Glen Francis, Crista Stahl, Jim Krueger, Dana Anderson, Ben Peterson and Butch Kuhneau.

"The groundbreaking went very well," said Eric Haken, a Windom Lions Club member and one of the organizers of this project. "People are very excited about it. It is the biggest thing the Lions have ever done, one of the biggest things any non-profit group in Windom has ever done."

Although some site staking, etc, have occurred, the more intense construction work is expected to begin either today (Wednesday) or Thursday, according to Haken. Haken said the project has been significantly affected by the jump in material costs that occurred in the past year. The estimated project cost is now \$250,000, which is up at least \$50,000 from the initial projection.

"The plan is to keep building until we run out of money," Haken said. "Then it has to stop."

Construction should wrap up sometime in September, according to Haken. In the meantime, there is still plenty of time for people to make donations. Donations are collected at Windom city hall. People can make checks out to: "City of Windom/Windom Lions Club." For more information on how to donate, see the color ad on the back page in this week's Citizen, or contact a Lions Club member.
