

From the DISTRICT GOVERNOR

### The Dream Catchers

Thank you to the Munster Lions Club for hosting the first Cabinet meeting. The food, fun and fellowship were great and we accomplished a lot. Those of you attended the Cabinet meeting (and Banner Night) may have noticed feathery creations with the words “Dream it, Believe, Do it”, thanks to Lion Judy Greer. The creations are Dream Catchers. Native Americans believe the night air is filled with dreams both good and bad. The dream catcher when hung over or near your bed swinging freely in the air catches the dreams as they flow by. The good dreams know how to pass through the dream catcher, slipping through the outer holes and slide down the soft feathers so gently that many times the sleeper does not know that he/she is dreaming. The bad dreams not knowing the way got tangled in the dream catcher and perish with the first light of the new day.

Lions can think of themselves as Dream Catchers. Dreaming with eye wide open and catching the dreams of those we serve making them come true. When someone asks what Lions do, we generally respond by saying things like: pancake breakfasts, steak fries, golf tournaments, fish fries, etc. We go on to say we give eye glasses, screen the eyes of children and adults, donate to food pantries, deliver food baskets and toys during the holidays and so on. Rarely, I think, do we ever explain to others (and may be even to ourselves) the impact we have on lives of those we serve. We don't just give eye glasses, we give the gift of sight maybe to some child who could not see the blackboard or read a book. We put food on tables that might otherwise be empty and replace a tear on child's face with a smile. When someone asks you what Lions Do, tell them what we accomplish and how we make a difference in the lives of others.

Most of us have been asked this question: “Why did you join Lions?” The most common answer is “to give back to the community”. But people join Lions for many reasons: social contact, business networking, fun and being with friends. When someone asks me that question I tell them not why I joined, but why I am still a Lion. I tell them about the little angel in my heart – you know – the one that makes you feel proud to be a Lion, that makes you feel good, and keeps you dreaming it, believing it, and doing it. Here is how the angel filled my heart.

Once upon a time many years ago, at the request of a neighboring Lions Club, I was helping with the “25 yard dash” at their “special games” for very severely challenged children. I was charged with timing the finish of one of three children at the starting line: a boy in a wheel chair; another boy, and a girl who I had the responsibility of recording her finishing time. As the children started towards the finish line, it was apparent the boy in the wheel chair would finish first, then the boy second, and the little girl way behind them. As she swayed back and forth across the track, sometimes almost falling, I found myself saying “come on, you can do it, you can cross the finish line...” As she crossed the line I looked down at the stop watch and thought how far behind the others she finished and what I would say. Before I could say anything she wrapped her arms around me and looked up at me with radiant eyes and tears running down her face. Thoughts raced through my mind - What would I say? How could I make it better? But before I could say anything, she looked up and said “I did it, didn't I. I finished, I did it! Thank you Mr. Lion, I did it! Her mom and dad came and they were congratulating her on her “win” and as they walked away the girl waved to me. I don't know that girls name or what happened to her. I know this: When I am tired and wonder what am I doing going to all those Lions meetings and attending all kinds of events and I just want to sit and stop; there she is, looking down at me with those radiant eyes “You haven't finished yet. Get up and get going.

Come on, you can do it. You haven't crossed the finish line yet”

*She is the angel in my heart. The one I want to share with everyone. I caught her dream and somehow it became my dream. Hopefully, you have an angel in your to share with everyone. That little angel set a goal to cross the finish line and she did it. We as Lions can set goals and if we Dream it, Believe it, and Do It we can cross the finish line into the winners circle of Dream Catchers.*

## **Read, Write and Rock and Roll**

So hopefully by now you have heard about IP Wayne Madden's challenge to participate in the Reading Action Program. Haven't heard of it? The Reading Action Program is a call to action for every Lions club around the world to organize a service project and activities that promote the importance of reading. Did you know worldwide that one out of four people are illiterate?

The Lions Quarterly Video magazine, on LCI's website, shows how one club in Arizona introduces reading into one of its ongoing activities. They are promoting the importance of parents and children reading together and also addressing the need for healthy vision. When we can encourage parents to read at home, it also encourages the children to read more.

PDG Dennis Brown from the Kouts Lions Club has already taken on this project with pride. The club has scheduled a children and adult vision screening at the local library on a Saturday and the club will also be giving out free books. In talking with the librarian there, he was also able to secure a staff member who is going to read to the children and adults during this event. Way to go Kouts! We are looking forward to the club reporting on its success!

You would be amazed at how many adults and children are not able to read well or read at all. During one of our eye screenings at a recent health fair that was held in a shopping mall we had a couple of 13 year old boys that could not pass the vision screening. This was because they did not know their alphabet. In the county just North of where we live, I worked at a hospital and several adults and students could not sign their names on needed forms because they were illiterate. We were trained instead of using 'X' to mark the spot, to use a check-mark. This was because these people typically used an X for their name or in some cases only learned enough to sign their name. That is right here in our backyard folks!

Resources for this important project are available on the LCI website. The Reading Call to Action flyer gives you many exciting project ideas and clubs that document in their Service Activity Report will receive a special banner patch. Want to Make a RAP video? You have the chance to do that too! The top winning video will be played during one of the plenary sessions at the International Convention in Germany next year. What an exciting project for your club to do and a great way to get all the club members to interact and have fun. Rock and Roll!

For more information and resources, including on how to make your RAP video, be sure to visit [www.lionsclubs.org](http://www.lionsclubs.org) and type 'Reading Action Program' in the search bar. You can also contact the Service Activities Division at 630-468-6893

Dream the words; Believe the lyrics; Do the song, Lions, keep on rocking and rollin',

1<sup>st</sup> VDG Connie

Dear District 25 A Lions;

Does anyone have a room for rent? When I arrived home after a recent Zone 3A Lions Golf Scramble meeting my wife changed the locks on the doors. I am housebroken, fairly obedient, eat only when awake and drink only when alone or with someone.

Seriously, I have hit the ground running for an exciting year assisting District Governor Richard Silveira and Vice District Connie Roe to make this a fun and exciting year in Lionism. Being at the Banner Night for DG Richard in Hobart and having the opportunity to meet our International President Wayne Madden was a real thrill. This should be a very exciting year for our entire state and a chance to show how well District 25A Lions are contributing and helping the people in the “Hoosier State”.

We have been working hard in Zone 3A to plan and organize our 4<sup>th</sup>. Annual LaPorte County Lions Golf Scramble on September 8. As the Chairman of this committee, we all want to thank the District 25A members of all the State Committees, who have assisted us in gathering materials for the outing. I will be attending my first Cancer Control Fund of Indiana Committee Meeting on September 9 as an elected Trustee from 25A. Then on September 10, we will have our first GMT District Membership Team Meeting chaired by Lion Dave Silva in Hebron. On September 12, I have been invited to attend a Zone Meeting for Zone 3B in Westville.

In October of 1985, my mother passed away after a three year battle with cancer. After watching her struggle and fight for three years, it was a blessing when her struggle ended and she passed to a better place. At that time, I was a basketball coach, teacher and counselor, who had never considered joining Lions. Several years ago, I mentioned to PDG Margaret Verkuilen that if an opening ever came about on the Cancer Control Committee, I would be interested. So, when she contacted me last spring about running, it was an easy decision. I want to thank all the lions who supported me and it is my goal to be an active participant for our district.

## Whiting Lions Host "The Battle of 119th Street BBQ"

By Lion Olga Papp

Street Trophy". The traveling football trophy honors the 78 year high school football battle between the Hammond Clark Pioneers and the Whiting Oilers. The gridiron battle has been played every year since 1934 and is the second longest rivalry streak in Indiana high school football. This year's 2012, Battle of 119th Street game was played on Saturday August 18 at George Rogers Clark's Field.

As a prelude to the gridiron battle, on the evening of Thursday August 16, Whiting Lions Club hosted "The Battle of 119th Street BBQ". The BBQ took place in the street at the intersection of Atchison Avenue and 119th Street, on the border of Whiting and Hammond. Both teams marched down 119th street from their respective school, wearing school jerseys to the event. Whiting Lions Club treated the players, their coaches and cheerleaders to a BBQ dinner.

Former 1985 Champaign Chicago Bear Steve "Mongo" McMichael was the guest speaker at the event. The players took the field two days later played a hard fought football game. Whiting defeated Clark by 47-0.

In 2013, the Lions will give a one- time \$500.00 scholarship to the school, which took home the trophy. The scholarship will be based on service related student that gives back to his/her community and fulfills the expectations that the Lions are known for: Being community oriented and giving of themselves unselfishly while bettering the community, they live in.

### *Lions Are Champions of Change*

## **Your Governor is on his way to the WHITE HOUSE**

On **October 2, Lions Clubs International** will participate in a special event at the **White House in Washington, D.C.** Members who have been selected to represent Lions as "Champions of Change" will be recognized at the event and participate in a panel discussion. Other highlights of the day include a tour of the White House East Wing and a White House Community Leaders Briefing, during which Lions can discuss with government administrators and agencies topics such as reading and literacy, health services and more. The event will be streamed live online. For more information, visit the [LCI Web site](http://www.lionsclubs.org). For questions, contact [GovernmentRelations@lionsclubs.org](mailto:GovernmentRelations@lionsclubs.org).

**FOUNDED:** November 2004, **SERVED:** Mill Creek, Fish Lake, Lincoln Township and Wills Township

**MEMBERSHIP:** Currently we are thirty-nine (39) members strong, last year we adding nine new members and we have added one new member so far this.

We are situated in a rural area in the eastern part of LaPorte County. Approximately half our membership is retired and the remainder a mix of blue collar, professional and farming occupations.

Our board meetings are the first Monday of each month. Our club meetings are the third Monday of each month. Meetings are at 7:00 P.M. CDT at the Mill Creek Baptist Church. Our January and June meetings are supper meetings held offsite at a local restaurant.

**COMMUNITY SERVICE:** In March 2011 we and representatives from the Mill Creek Baptist Church attended the LaPorte County Rural Summit which is comprised of representatives from most of the small towns in LaPorte County. This is sponsored by the LaPorte County Leadership council. They encourage the working together of all citizens within a community to implement community improvements.

From there we went back to the community conducted a “Community Needs Assessment:” and with the help of other folks called a meeting to discuss the needs of our community. The invite was done through church bulletins, flyers, Herald Argus ads and service organizations. Our initial meeting consisted of over fifty (50) people from all segments of our community. Using the team concept we came up with listings of (1) What we like best about our community, (2) What is our communities’ biggest assets, (3) Where can we improve our community. From there through a series of subsequent meetings we formed the Community Improvement Committee representing the various service organization and private citizens. This committee identified potential projects in the area of:

Community Beautification - Community Communication Conservation - Club Boardwalk  
Façade Improvement - Walking and Bike Trails - Update recreation facilities

So far the Community Newsletter is complete and published quarterly and several projects have been completed relating to Community Beautification including placement of flower planters (26) in the community and roadside cleanup in the spring in Fish Lake and Mill Creek.

**CLUB EVALUATION:** We did our first club evaluation in January of this year and results were reviewed with the club. These highlighted a primary need to shorten our club meetings and improve the quality thereof, as well as a concern for aging membership. These concerns were folded into our objective setting process for the 2012 - 2013 year and are in place now.

**FUND RAISERS:** Ham and Bean Supper in April, Hog Roast in September, Sell Giant Jellybeans, Recycle Ink cartridges, cell phones and hearing aids, Supporting Zone 3A Golf Scramble, Collecting black walnuts, we collected 15,000 lbs last fall and made \$1000. We use a special garden type tool to pick up the walnuts. These are walnuts along the roadway, as well as in people’s yards. Everyone is appreciative of our picking them up. So we have a community service as well as a fund raiser.

## Why be a Lion?

By *New Lion Maurisa Bell*

Why not be a Lion? Lions come elbow to elbow and heart to heart to serve the needs of EVERY age, EVERY day. From preschool vision screenings, Leos and Quest programs for school age children, food baskets for families in need to medical alert systems and luncheons for seniors. Every day in every way there is a Lion answering the needs of THEIR neighbors in THEIR own communities.

Winchester Lions' Club 75th Anniversary Reception  
September 16, 2012**

Dear Fellow Lions:

On March 13, 1937, a group met to establish a Lions Club in Winchester, IN. Twenty-three (23) new Lions, their wives and invited guests celebrated Charter Night for the new Club on April 1, 1937. The new club was sponsored by the Muncie Lions Club.

The Winchester Lions Club is pleased and proud to commemorate its seventy-five (75) year history with an open house reception to be held on **Sunday, September 16, 2012** at the new Towne Square Community Centre, 123 W. Franklin St., Winchester, IN. The event will feature various historical and informational displays relative to the Winchester Club and other activities of Lions in the state of Indiana, etc.

Open house hours will be observed from 2-5 P.M. Light refreshments will be provided. All Lions Clubs of District 25D are invited to join in this commemorative event. Please plan to join us. RSVPs are not necessary. Hoping to see you on Sunday, September 16th in beautiful downtown Winchester.

Sincerely, Winchester Lions Club

**City of Carmel Named #1 Best Place to Live by Money Magazine**

**Carmel, IN** – Carmel, Indiana was ranked as the number one best place to live in America for cities with a population of 50,000 – 300,000 by Money Magazine. They selected communities based on a combination of strong job opportunities, the variety of leisure and cultural activities available, great schools, low crime and quality health care . Data from Onboard Informatics and other sources was also collected. Visits to the communities were also a key factor in making decisions about the top cities.

Money Magazine first contacted Carmel in June to start collecting data about the City. Shortly thereafter a reporter was sent to Carmel to interview families in the community and Mayor Jim Brainard. In July, photographers came to get pictures of the community and families that live here.

“We are extremely pleased and honored that Money Magazine recognized Carmel as the best place to live in America. With amenities such as City Center, The Center for The Performing Arts, the Arts & Design District and Central Park we were able to move into the number one spot from ranking 14th in 2010. We improved our ranking because many of our initiatives that were under construction then are now complete and being enjoyed by the community. I am especially pleased that the team from Money Magazine took into account the opinions expressed by the families they interviewed who told them how much they enjoy living in Carmel. While this is a tremendous honor, it is not a time to sit back and rest on our laurels, but rather a time to take advantage of this rare opportunity to capitalize on this great story and use it to our advantage in our economic development efforts to attract top level employees and businesses , ” said Mayor Jim Brainard.
