MERRY CHRISTMAS
and
HAPPY HOLIDAYS TO ALL

*A little girl climbed onto Santa's lap. Santa asked the usual, "And what would you like for Christmas?" The child stared at him open mouthed and horrified for a minute, then gasped: **"Didn't you get my text message?"***

Sometimes we get caught up in the new world of technology and the fast pace of life itself. Things seem to be constantly changing and keeping up is sometimes difficult. But one thing remains constant in our lives as Lions:

OUR GIFTS TO THOSE WE SERVE THAT ARE IN THE FORM OF SMALL ACTS OF KINDNESS WE DO EVERY DAY, IN EVERY WAY.

As we prepare to celebrate the holidays, remember those who are less fortunate and those, like our troops, who are away from their families. The Lions of 25A are a great source of relief to many providing food baskets, toys, clothing, and simply doing small acts of kindness to so many who are in need. It is said that one of life's most basic laws is:

"Every single act of love, kindness, and generosity will multiply and return to you many times over".

The more you give the happier you will feel. Pause for a moment as you read this, and take a big, deep breath. Hold it for as long as you possibly can. As you hold it inside, notice how uncomfortable you begin to feel when you are holding on to something that is meant to be released. **True giving, without the expectation of anything in return, is as effortless as breathing.**

Maybe instead of saying "Yes Virginia, there is a Santa Claus" we could say, "Yes Virginia, there are Lions.

Lions who Dream with their eyes wide to see and fill needs; Lions who believe in themselves and the miracles Lions make; Lions do it because it is what we do:

We Serve

Alex was five. His Christmas presents were always signed; "From Santa" A little while after opening his presents he looked quite down. "What's the matter, Al," asked his Dad? "Ummmm", replied Alex, "I really hoped that you and Mummy would give me something for Christmas".

We wish you all and your families the very best of your holidays.

DG Dick and PDG Barbara

From Vice District Governor CONNIE ROE

THE SECRET SANTAS OF LIONSVILLE

In the blessed little town of Lionsville, on a cold and starry night, The Lions put on their Santa suits and joyfully prepared for flight.

**Each toy, food basket and gift to give was adorned with a colorful bow,
Ready to find their home this day, in the hearts of those we know.**

The Lions with love and wishes placed each precious gift in the sleigh, while sharing warm thoughts and prayers for those they would serve that day.

Lion Dick announced the ready and off like a shot they went, down the street and through the snow, glad tidings and cheer they sent.

Bright smiles and warm thank you's and glistening tears were shed, By the grateful children and families that the Lions gifted and fed.

When the gifting was done and the Lions were snug in their beds, Visions of smiling children and families danced round in their heads.

T'was next morning the Lions gathered to share their stories of joy, Smiles and hugs were shared for the overjoyed girls and boys.

Suddenly out on the lawn there arose such a clatter, they rushed out of the house to see what was the matter.

Too much amusement and laughter their surprise did appear, was Lion Dick shouting frantically, "Dude where's my car?"

Oh DEER, so I flunked out in poetry but we as Lions have the hearts to dream, the hearts to believe and the hearts to do it. To what dreams may come from our beliefs.

A very warm and Merry Christmas to you, your families and all those we serve.

VDG Connie

“HAVE A ZONE PROJECT”

As Zone Chairman in 3A back in 2008, we decided to have a project. Being an avid golfer in a community with several courses and leagues it seemed like a perfect fit. In talking with some of the local golf professionals, we decided to revive the LaPorte County Golf Tournament. People shared with us what a “great event” this was back in the 70’s & 80’s attracting several hundred golfers of all ages. So we set about planning this great event.

We contacted each of the clubs, 6 in our zone, and ask them to put up seed money and appoint two Lions to serve on our committee. We asked one of the local golf professionals to serve on the committee to help guide us through the process. Everything went very well except for one major problem. This was the year the economy took a dive and we could not get golfers to participate. “You cannot hold a golf tournament without golfers”! With a week before the tournament we only had about 15 golfers and we had to cancel the tournament.

The committee met and decided that this was still a good idea and our clubs all rallied behind us and we decided to make it a golf scramble in 2009. Our goal has always been to provide a “First Class Outing” that people will look forward to each year and in which our Lions can make a profit. The first year we made a few hundred dollars for each club and it has grown a little each year since. This past year 2012, we made a profit of \$6,000.

The real value of having a zone project is that club members come together and get to know each other a little more. We share information about what is happening in each club and support projects of the other clubs in the zone. This is additional work for a few members of each club but the actual event brings together many members on that day.

The golf outing is what we choose to do but I’m sure there are many other ideas for projects. My thought would be for each Zone Chairman to reach out to your clubs and see what ideas they might have for a “Zone Project”. It may be a little late this year but let’s always be looking to the future. We did not give up when, falling on our faces, the first year. Remember, Lions never give up!

JUST KEEP ON ROARING!

2ND Vice District Governor,
Lion Glenn Swanson

Premise: Our International Association of Lions Clubs is only as strong as our clubs and the individual members that comprise the clubs.

Club Goals: to strengthen each member in **The Power of One Lion** –What each Lion member can individually commit to this coming year, to strengthen our clubs and provide more service to our communities.

1. Every Lion wear their Lions pin every day, at work, recreation or socially, being ready with their Lions Elevator Speech of 15 seconds or less, to tell them Who Lions Are and What Lions Do, when asked about the pin.

Who Lions Are? Lions are 1.3 million men and women in 207 countries.

What Lions Do?

1. Serve those in need in our community and around the world.
 2. Global mission of assisting those with vision impairments.
 3. Leadership opportunities and training for our members.
2. Smile and have fun in all we do as Lions. A smile is the easiest thing to give away and it makes you and the other person smile. They will more likely want to be part of an organization that has fun while serving those in need.
3. Invite a non-Lion to a service project with you before the end of 2012. Help someone feel what it is like to make a difference in someone else's life and they will want to be a part of our association. Then invite them to be a member.

Chesterton Lions Club THE DICTIONARY PROJECT

The Chesterton Lions Club has again sponsored "The Dictionary Project" for all third grade students in the Duneland area (7 elementary schools with 538 students). During the past two weeks, we visited the seven schools along with our mascot "Chester" the Lion to speak to the students and their teachers about Lions activities and present each one their own student dictionary. Photo attached is from the Discovery Charter School, where Lion Co-Chairs Robin Smith (as "Chester") and Bill Ellis and Lion member Tom Kelly are shown with several of the third-graders there. We were warmly welcomed at each school by the Administration, the Teachers, and the students, who showered Chester with hugs and high-fives after getting their dictionaries.

Diabetes Awareness Needs your Help!

Each year, nearly 15,000 children develop Type 1 diabetes in the United States. In addition to this increase in the incidence of Type 1 diabetes, a shocking increase in childhood obesity has contributed to an equally disturbing increase in Type 2 diabetes in children. At least 740,000 Hoosiers have diabetes, which equates to a prevalence of about 9.8 % of the population. Diabetes is the 6th leading cause of death in Indiana.

Until a cure is discovered, a child with diabetes must give themselves regular injections—typically four or more per day. *That’s more than 1,000 shots every year.* They must also test their blood glucose levels by pricking their fingers as often as *four to five times a day.* Children who are lucky enough to understand and afford an insulin pump can escape the injections, but must still check their blood glucose frequently.

In 2010 a 2 year commitment was made to Riley Hospital for Children for equipment to advance research into a cure for type 1 diabetes. This commitment was completed in July 2011. The Indiana Lions Diabetes Awareness Committee with approval from the Council of Governors has pledged \$15000 over a 2 year period to purchase additional equipment needed to enhance their research into a diabetes cure at Riley Hospital for Children. To achieve this goal the support of the Lions Clubs in Indiana is paramount.

If every club in MD 25 who contributed to Diabetes Awareness last year increased their financial support by a mere \$5-10 per year over the next 2 years and every club who has not support diabetes in the past would contribute at least \$5-10 a year for 2 years we would easily accomplish our goal.

This would also allow the committee to maintain its present level of support to the diabetes camps in Indiana. For additional information check your district directory for your diabetes awareness committee member. Invite them to a meeting.

T'was the Night before Christmas Poem

Twas the night before Christmas, when all through the house, Not a creature was stirring, not even a mouse. The stockings were hung by the chimney with care, in hopes that St Nicholas soon would be there.

The children were nestled all snug in their beds, While visions of sugar-plums danced in their heads. And mamma in her 'kerchief, and I in my cap, Had just settled our brains for a long winter's nap.

When out on the lawn there arose such a clatter, I sprang from the bed to see what was the matter. Away to the window I flew like a flash, Tore open the shutters and threw up the sash. The moon on the breast of the new-fallen snow Gave the lustre of mid-day to objects below. When, what to my wondering eyes should appear, But a miniature sleigh, and eight tinny reindeer.

With a little old driver, so lively and quick, I knew in a moment it must be St Nick. More rapid than eagles his coursers they came, And he whistled, and shouted, and called them by name!

"Now Dasher! now, Dancer! Now, Prancer and Vixen! On, Comet! On, Cupid! on, on Donner and Blitzen! To the top of the porch! to the top of the wall! Now dash away! Dash away! Dash away all!"

As dry leaves that before the wild hurricane fly, When they meet with an obstacle, mount to the sky. So up to the house-top the coursers they flew, With the sleigh full of Toys, and St Nicholas too.

And then, in a twinkling, I heard on the roof The prancing and pawing of each little hoof. As I drew in my head, and was turning around, Down the chimney St Nicholas came with a bound.

He was dressed all in fur, from his head to his foot, And his clothes were all tarnished with ashes and soot. A bundle of Toys he had flung on his back, And he looked like a peddler, just opening his pack.

His eyes-how they twinkled! his dimples how merry! His cheeks were like roses, his nose like a cherry! His droll little mouth was drawn up like a bow, And the beard of his chin was as white as the snow.

The stump of a pipe he held tight in his teeth, And the smoke it encircled his head like a wreath. He had a broad face and a little round belly, That shook when he laughed, like a bowlful of jelly!

He was chubby and plump, a right jolly old elf, And I laughed when I saw him, in spite of myself! A wink of his eye and a twist of his head, Soon gave me to know I had nothing to dread.

He spoke not a word, but went straight to his work, And filled all the stockings, then turned with a jerk. And laying his finger aside of his nose, And giving a nod, up the chimney he rose!

He sprang to his sleigh, to his team gave a whistle, And away they all flew like the down of a thistle. But I heard him exclaim, 'ere he drove out of sight,

"Happy Christmas to all, and to all a good-night!"

Merry Christmas

Happy Chanukah

Let us be thankful for all the little Miracles each Lions gives throughout the year.
