From District Governor RICHARD SILVEIRA

Lions of 25A;

We are back from Busan, South Korea safe but not sure how sound. The travel time was really something taking more than 30 hours to arrive at home. It was, however, worth the trip. We had the privilege to see firsthand our own Indiana Lion, Wayne Madden, sworn in as the President of Lions Clubs International. It was an awesome moment and we are honored to have been a part of IP Wayne's journey. The International program "A World of Service" is outlined on page 12 & 13. It provides the opportunity for all Lions and Lions clubs to work as a team to accomplish our goals of serving those in need, our communities, and humanity.

Dream with your eyes wide open to see a world of service. Look at what your club is doing and ask if it is meeting the needs of the community. Ask if there are new projects that can be instituted to increase our service. Ask where your club's membership will be on June 30th 2013 and set out a plan to get there. Some see things as they are and ask why, Lions dream with their eyes wide open and ask, WHY NOT.

Believe in your dreams because we do make a world of difference in the lives of others. Many of you hear me speak of the angel in our hearts; that intangible feeling that we made a difference in some one's life. It's that Lions feeling that keeps us going when things are not going so well. If we believe in ourselves, believe in the spirit of Lionism, and believe in the goals of our great Association, everything is possible in a World of Service.

Do it because it is what we do: We Serve. Two simple words that bind us together as one team all racing to achieve the same goals: service to those in need, service to our communities, and service to humanity. We Serve separates us from other organizations. We serve makes us the leading organization racing to prevent blindness and restoring sight, eye screening children and adults, providing dictionaries and books to school children, saving lives through cancer control, and so much more.

Let's start our engines and set our sights on the winners circle. Those in need and our communities will cheer us on to the winners circle and give us the "Little Angel Trophy".

Let's put our entry on the track with the realization that winning takes teamwork and every Lion has important role to make victory possible. Let's get on the track and race to the finish line so we can all join in the winner's circle and celebrate our victory of serving those in need, our community and humanity. Turn the key to on and ignite the passion that makes District 25 A "The Awesome District"

DG Dick

VISION: Lions Serving Every Day in Every Way

MISSION:

To provide Lions with resources to build strong clubs and motivate Lions to provide a world of service.

THEME:

Dream it: with your eyes wide open to see a world of service

Believe it: Lions make a world of difference in our communities and the lives of others

Do it: with the heart and courage of a Lion – because: We Serve

COMMUNITY SERVICE: I ask that each club do a Community Needs Assessment that offers the opportunity to discuss community needs with leaders and see if the club's projects are meeting those needs. It also is an excellent Public Relation tool showing Lions are interested in serving community needs.

I ask that each club conduct one new community service project that actively involves **NON-Lions** to let the community know that Lions can lead community projects and see how their Lions club serves the community.

MEMBERSHIP: I ask that every Club establish a goal for where they want their membership to be in June 2013 and put a plan into place to meet that goal. District Global Membership Team Coordinator, Lion Dave Silva, and his team, will help you set up and execute a membership program.

PREPARE FOR THE FUTURE: Please conduct a Club evaluation. No organization, whether a business or a Lions Club, can remain successful without reviewing its operations. Members need to be part of the decision making process, allowed to express new ideas, and be encouraged to by-into the projects and programs of the Club.

Leadership: GLT Coordinator PCC Mike Gutyan and his team will help your club with various training opportunities and the new Club Excellence Process (CEP). The CEP is a program to help clubs review their programs and set goals to help continue their legacy of service into the future.

If we do these things, I am confident we will build strong Clubs and be able to serve into the future.

We never want to hear this about our community:

A little girl walks into a town office and says "Hello, I am blind and need some help." The Town Clerk replies "there was a group in town that helped the blind. Let me think, what happened to them? Oh, yes, they didn't change and did the same things over and over, and finally they went out of business. Oh, yes, it was the Lions Club. Little girl what is your name?" The Little Girl replies "it is Helen." Town Clerk says, "I am sorry Helen; there is no Lions Club here anymore to help you."

From Vice District Governor CONNIE ROE

Wow! ! District 25A, in collaboration with the Indian School for the Blind and Visually Impaired-d and the Indianapolis Chapter of the National Federation of the Blind, reeled in an outstanding Fishin' for Life event at Westville Lions Butch and Rhonda Weston's home. Fifteen visually impaired children, adults and their families were able to experience fun, fellowship and leadership principles during this fun-filled weekend. And although this event was two years in the making we never gave up hope that a dream could become a reality. This was the flfst event of its kind statewide.

The event provided an opportunity to experience what most blind kids and some adults had never done. That being; 'Fishin' for Life. One of the blind mentors, Lion Susan Jones of Indianapolis, said it best. «If you give a blind child a fish, you feed him for a day but if you teach him how to fish; you feed him for a lifetime!" This event was more than just about fishing. It provided an opportunity to witness how the visually impaired can do the same things we sighted take for granted. It is not that they cannot do things we sighted do, they just do it differently. After all, we as sighted each do things differently too. The event provide-d many experiences and opportunities for independence and a network of invaluable information. So it was more than Fishin' for Life it afforded Opportunities, Independence and Friendships for Life.

Even though many had not met each other before that day, from the beginning to the end, everyone became friends. Everyone helped pitch tents, pUI fishing poles together and even put the worm on the hook. Oh and they also cleaned fish! Yes, there were knives involved. Hayrides, campfires, beep ball, biking in the woods, lots and lots of food and just plain old camaraderie were enjoyed by all and I am happy to report there were no casualties! Well, except for Butch's axe handle. Lion AI Lovati thought it would be great to have the kids chop their own firewood. So, Lion Patrick decided to demonstrate how to properly swing the axe and with the second 'whack', broke the handle! Butch was only slightly upset and told Patrick that the axe had been in his family for many years. In fact, he had to dust off the cobwebs when he brought it up from the basement! Let's just say hopefully next year Patrick will have a better handle on things.

The group experienced many things that will be forever etched in memory, including three thunderstorms and high winds. Butch saw one of the approaching storms off to the South and by looking at the direction the neighbor's American flag was blowing, was certain the storm would stay to the South or at least thought he could get a hayride in before it hit. So, he loaded up the hay wagon with those that were ready to ride and made it whole 500 feet before the drenching rain came. So much for predictable storms! This however, did not dampen the spirit of this outstanding group. They all gathered in the barn to ride the storm out and got to know each other even better.

Speaking of storms; Saturday evening the rain, thunder and lightning decided to settle in for the night so Butch and Rhonda invited everyone into their home for a huge slumber party. Reportedly, there were only a few that snored. And for those of us that decided to weather the storm in tents? Well, let's just say some of the tents did leak but at least they did not blow away.

Sunday welcomed us with sunshine and an outstanding breakfast. All I'm gonna say is, Lion Bo needs to work on the eggs. Who knew you could not put twenty pounds of liquid eggs in a 10 quart pot? After breakfast, many wanted to go back to the pond and fish before they left for the day. After that, it was time to part ways. Many handshakes and hugs later, we had to call it the end of a fishtastic weekend. Everyone was in agreement that we do it again next year and hopefully it will be even bigger and better. The blind mentors came up with several suggestions for additional future fun at the event which included archery, four-wheeling and volleyball. Oddly, not chopping wood. Well, at least until Butch gets a new axe handle.

We cannot say thank you enough to the kids, families, mentors, Lions and Leos that stepped-up to support this great experience. We will be talking about this for a long time to come.

An eight minute picture video of the highlights can be viewed on YouTube. In the search bar type: Lions 25A Fishing for Life. Be sure to leave a comment. Oh, and turn up your speakers as the video of pictures is set to some wonderful music. Additional pictures can be found at Dropshots: www.dropshots.com/lovatia

We are looking forward to next year and hope you will continue to support this great project. As PDG Patrick would say, "Thank You!" And as DG Dick would say, "Dream It, Believe It, Do It!"

Beautiful! Beautiful! Beautiful!

Have you noticed?! Have you stopped to admire the new planters around the township? Petunias are flowing everywhere! A group of residents, headed up by Don Long and Lucille Salzer, painted, planted and delivered planters to area businesses and organizations. Various organizations contributed to the purchase of the planters, you'll see them listed on plaques posted in each planter. The photos on the left are of Don and Lucille, preparing the planters. Below is the volunteer planter project delivery group. Thank you all!!!

STRETCH OUT AN ARM AND DONATE!

The Mill Creek Community Lions Club initiated a Red Cross blood drive about 2 years ago. The first drive was a huge success, the blood collection exceeded the Club's goals and the community was given recognition for it's early success. Since that time, the blood drives have always met or exceeded goals...that is, until this May. May was the 1st time the goals weren't met. What does that mean? WE have an opportunity to get our community back on the 'over and above' track! The next drive is on July 5, 2012 at the Lincoln Township Community Building from 1:00 t 6:00 p.m. Walk-in's are welcome!

Global Service Action Campaigns

Through service, Lions have impacted the lives of millions of people. Now more than ever, we are in a position to extend our network of care. To show this strength, Lions have the opportunity to participate in four special service action campaigns.

August – [Engaging our Youth](#)

Invite Leos and youth in your area to help organize and participate in a service project. Projects may include school or community facility cleanups or a visit to a home for senior citizens or a children's hospital. Allowing youth to develop and lead a service project enables them to learn skills while emphasizing the role of service.

October – [Sharing the Vision](#)

Plan vision health projects and work with the visually impaired. Many Lions already celebrate World Sight Day in October. This is a great month to organize a vision screening, volunteer at a nearby Lions Eyeglass Recycling Center, organize an eyeglass collection or an activity to benefit the visually impaired in your community.

December/January – [Relieving the Hunger](#)

Organize food drives and projects to feed the hungry. With the downturn in the global economy, many hunger relief organizations are finding it difficult to keep up with demand. Help alleviate hunger by planning events around the end and beginning of the calendar year to collect and distribute food.

April – [Protecting our Environment](#)

Implement projects that improve and protect the environment. Organize a highway clean up, plant trees or plan a community "Earth Day" event to collect recyclables such as aluminum cans, plastic bottles, used cell phones and batteries.

World of Service Awards

The World of Service Awards recognize Lions and Leos who represent our world of service. Projects and activities that are submitted should exemplify the objects of the association.

Award Categories

Award categories for the World of Service Awards include:

- Best Long-Term Reading Action Program
- [Best Reading Action Program Rap Video*](#)
- Outstanding Service to the Blind or Visually Impaired
- Best Hunger Relief Program or Activity
- Best Youth Engagement Project (*Lions Club or District Only*)
- Leo of the Year**
- Lion of the Year**

Reading Action Program

As part of this year's "[A World of Service](#)" theme, International President Wayne Madden is challenging Lions to participate in the Reading Action Program to focus on increasing literacy and access to learning resources through their service.

Literacy -- the ability to read and write-- is the foundation for education and social development. Yet, hundreds of millions of adults lack minimum literacy skills and millions of school-aged children are not attending school to obtain them.

The Reading Action Program is a call to action for every Lions club around the world to organize service projects and activities that underscore the [importance of reading](#) and address specific needs related to illiteracy within their own community.

Lions Can Make a Difference

Many clubs have already taken great strides to bridge the gaps in literacy and education. The following segment of the LQ - Lions Quarterly Video Magazine shows how Tucson Downtown Lions Club of Arizona, USA, introduces reading into one of its ongoing activities. The club promotes the [importance of parents and children reading together](#), while addressing the need for healthy vision. They donate books along with free eye exams for parents and their children.

Environmental Contest

As the District's Environmental Chair, I would like to challenge each club to join with me in taking part in the International Lions Clubs Environmental Photo Contest. The rules are quite simple and the subject matter for the photos is quite liberal.

Lions from clubs in good standing can enter an original, unaltered, black-and-white or color photo (without people) of the environment of their Lions club in the following 2012-13 Lions Environmental

Photo Contest categories:

- Animal Life
- Landscape (Urban or natural)
- Plant Life
- Weather Phenomenon
- Beauty of the rural environment: photos celebrating our natural local surroundings

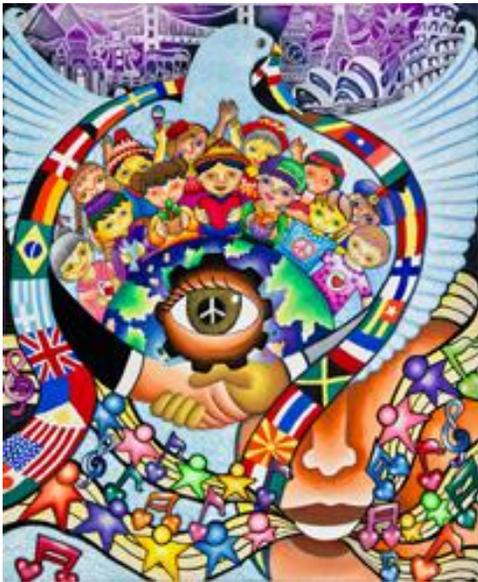

The impartial judging of photos should focus on originality, artistic merit, and portrayal of the environmental theme.

- LIONS CLUBS select and submit one winning photo to the district.
- LIONS DISTRICTS select and submit one winning photo to the multiple district. January 15, 2013 is the suggested deadline for districts to submit one 8" x 10" (20.3 x 25.4 cm) printed photo to the multiple district.

YOUTH PEACE POSTER CONTEST RULES**

A kit must be purchased for each contest sponsored. Each kit includes a sticker to be placed on the back of the winning poster prior to forwarding it to the next level of judging. Entries not featuring an official sticker on the back or meeting the rules listed below will be disqualified.

Only a Lions club can sponsor the contest in a local school(s) or organized, sponsored youth group(s), such as YMCA programs, Boys & Girls Clubs, Scouts, etc. *A Lioness club can sponsor the contest through its sponsoring Lions club.* Note: The contest cannot be held in youth groups that a Lions club sponsors, such as a Leo club or Scout unit. However, individual members of those groups (such as Leos or Scouts) may participate if the contest is held at their school or other organized youth group.

Contest is open to students who will be 11, 12 or 13 years of age on November 15. Eligible birthdates can be found under the Contest Rules & Conditions found in the Peace Poster kit.

Artwork must be no smaller than 13 inches by 20 inches (33 centimeters by 50 centimeters) and no larger than 20 inches by 24 inches (50 centimeters by 60 centimeters). Do not mat or frame artwork. Only one entry per student per year, and each entry must be the work of only one student. All artwork must be the individual student's original creation. Duplications are not accepted. All media are accepted. Note: Chalk, charcoal and pastel entries should be sealed with a fixative spray to prevent smearing. Do not laminate entries. Three-dimensional entries will not be accepted. Nothing may be glued, stapled or attached to the artwork in any way. The use of lettering or numbering on the front of the poster, in any language, is not allowed. All artist signatures or initials should be written on the back of the poster.

Artwork should be done on a **flexible material**, so it can be rolled for shipping in a mailing tube. Do not fold poster. No poster board.

Participants accept all responsibility for late, lost, misdirected or illegible entries. Entries sent with insufficient postage will be disqualified. Lions Clubs International is not responsible for entries damaged, destroyed or lost during the judging process. Entries cannot be acknowledged or returned; they become property of Lions Clubs International upon receipt. Peace Poster Contest images cannot be used without written permission from Lions Clubs International.

In consideration for the opportunity to enter the Peace Poster Contest, participants agree to allow Lions Clubs International to use their names and photographs for promotional and publicity purposes. In addition, the international grand prize winner, two family members (one being a parent or legal guardian) and the sponsoring club president or a club member (as designated by the sponsoring club president) are required to attend the award ceremony at Lions Day with the United Nations. An international grand-prize winner is not eligible to receive subsequent prizes in future Peace Poster contests sponsored by Lions Clubs International. By entering, participants agree to be bound by these rules and the decisions of the judges and Lions Clubs International.

Lions Clubs International may cancel the contest without notice at any time. The contest is void where prohibited, taxed or restricted by law.

Lions Clubs Tax Filing Obligations

For Both Federal and State Of Indiana

By Lion Dick Getts, Cabinet Treasurer 25F

All Lions Clubs are **REQUIRED** to file annually with the federal and State of Indiana. This filing requirement applies to the tax periods after December 31, 2006 and may apply to organizations that previously were not required to file returns.

An organization that fails to file the required forms for three consecutive years will automatically lose its tax exempt status.

Small tax-exempt organizations (those Lions Clubs with normally annual gross receipts up to \$50,000.00) are not required to file Form 990 or Form 990-EZ. They may file Form 990-N Electronic Filing Requirement for Small Tax-Exempt Organizations – Annual Electronic Notice (E-Postcard).

Gross receipts include, but are not limited to, dues from members, donations, tail twisting, and all project monies received.

Information needed to file:

- Organization’s legal name; mailing address; employer identification number (EIN); name and address of principal officer
- Organizations annual tax year (July 1 to June 30)

How to file Federal Form 990-N:

Google **FORM 990-N**. The form should appear as the first link or may be downloaded from:

www.irs.gov/charities/article/0,,id=169250,00.html

Under HOW TO FILE (about halfway down the page,) click **HERE** and then click **LEAVE IRS SITE**. New screen follow step one through step three. Save the confirmation. Congratulations! You have successfully filed with the federal government.
