

DIABETES AND VISION SCREENINGS

Sponsored by the Lions of Hartford/Litchfield Counties
with participation from physicians at
Connecticut Children's Medical Center

AT

HEALTHY KIDS DAY IN HARTFORD

June 1, 2019
9:00am until 3:00pm

The Lions of District 23-B will sponsor **FREE** diabetes screenings for the first 200 children in grades 5, 6, and 7 who attend the Hartford Public School Healthy Kids Day. Physicians from Connecticut Children's Medical Center are volunteering their assistance.

Permission forms will be sent home to parents throughout Hartford which must be signed and returned to the schools in order to be tested on that date.

The Lions will also conduct free eye screenings for all children who attend the Healthy Kids Day program!!

This FREE event will be held at the Koepfel Community Center located at 175 New Britain Avenue in Hartford.

There will be Diabetes Educators and Nutritionists available to speak to children and parents, along with a host of other fun activities including snacks, face painting and a DJ.

THIS WILL BE A HEALTHY, FUN, AND INFORMATIVE EVENT!!!

Interested sponsors are encouraged to contact their local Lions Club or contact Wendella Ault Battey, District 23-B Diabetes Chairperson, at (860) 883-8604, or by email: wabattey@gmail.com or Hartford Multinational Lions Club President Lillian Ruiz at (860) 614-5499, or by email: Lillyreina@aol.com.

Where there is a need, there is a Lion
