The Holt Lions Club has a long, proud history of activity in the Holt community, providing service and leadership in Lionism. Club members have served in community government, as school leaders and in many other civic organizations. In Lions our members participate as committee members and chairpersons of Lion State and District committees. The Holt Lions have produced four District Governors, the current 1st VDG of District 11-C2 and a former State Treasurer. Our membership includes three S.A. Dodge recipients and two Lions Hall of Fame members. We are proud of our first fifty years and look forward to seeing what our Club does during the next 50 years.
