V.O.I.C.E.S

Chartered March 29, 2012

*"Volunteer Organization Involved in
Charitable Expressions of Service"*

Mission Statement

A results driven volunteer charitable organization dedicated to working with the visually and hearing impaired, including research and prevention; and providing other humanitarian services to mankind.

One of the goals formulated during the creation of **V.O.I.C.E.S. LIONS1A** was that **V.O.I.C.E.S.** would continue to support the Lions Clubs International Foundation (LCIF) and Lions of Illinois Foundation (LIF) in their projects and program by seeking and applying for contributions from like minded foundations, corporations and individuals who were not familiar with Lions services.

Just as the Lions Clubs International Foundation (LCIF) partners with outside sources to achieve their successes, the directors of **V.O.I.C.E.S. LIONS1A** hope to emulate those concepts to benefit the many ideas on the horizon which Lions are asked to support.

Current district projects are in need of that extra support which can be accomplished with the aid of many outside benefactors. The district and clubs within the district are contributors to many programs which support the visually impaired, foster research to find new ways to prevent blindness and exciting ways to restore sight.

Imagine what will be done, if by coming together and with outside help, the funding for the dreams of those in need will be achieved through the **V.O.I.C.E.S. LIONS1A!**

A Heart for Service International President Douglas X. Alexander

Service from the heart will guide our way

Membership growth and engagement

The growth of our association means we're always ready to serve. To grow, we must not only bring in new members, we must also keep our current Lions engaged and active. Every time we lose a Lion, we have to recruit two more people in order to grow. More importantly, we must engage every member so that each person is able to truly live out the service that's in their heart.

Support our Foundation

We are in the final year of our most ambitious giving campaign ever, Campaign 100. The generosity and support of LCIF is empowering our service around the world, and bringing hope. Let's put our hearts into action by supporting our global foundation so we can achieve our goal of raising US\$300M.

Compassionate service

As communities around the world seek to find a sense of normalcy once again, Lions have a new and great opportunity to lead by example. We can help the world recover in this time when so many are still struggling. We must keep up our innovative service efforts of the past year and expand on them to address the needs of our current situation, with the knowledge that things can change at any moment.

Communication

Transparency and open lines of communication are essential to great service, and therefore have always been key to Lions clubs. We must continue to focus on our connections to one another, those we serve, and the organizations that support us. As Lions, we have a powerful and global community of peers we can learn from and assist. Now is as good a time as any to lean into our network of service.
