This year your club has a chance to make money as well as the District.  
**CLUB REBATE PROGRAM**

The District Convention is quickly approaching and the time is now for your club to think about being part of the FUN at this year's convention. Our Governor Lion Steve has been working hard with the committee in trying to generate new and fun ideas for the convention. One of those ideas is a "**CLUB REBATE PROGRAM**", which will benefit both the District and your Club. The more ads you sell, the more money your club will receive back from the District. This can be a new source of income for your club without any additional work on the behalf of your members. You need simply to go out to the businesses in your community and see if they would be willing to buy an ad in the District 1-A Convention Program.

The program is simple, for every ad your club sells, a dollar amount will be returned to the club depending on the size of the ad. You still can sell the ads for any price you would like as long as the District cost is met. In other words, you can use the District Ad Book as a fund raiser for your club. Also, for each half page you sell, you will get a chance at winning one of the four paid (\$50.00) tickets to the Cash Raffle drawing on Sunday Morning Breakfast. A full page will get you 2 chances.
