Lions Super Bowl Square Rules—2011—February 6th—

Cost: \$100.00 per square

Payout: \$5,100 of proceeds shall be distributed as follows:

- \$600 for score at end of first quarter
- \$650 for score at end of the second quarter
- \$650 for score at end of the third quarter
- \$700 for score at end of the GAME

Subtotal: \$2,600

The remaining \$2,500 shall be distributed as following:

--\$125 to the reverse square score at the end of the 1st, 2nd and 3rd quarters and at end of the GAME (total \$500), (if the winning score has identical digits—1 and 1-- then a 1 will be added to the home team score and then all other rules will apply.
and

--\$125 to the four adjacent square score -- North, South, East, and West—(not the diagonal squares) at the end of the 1st, 2nd and 3rd quarters and at the end of the GAME (total \$2,000).

NOTE: A winning score cannot repeat as a winner—if such a circumstance occurs then the reverse score for that quarter shall become the winner as well as its adjacent squares. If the winning score that repeats has identical digits—1 and 1-- then a 1 will be added to the home team score and then all other rules will apply.

Subtotal: \$2,000.00

Grand Total Pay out: \$5,100
