2012 Spring Chicago Children's Clinic is coming and we would like you to join us in the fun and excitement. Our goal is to give free eye exams and glasses to 4,000 children from Chicago Public Schools. The clinic will start on April 23rd, 2012 and finish on May 4th 2012. Chicago Children's Clinic site will be at **the Princeton School at 5125 S. Princeton Chicago IL. 60609**. Our goal is to have 300 volunteers to help out during two week period at each clinic station. A key element in having a successful clinic is the involvement of **Lions Club/Vision First, CCIS, CPS, Unite for Sight and Luxottica Retail brands volunteers**. The clinic can not work without your time, effort and heart. You will come away from the experience knowing that you have helped make a difference in the lives of others and in your community. Friends and family members are welcome to participate.

A clinic is much more than giving the Gift of Sight. It is also a gift for each volunteer. It is an opportunity to develop new skills, work with associates and doctors from other stores, learn about people and cultures different than your own and grow your hearts by helping these less fortunate within our community.

Remember that you can be trained in just few minutes to do about any job during the clinic. What an opportunity to try new things!

It is important that you understand our expectations of you as a volunteer.

1. You are expected to be there when you are scheduled to volunteer. We encourage you to work a whole day if possible if you can't stay all day please indicate time and day you will be able to participate (**associates volunteer their time**). The clinic starts at 8:00 am and usually ends at 3:00 pm. We expect you to be there at 8:00 am for orientation, training and set-up procedures. Lunch and beverages will be provided. We expect you to stay until the clinic is over, clean-up Of equipment.
