

*We know that everyone has their favorite recipes and we want them to be included in the new District 1-A Cookbook. This Cookbook will be a fundraising project and it is hoped to have it ready in time for the District Convention at the end of March. So, please participate and see your name, your club and your favorite recipes in the stars! This cookbook is not just for women who cook but also for men who take a turn in the kitchen!*

*Deadline for Recipes: February 20 to either:*
