This year's program will be a tutorial from Lions and Guests who have successfully participated in Candy day planning, including underwriting, street corner and store front collections. We wish to REVIVE the excitement and vigor of Candy Day in District 1-A. Please be prepared to join in and express your tips on this important fundraiser for the Foundation and our Lions Clubs. If you have any issues or questions with this process please call and I will do my best to help you, Lion Frank Kirar, LIF Trustee

### Pre-Ordered Candy Will Be Available For Pickup At The Jamboree

Please use the order forms that were sent to your club from the Foundation. Copies of your order will be sent to us (District 1-A Trustees) by the Foundation. We have the same candy as last year. The candy is a small packet of sweet-tart like product. The packets are nicely marked and should be effective in our fundraising efforts. Each case has 300 packets in it (not the 600 as the past roll candy had). **Each case is \$40.** Remember that you are getting less in a case. Ordering more might be wise. However, order what you will realistically use.
