

# District 1A Serves

2018-2019 Service Activity Report

YTD as of 26 November 2018

## By the Numbers

To date, **55 percent** of clubs have reported service activities this Lion year

The numbers don't lie – we are doing some amazing work in District 1A! **Let's keep it up!** Let's tell our story by continuing to report your club's service activities.

## Why service reporting matters

**Increase our membership.** People want to participate in real, visible change. Service reporting allows Lions clubs to continually engage in their communities, tell their story more effectively, and ultimately grow their member base.

**Recognize and reward.** When Lions report service, they become eligible for a number of service awards. From Centennial Service Challenge patches to Leo Awards, rewards recognize the hard work of Lions and motivate them to continue striving for excellence.

**Pave the way to partnership.** Service reports provide tangible evidence to prospective partners of Lions International's global engagement and impact. These relationships strengthen the organization and yield benefits at the local level.
