

District 1A Governor  
Joni McMillan's  
Monthly Newsletter  
October 2019

**Message from Governor Joni McMillan:**

**Fellow Lions & Leos of District 1A:**

**Hello Lions!**

Can you believe that summer is already over and Fall is here. Even though the leaves are beginning to fall, our Lions Clubs are not, we are growing! I have inducted many new Lions over the past few months. According to Lions Clubs International (LCI), only 58 new members have been added to our District since July 1, 2019, however, I know that there are more new members that have been inducted. Lions PLEASE send your new member information into LCI and enter your new Lions into MyLCI. I know many of you are having difficulty with entering in your service activities in MyLion. MyLion has had many glitches and

LCI has fixed a lot and is still working on them, so please don't give up. Keep on entering your service!

Candy Day will be here before we know it. Let's try to beat last year's records! Remember, this is also a potential for bringing in a new Lion! When someone asks you what we do, be enthusiastic when letting them know; ask them if they would like to attend one of your meetings to see for themselves.

If your club hasn't already scheduled your Governor's Visit with me, please contact me at GovJoniMac@gmail.com so that we can get that set up. Get a couple of clubs together and do a joint visit. I would love to visit your clubs.

Have a ROARING October Lions.

Governor Joni McMillan

If your Lions club, district or multiple district has a foundation, which is a separate legal entity, the appropriate form will need to be filed as well.

## Lions Clubs International Foundation Campaign 100 eNewsletter

### From Past International President and Campaign 100 Chairperson Dr. Jitsuhiro Yamada

How nice to see so many of you in Milan and to hear beneficiary stories made possible through doing *and* giving. Such stories sharpen our focus, evoke great emotion, and spur donations. To grow our US\$120,326,307 in funds raised (surpassing our US\$110 million 30 June goal), invite others to tell their stories.

### It's Year 2 — the Year of Story-Telling

LCIF Chairperson Gudrun Yngvadottir reminds us "Through stories, we connect and learn. And when we share these stories with others...we multiply our capacity for change." Our world needs change *and* needs Lions to create that change. As we begin Campaign 100's year of story-telling, encourage your Lions to share uplifting, inspiring stories of service.

## Doing *and* Giving — Heartfelt New Video

LCIF's new *Doing and Giving* video beautifully illustrates how we:

- Volunteer to serve our communities
- Give to improve our world now and for generations to come
- Empower our service by doing both

Watch as Lion leaders and beneficiaries articulate what LCIF means to them. Then share this moving three-minute video with your Lions.
