

District 1A Governor Marilyn McLean's Monthly e-Newsletter

OCTOBER 2020

Hello Lions and Leos of District 1A

I hope you and your families are safe, healthy and staying positive. I can't believe that Fall is already here. Enjoy the weather while you can.

On September 12th, I attended our second MD-1 Council of Governors meeting in Springfield. We had a very productive meeting and everyone was so excited to see each other in person! Thank to PDG Austin D'Souza for the wonderful group photos - everyone looks awesome!

Connect with your Community
In these challenging times, Lions continue to serve safely by making such a big impact in people's lives, but we need to tell our story. There are many ways you can reach out to your community to let them know your clubs are helping in your communities:

Social Media - Share your stories through your club's social media

accounts.

Don't forget to use the hashtags #District1AServes and #We Serve to inspire Lions.

Public Relations - Leverage local media within your communities to help tell your story.

Serving Safely - Visit the newest resource page for tools and resources to help you serve safely in your community so you'll have even more good news to share.

Stay tuned for additional information on how to market your club coming soon.

Don't forget to report your Service Activities and Membership Let's stay strong and connected with our communities. A friendly reminder to report your Service Activities on MyLion and Membership on MyLCI. Our District GST Coordinator Lion Richard Castillo will be scheduling another MyLion Service Training session in case you missed the first one. Stay tune for the invitation and registration information.

Campaign 100 - LCIF - Empowering Service. When it comes to giving, I encourage you to support LCIF, our foundation.

LCIF is the only global organization 100% dedicated to supporting Lions in our communities. LCIF has been making an impact for more than 51 years. Donations can be made through the LCIF website (lionsclubs.org/donate). See pledge form for other methods.

Lions are finding ways to serve safely in time of need.

District 1-A launched its Virtual Hunger Campaign/Service Project. We are partnering with the Greater Chicago Food Depository to alleviate hunger in the Chicagoland area and the surrounding suburbs. Every \$1 can help provide three meals. I am appealing to all the clubs in District 1-A to participate in helping reach our goal. For more information please visit:

<https://www.myfooddrive.org/drive.php?4afd015224>. Your support of this campaign is very much appreciated.

The Stickney-Forest View Lions Club held its Annual Lions Run For Hope 5K Run/Walk Event on Sunday, September 27th. This year, participants were required to register online and adhered to all safe distancing practices and health safety guidelines. Lion Brian and I participated and were happy to see our fellow Lions from different clubs there too. The weather was beautiful and the event was successful.

The Chicago Bayanihan-Sampaguita Lions Club is registered to volunteer at the Greater Chicago Food Depository on October 3rd when they will help repack food to be distributed to the needy people in Chicago and surrounding areas. Due to COVID-19, only 10 members of the group are allowed to participate in the session. Onsite health and safety measures and social distancing will be enforced.

Celebrating Club Charter Anniversaries

I would like to extend my congratulations to the following clubs, who are celebrating Charter anniversaries this month.:

Thornton Lions Club:

70 years on Sept 23

Palos Lions Club:

71 years on Sept 25

Chicago Windy City:

12 years on Sept 25

I look forward to visiting with your club, either in person or virtually. Send your request for your Club's Governor's Official Visit to:

GovMarilyn1a@gmail.com

We're in this together. Thanks for reading!

DG Marilyn McLean

District 1-A Governor

GovMarilyn1a@gmail.com

Hello District 1-A Lions, where has the time gone, it's already Fall. I hope you, your clubs and your families are doing well. So, what I am writing about this month?

As First Vice District Governor of District 1-A, I am required to participate in numerous training classes as I prepare for being Governor next year. These classes are required by Lions Club International, MD-1 (IL) and District 1-A.

From the International perspective, I am currently taking on-line courses and will be getting additional assignments in the following months where I will have to submit goals. In February 2021, I will be taking an intensive 4-day training class in St. Charles with all the Governor-elects from all over the world (Approx. 750).

In mid-November I will be Springfield for 3 days Governor-Elect training provided by our MD-1.

As far as my District Governor training, I am expected to actively participate with the District GAT, especially the GMT (Global Membership team). Additionally, I am expected to plan and execute our annual Mid-Year Forum.

Sounds like a lot, but when you break it down into small pieces, it is not so over whelming.

Let's talk about the Mid-Year Forum

All Together Again (I HOPE!)

First and foremost, every precaution regarding COVID-19 will be taken to make this a safe event. Masks will be required, when not eating. A New Orleans style breakfast will be provided. All servers will be masked and gloved. Seating will provide the necessary social distancing. This is a large venue that will allow us to comfortably spread out. If you

have further questions regarding this, please reach out to me.

Date: January 16, 2021

Time: 9:00 AM – 1:00 PM

Location: Chuck's Café Darien
8025 South Cass Avenue
Darien, Illinois

Costs: \$22.00 Sign me up for credit cards and checks can be sent to me. Watch for further information.

I will be changing it up a bit this year. There will be no EXPO, but instead a Service Project. The Service Project is for the South Suburban Crisis Center. This Center helps both Men & Women who have been abused. I will provide a specific list of their needs at a later date, but typically it will include toiletries. These items will help the everyday needs for their clients.

Of course, there will be my famous raffle and 50/50 pot.

Who will be our speakers?

1. Ann Vinyard - Ann spoke at our last State convention. Her topic is how following a Gluten-free diet

eliminated all of her MS symptoms. It's quite a story.

2. Retired Orland Park Police Chief Tim McCarthy - His topic will be policing in the 21st Century. You may not be aware, but Chief McCarthy is a former Secret Service Agent and was wounded when an attempted assassination was made on President Ronald Reagan.

3. SVDG Daniel Elkins from Delaware - He is member of the Young Lions Task Force and also spoke at the virtual US Canada Forum. He will be speaking about cultures, diversity and post Covid-19 ideas for service projects.

Someone said to me that the speakers I have chosen do not follow along a same central idea or theme. That's correct, kind of like, life. The speakers that I have chosen are people I have met over the years, who I have heard speak and found to be interesting and timely. So maybe my theme for this event is Potluck.

I hope you will join me on January 16, 2021 for our annual District 1-A Mid-Year Forum

See you around the District,

Lion Gail Anton
First Vice District Governor

Fellow Lions,

As mentioned in my most recent newsletter article, one of my goals for the District this year is to partner with the Greater Chicago

Food Depository to help expand the capacity of their Prepared Meal Program through a virtual donation campaign.

Let's rise to the challenge!

We're asking each Club to make an online donation of \$350. Through the LCIF Hunger Pilot Grant program, your club's donation will become \$1,050!

There are two additional ways the Lions of District 1-A can help support this important program:

Using the attached images, share the link (<https://www.myfooddrive.org/drive.php?4afd015224>) to the campaign through your Club's social media

accounts (Facebook, Instagram, and Twitter).

Encourage your club members to share the link on their individual social media accounts.

About the Food Depository

The Food Depository works to bring food, dignity, and hope to our neighbors, by acting as the hub for a network of more than 700 food pantries, soup kitchens, shelters, and programs that provide food where it's most needed and addressing the root causes of hunger. View this short video to learn more about the Food Depository.

Thank you for your help with this important service project. Together we can help alleviate hunger. Every donation provides nourishing food for our neighbors at risk of hunger, and support to the more than 700 local pantries and programs in our area.

District 1A Governor Marilyn Mclean

Help us expand the capacity of the Greater Chicago Food Depository prepared meal program. With a matching grant from Lions Clubs International Foundation (LCIF), your \$25 donation becomes \$100.

Watch Social Media to observe what other Lions Clubs are doing to serve those in need. There are some very innovative things happening and they are sharing them so you

Global Membership Team Coordinator News

By GMT Coordinator Daniel O'Reilly

Membership

Club membership is vital to the success of your club. Be respectful to the fact that not every one of your members is comfortable to get together for meetings and fundraisers alike. You also need to realize that there are some members comfortable and they would like to be out there serving the public safely. If you dismiss those Lions, you're going to lose them.

might get an idea off their projects. The one thing to remember is why a person became a Lion, allow them to serve safely when they are ready.

Guiding Lions Training

The Guiding Lion Program is designed to assist clubs that are newly chartered, established or determined as priority designation. Guiding Lions are assigned for a two-year term by the district governor in consultation with the sponsor or established club president. Guiding Lions are limited to serving no more than two new clubs at any point in time.

Currently, in the District we have eleven (11) Certified Guiding Lions. There are also many Lions certifications that have expired recently. District Governor Marilyn McLean wants to invite Lions interested in becoming a Certified Guiding Lion and help the District.

The training will be held in-person on **Saturday, October 24, 2020**. Depending on the number of Lions attending the training, we might have to teach the training session virtually. Won't you consider helping the District?

Region Chairperson/Zone Chairperson Training

The second of four training sessions entitled, **Zone Goal Setting and Action Planning**, will be held virtually on **Thursday, October 29, 2020**, at 6:30 p.m. The session is scheduled to last 2 1/4 hours. All-Region Chairpersons and Zone Chairpersons are invited to attend. If you have any questions, do not hesitate to call me at (708) 865-7042 or email at thomas.elsey@gmail.com.

The Zone Goal Setting and Action Planning session is an in-depth exploration of SMART Goal Setting and Action Planning. Participants will have the opportunity to work with goals they have for their zone and district.

New Club Development

We are working to develop two new clubs in District 1A at present. The first one is a specialty club, "Chicago Nurses for Diabetes", if you know any nurses in our District that would be interested in being part of this club. Please contact me (jointhelionstoday@gmail.com)

The second area started is the "West Loop Lions Club". Again, if you have any family, friends or work associates from this area please forward their contact information to me. (jointhelionstoday@gmail.com)

Both clubs have active interest in becoming part of our association and we continue to develop them.

Where there is a Need, There is a Lion. There is more need in our communities than ever. Just Ask, there are individuals that want to serve.

New Member Orientation Training

The next New Member Orientation will be offered virtually on **Saturday, October 17, 2020**. Further details will be emailed to the district allowing self-registration for the training.

While the training is designed for new lions and their sponsor/mentors, all interested Lions are invited to attend a session. The anticipated time needed for the training is 1 1/2 hours. A Q&A session at the end of the training will be held. Tentative Instructors for this training will

New Member Orientation Facilitator/Instructor Training

Training for those Lions interested in bringing new Lions up to speed with what Lions do are invited to this training session to help prepare you to conduct a New Member Orientation training session on your own. The session will be held virtually on Thursday, November 5, 2020 at 6:30 p.m. The session is scheduled to last 2 - 2¼ hours. All Region Chairpersons and Zone Chairpersons are invited to help provide the training for new Lions in our District. If you have any questions, do not hesitate to call me at (708) 865-7042 or email at thomas.elsey@gmail.com.

This session will be used to discuss the outline of the course, teaching tips and customization that can be done to make the training more effective for the participants. We will practice a short section of the presentation to develop a comfort level with the when giving the training. Course materials will be shared prior to the training session.

Global Service Team Coordinator News

By GST Coordinator Richard Castillo

MyLion Service Training

This past month we had about 21 officers participate in our first MyLion training that took place on Wednesday, September 23rd, 2020. Another session will be scheduled near the end of October 2020 for those that missed the first session. The purpose of these sessions is to help increase service reporting, by assisting clubs by walking you through how to use MyLion for reporting service, donation, and fundraiser. Keep your eye out for the registration and invitation will be going out shortly.

Update on the Greater Chicago Food Depository Virtual Campaign/Service Project

Since District 1A launched its Virtual Hunger Campaign at the beginning of September we have had already five clubs who've participated, with their donation we achieve 6% of our goal. We still need your help as we work with the Greater Chicago Food Depository (GCFD) to alleviate hunger in the Chicagoland area and surrounding suburbs.

Please consider making a contribution to helping us reach our goal. Check out our District 1A Lions Club-Campaign: <https://www.myfooddrive.org/drive.php?4afd015224>.

Please share our virtual campaign with your family and friends as well as your networks on Facebook.

We are encouraging each of the regions, zones, and clubs to **volunteer**. Here is the link to view the Greater Chicago Food Depository volunteer calendar and details to know: <https://www.chicagosfoodbank.org/volunteer/>.

They are currently limiting the number of groups to 10 people in compliance with the CDC in maintaining social distancing. If you have more questions or need assistance with organizing time for you and your group to volunteer, please feel free to let me, Lion Richard Castillo, District 1A GST Coordinator.

Or contact, Ida Kutechko, GCFD Sr. Volunteer Engagement Coordinator at ikutechko@gcfd.org or 773-648-4927.

Since March, the Greater Chicago Food Depository is providing twice the amount of food to those in need. The district is working to organize a virtual fundraising campaign and detail to come out soon.

Greetings District 1-A Cabinet Members, Can you believe its already a new Lions year? I hope all of you and your families are healthy and safe.

Over the last few months of the quarantine I have sent some emails out to the District regarding the saving of plastic grocery bags. I have partnered with IPDG Anne Ragsdale fro District CN (Southern IL) to collect these bags so that plastic mats can be made from them for the homeless. It takes approx. 450 bags to make a mat. IPDG Ann has the loom to weave the plastic bags into a mat. IPDG Anne needed more bags, and I thought what better way contribute while in quarantine but to save our grocery bags.

So now that we are having a LIVE cabinet meeting, what better time to have you bring these bags to the cabinet meeting so that I can collect them from you and then make plans for a road trip to Southern IL to drop off these bags to IPDG Ann.

Please take your bags and flatten them out and then place in one bag. You can fit 25-30 bags in one bag. This will help when transporting them.

Also please remember to add this service activity to My Lion for your club. Your secretary can enter this information for you

Include the following:

1. Service activity name District 1-A Bags for Beds.
2. Approx. number of bags collected.
3. Please also note that this will be considered a Environmental service activity.

If you have any questions, don't hesitate to contact me.....

Please note, Phase 2 of this project will be to bring this project to the Chicago area. More on this later.

Look forward to seeing you all at the Cabinet meeting on August 8, 2020 (Four Points Sheraton).

PDG BOB ZAVORKA NO MORE

Past District Governor of District 1A
Mother District of Lionism, Robert "Bob"
Louis Zavorka, 84, passed away
September 17, 2020 at Bristol Park
Memory Care where he was a
community resident for the last four
years. A native of Downers Grove,

Illinois, he was the son of the late Louis
J. Zavorka and Doris Pearl England
Zavorka. He attended Downers Grove
North High School graduating in 1955
and graduated from Heyer Electronics
and Mobil Oil Corporation Management
School.
He began his career with International
Harvester exporting their equipment

around the world. In 1960 he and his brother Ray Zavorka opened Bob and Ray's Mobil Service Station in Countryside, Illinois which he owned and operated for 25 years.

His interests included Lions Club pin trading, coin and stamp collecting and treasure hunting with his metal detector. He also enjoyed bowling, golf and traveling to Las Vegas and various casinos to play the slot machines. He was a member of the Lions Club for 52 years and served in various capacities culminating as Lions District 1A

Governor and Lions of Illinois Foundation President.

Bob also loved to travel, attending annual Mobil Conventions in Las Vegas and the Lions International Conventions including Thailand and South Korea. He attended Lions Club trading pin swaps across the country and Canada.

Bob always loved automobiles. He was a Ford man through and through and enjoyed Mustangs and restoring his pair of 1957 Thunderbirds.

He loved Scouting starting as a Cub Scout and finishing as an Explorer Scout. In high school he played basketball and ran track, but his biggest love was baseball. He was a lifelong fan of the Chicago Cubs and cried the day they finally won the World Series in 2015.

His biggest joy in life was getting things done whether it was finishing his basement, or fixing something that was broken. He loved being in charge. He served on countless committees and school boards making a difference in his community.

Bob is survived by his brother, Ray Zavorka (Mary Ann); his children, Terrie Boyd (William), Julie Finan (Phillip Staines), Scott Fisher (Jacqi), Debra Zavorka (Jason Reno); twelve grandchildren and eighth great grandchildren.

Dear Lions Clubs,

Candy Day 2020 is scheduled for October 9 and 10, 2020, and we are excited for this important event! Candy Day is a significant source of fundraising for the Lions of Illinois Foundation ("LIF"), and the revenue from this event is critical to sustaining LIF's services for visually and hearing impaired individuals throughout the year. We appreciate your participation and support!

By now, your club should have received information concerning how to host a traditional Candy Day event, which is conducted similarly to years past, and a nontraditional Candy Day event, which is conducted virtually and/or with limited in-person interaction. The decision whether to host a traditional or nontraditional Candy Day event rests solely with each individual club. LIF supports each club's decision and remains ready to help. **Please understand that the safety of our Lions and our community remain the top priority for LIF.**

If a club chooses to host a traditional Candy Day or any other in-person fundraising event, **all Candy Day and fundraising event volunteers must be informed of and comply with the following requirements.** All volunteers must:

- Stay home if feeling sick or if they experience any COVID-19 symptoms in the 14 days prior to Candy Day or other fundraising event.
- Stay home if exposed to an individual who was diagnosed with COVID-19 or is under medical supervision to determine whether he or she has COVID-19 in the 14 days prior to Candy Day or other fundraising event.
- Wear a face mask at all times.** The face mask must cover the individual's nose and mouth at all times. The use of face shields in addition to face masks is also recommended.
- Avoid shared items. Each volunteer must have his or her own donation bucket and supplies.
- Wash hands with soap and water or apply hand sanitizer at least every 30 minutes and:
 - Upon beginning and ending solicitation and after any break
 - After using the restroom
 - When hands are visibly soiled
 - After coughing, sneezing, using a tissue or touching the face
 - After eating or drinking
 - After handling a cell phone.
- Avoid touching his/her eyes, nose and mouth. Do not spit.
- Cover his/her mouth and nose with a tissue when coughing or sneezing or use the inside of the elbow when a tissue is not available. Promptly throw used tissues in the trash.
- Comply with social distancing requirements, including remaining at least six feet apart, when possible.

2254 Oakland Drive, Sycamore, Illinois 60178
Phone 815-756-5633—Fax 815-748-9087

Additionally, a club may choose to implement the following measures, which are designed to limit in-person interaction during a traditional Candy Day event:

- Set up a table where volunteers can display a donation bucket and candy while remaining socially distanced from donors.
- Put up a plexiglass shield or barrier at a table to separate volunteers and donors.
- Consider creative ways to promote social distancing. For example, one volunteer used a lacrosse stick to hold out a donation bucket to ensure social distancing between the volunteer and donors. He did not pass out candy to donors and still raised valuable funds for Lions!
- Encourage online donations.

It is important to remember that public health guidance is continually changing, and each club is responsible for keeping abreast of any changes. Additional health and safety information is available here:

The Centers for Disease Control at <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/prevention.html>.

The Illinois Department of Public Health at <https://www.dph.illinois.gov/covid19>.

In these challenging times, all fundraising efforts are critical to LIF.

Together, we can ensure that Candy Day 2020 is a safe and successful event for all.

Please contact LIF if you have questions or need assistance: LIFoffice@lifnd.org

Thank You for all that you do and Thank You for thinking "out of the box" for your upcoming fundraisers.

Sincerely,

Trish Fisher

Trish Fisher
Executive Director
