

District 1A Governor Marylin McLean's Monthly e-Newsletter

JULY 2020

Fellow Lions & Leos of District 1A:

We have our new governor duly inducted by our Lions Clubs International President Dr. Jung-Yul Choi. Our new governor Marylin McLean hails from Chicago Bayanihan-Sampaquita Lions Club. She will be our third Filipino American Lion who will be decorating the chair of District 1A Governor. As we cancelled our District Convention in the month of April, we missed all the fun

and celebrations of our District. Since March 2020 we are holding some of our very important meeting virtually. That is the only way currently we can hold our business and communicate with Lion Leaders globally due to pandemic COVID-19.

Currently we have new Cabinet Secretary Treasurer Lion Andy Liama ga. He has experience in the past as District 1A Cabinet Secretary/Treasurer and we are sure that he will handle District 1A business professionally.

I would like to inform you that please send your flyers of your club events to his e-Mail address: flipbanker@aol.com so that he can send your flyers to District officials and club presidents and secretaries. Also copy to District 1A Governor's Newsletter editor PDG Dr.

Austin D'Souza for the publication of events in District and State magazines.

Communication plays a major role to make our events successful. Even though at present we do not have any face to face meetings or gatherings, if we do something virtually please notify your fellow lions members in the district and make aware of your club events to all clubs in our District 1A.

It is very critical that we only through communication we gain members, and funds. Now entire world is going digital to communicate. We too can make use of this media to spread the word.

We have planned very interesting and wonderful programs internationally and also locally. With your help and support, we are very sure that the success will be ours to celebrate during our District Convention in March, 2021. We are sure that by that time Pandemic COVID-19 will disappear from the earth and all of us will come back to our original life of fun and serving the needy.

Even though due to pandemic many people lost their jobs, our members are active in their clubs. We need more members to join our clubs so that we can raise Lions flag high. It is a great opportunity to work as lions to spread North America Lions Initiative programs through out North America and show

the world that we are not behind and we are going forward with increased new members.

This is an opportunity to start new clubs with new mission, new vision and new thoughts. Our District 1A Membership Chairperson PID Dan O'Reilly will give you a helping hand with his new ideas to grow. He is already working on building new clubs with his dedicated friends in our district and we wish him good luck in his mission of growth.

Second important thing is Campaign 100. Currently we have new LCIF chairperson, Immediate Past District Governor Joni McMillan. Our district is far behind in this race and now is the time to catch up and show our strength. Our district received more grant money than we contributed to LCIF in the past. We had several projects conducted using LCIF grant money. When LCIF becomes stronger, we can have more projects in our district with matching grants. Now district lions, please pitch in to make Campaign 100 a successful worldwide campaign. Become a Model Club and show your members' pride.

I request all District Chairpersons to come forward and send their articles to this Governor's Newsletter and communicate with district members.

Meet you again in August, 2020. *****

Dear Lions,

The announcement of the new Cabinet Secretary/Treasurer and District Chaplain is normally done at the convention. But due to the cancellation of District 1-A Convention this year, I would like to take this opportunity to formally announce our two hardworking Lions from FIL-USA Lions Club. They will be part of my Executive Team for the LY 2020-2021. Please join me in

congratulating:

Lion Andy Liamaga
District 1-A Cabinet
Secretary/Treasurer

Lion Dave Hermann
District 1-A Chaplain

Thank you. Stay safe and healthy everyone!

Regards,

Lion Marilyn Mclean

A letter from your chairperson Gudrun Yngvadottir

Dear Lion,

Together, we are rising to the challenge of fighting the effects of the coronavirus (COVID-19). To date, LCIF has provided more than US\$3,500,000 to COVID-19 relief efforts. Lions everywhere are supporting communities near and far with messages of hope and donations to Lions Clubs International Foundation (LCIF) — your foundation. However, Lions embody service. During this time of social distancing and stay-at-home orders, it can be a challenge to wait until it is safe to participate in responding to the need of your community. We have to be creative in how to serve in these times, and I wanted to offer you an idea.

Have you created a LCIF Facebook fundraiser yet?

If not, please consider adding this to your social distancing activities. They are easy to create and can be built at any time to help generate funds for LCIF's important humanitarian efforts around the globe.

[Here is an Easy, Step-by-Step Guide](#)

When a donation to LCIF is made through your fundraiser, 100% of funds will go to our global cause programs to increase Lions' ability to serve the world.

I hope you consider serving your community in this unique way. Until we can all serve again, stay safe.

In friendship,

Gudrun Yngvadottir

When you chip in to help area charities, you can win some great prizes. But your favorite charity will be the real winner. That's because participating charities receive every single penny of the donations from this program, plus a bonus from the Birdies for Charity Bonus Fund which is a guaranteed 5% match.

HERE'S HOW IT WORKS

Simply make a one-time flat donation OR pledge one cent or more per birdie. After the tournament, you'll be mailed a notice of your pledge amount due.

To enter the contest, guess the number of birdies that will actually be made by PGA Tour Pros during the tournament, Wednesday through Sunday. A grand prize will be given to one person who guesses the correct number. In case of ties, winners will be randomly selected.

KEEP FOR YOUR RECORDS

Your pledge is based on actual number of birdies scored.

Dear Lions Members & Friends,

The Lions of Illinois Foundation partners with Spectrios Institute for Low Vision, the Illinois College of Optometry, and the Chicago Lighthouse for the Blind to provide a FREE comprehensive visual evaluation to Illinois students in grades K-12.

Students are referred by special education staff employed by the Illinois Board of Education. The exams are performed by licensed optometrists that travel to the different screening locations throughout the state.

Other components of the program include:

- Referring parents to vocational counseling
- Braille reading instruction
- Orientation and mobility training for child
- Adaptive technology training

The LIF "Seeing is Believing" Low Vision Program for Students provides a visually impaired child with the optical tools and training necessary to help prevent further vision loss or even blindness. But more importantly, these are the children we have promised to help by preserving what sight they have left. Their future is in our hands.

Seeing is Believing Mascot, EL-Vee

In 1991 Lions made a pledge to the children of Illinois.

We believe that no child needs to face blindness as their future.

Please help to preserve that pledge with your donation.

Enclosed is our check/money order to sponsor _____ student(s) at a cost of \$290 each.

Included is the cost of a vision screen & any optical tools youth are recommended or prescribed by the optometrist.

Camp Lions Camp East Bay Update

Greetings Camp Lions Family and Friends,

We received this information from our East Bay Camp Lions Partner today, *see message below and official letter.*

-What does this mean for Camp Lions Summer Camps?-

We will NOT be having summer camp for the following East Bay Camp dates:

July 5th thru July 11th

July 12th thru July 18th

July 19th thru July 25th

We will keep you posted with information concerning our June and August Camp Dates as direction becomes available from the CDC as well as the Governor of Illinois J. B. Pritzker.

"Hello Friends,

We hope this email finds you safe and healthy. Today we are announcing that due to our current COVID-19 pandemic and our desire to keep camp as safe as possible for all campers and staff we are canceling our summer camp season for 2020 through August 1st. This includes all IGRC programs and Guest Group Rentals at all of our sites (Beulah, East Bay, Epworth Journey, and Little Grassy).

Obviously, this is not what we had hoped or planned for. We are disappointed and grieving this decision as we are sure you are. Our hope is that the God that impacts so many lives at camp will continue to show us the way ahead through this difficult season.

Each of you is in our thoughts and prayers through this challenging time. I know this is not what any of us had hoped for, but we will regroup and be back strong next summer. If you have any questions or concerns please let us know.

Blessings,

Patric

The Melvin Jones Fellowship Program

The Melvin Jones Fellowship Program is a generous way to show commitment to the humanitarian work of LCIF.

The MJF Program was established in 1973 in honor of Melvin Jones, the founder of Lions Clubs International. The MJF program recognizes donations of US\$1,000 to Lions Clubs International Foundation (LCIF).

New MJFs receive a pin, commemorative plaque and a letter from the LCIF Chairperson. If the donor so chooses, he/she may use their donation credit to recognize another individual with a MJF.

The Progressive Melvin Jones Fellowship Program

The Progressive Melvin Jones Fellowship (PMJF) provides an opportunity to advance in the Fellowship program. For each subsequent donation of US\$1,000 beyond the initial MJF donation, donors receive a unique PMJF pin in accordance with their level of giving. Like MJFs, donors can recognize another individual with PMJF donations.

Areas of Giving

Lions Clubs International Foundation (LCIF) will now be able to help more people than ever before by making an even greater global impact with a focus on vision, youth, disaster relief and humanitarian work. Donors will receive MJF and PMJF credit when directing their support to:

- *The Empowering Service Fund*
- *The General Disaster Fund*

Empowering Service Fund: Any of LCIF's causes (sight, youth, disaster relief, humanitarian support, diabetes, childhood cancer, hunger, the environment).

Disaster Relief: Enables LCIF to direct the funds to the area's most in need following disasters to provide for immediate, mid and long-term relief. The Foundation will be able to immediately provide funds for large-scale disaster relief, rather than collecting and distributing funds over a period of weeks or months.

Did you know...

Districts, clubs and individuals can donate to LCIF through the Melvin Jones Fellowship Program, but only an individual can receive the recognition. MJF applications using collective donations from multiple donors must be accompanied by written consent from all donors to use their donations for MJF recognition for the individual specified on the application.

Melvin Jones Fellowships can be named in honor or in memory of an individual.

Melvin Jones Fellowships do not need to be paid in full at one time; minimum installments to LCIF of US\$100 can be paid over a five-year period to total US\$1,000, at which time the MJF Application is completed.

Complete the MJF application on reverse side or download from www.lionsclubs.org and submit with payment. If MJF payment has already been credited by LCIF, you can submit the MJF application online under the Ways to Give section at www.lionsclubs.org.

Lions of Illinois Foundation Key Recycling Program

How many keys do you have in your pocket?

Five, six, or....more? Do you know which key fits what lock?

If you are like most Americans you carry between 10 -12 keys in your pocket or purse. That is a lot of metal to tote around, especially if the keys are no longer used. And what about all those keys in the bottom of the junk drawer at work & home?

We have the perfect answer;

Donate your used keys to the Lions of Illinois Foundation!

By recycling used metal keys additional funds can be raised to operate services to the hearing & visually impaired in Illinois.

This benefits:

Comprehensive Low Vision Programs for Youth

These LIF programs serve a highly vulnerable population of youth that often cannot afford screenings, specialized diagnostic services, eyewear, optical devices, & additional expenses for addressing challenges of growing up with moderate to severe vision loss. It is critical to reach these children during their formative years as they develop essential skills for use in school and at home.
