Executive Director, Lion Trish Fisher

Greetings Lions,

It seems as though we were hailing in the first day of Summer just yesterday and now it's already October, and with the month of October comes our Lions Candy Day. 2020 was challenging to say the least but as Lions we adapted and we persevered; we continued to move forward despite difficulties or opposition. We continue to rise to the occasion because we have accepted the responsibility to those people we serve. People like Jaxon, a second grader, who received a free eye exam, glasses and specialized vision devices through our Student Low Vision Program so he can succeed in school and at home. People like Mary who can now hear "The beginning of a joke as well as the punch line" because she received free hearing aids through our Reconditioned Hearing Program and for Amber who used to teach third grade but lost her vision suddenly. She has been receiving free orientation and mobility instruction learning how to navigate her world through our Adult Low Vision Program. These are the people we serve and why as Lions we continue to persevere. This is why during the second weekend in October we put on our school bus yellow Candy Day vests and are visible throughout our communities giving away candy and accepting monetary contributions to be used to help people with vision and hearing needs. Thank you to all of the Lions throughout Illinois, whether you're planning a Traditional Candy Day or a Non-Traditional Candy Day event, thank you for your perseverance. You continue to make a difference in the lives of the people we serve. Thank You.

27th Annual Lions of Illinois Foundation Golf Classic

In Memory of PDG, Lion Mario J. Gumino

The 27th Annual Golf Classic was a huge success. We had 36 foursomes, giveaways, raffles, great weather, and finally yet importantly a lot of fun. The outing netted \$15,000 for the Student Low Vision Program. Your Foundation wants to thank all of the golfers and hole sponsors and this year's event sponsor, Illinois Eye and Ear Infirmary/LIERI. Without each of you the outing would not have been a great success. We had many winners on the course but the real winners are the students we are helping throughout the year.

Adopt-A-Camper

Children and adults who are deaf/hard of hearing, or blind/partially sighted, share in the fun of swimming, boating, nature walks, archery, crafts, music, campfires, and more fun camp activities with friends at Camp Lions. One thing has never changed at Camp Lions is the idea of providing a safe, positive place for youth and adults to enjoy summer camp with their peers. This philosophy has given thousands of campers a chance to grow self-confidence in a fun, sports & nature program.

Please Adopt a Camper to attend Camp Lions this Summer!

By adopting a camper you insure that all deserving children and adults can experience what Camp Lions can offer them.

Your Lions of Illinois Foundation is asking every Lion, Lioness, and Leo Club to help by “adopting” at least one camper to attend Camp Lions with a **Donation of \$525 or more.**

These donations will help to defer some of the total costs associated with our Camp Lions program including lodging, food, and qualified staff, including a nurse, to care for and inspire the attending campers.

A Thank You note with a picture of your camper, will be sent to your club along with our gratitude.
If you have a specific camper you would like to adopt please include their name below.
