DISTRICT 1A GOVERNOR
GAIL ANTON'S
MONTHLY NEWSLETTER

OCTOBER 2021

insight into future leaders that are evolving within our district.

So, what does it take to be a leader? Lets first talk about the requirements for the different positions.

To become a Zone chair, the requirements are that you have been a President of your club.

To become a Vice District Governor and then Governor, you have to have been a President of your club, and a region and/or zone chair. By the way, we are looking for a Second Vice District Governor for next year.

That sounds simple doesn't it? What about the soft skills a leader needs?

Hello District 1-A Lions,

I am just completing my 3rd month as Governor of this wonderful District and I think I will continue on in October, just kidding! It has been a wonderful opportunity. I look forward to the months ahead and all the ups and downs that come with the job.

A big part of my job is to look for the future Leadership in our District. I have had the opportunity to talk and visit with many Lions and see them in action in their own communities. This offers me some

Soft Leadership skills are less defined skills that often apply not only to one specific job but are universal.

- *Communication skills: Active listeners who are open to feedback.*
- *Interpersonal skills: The ability to navigate social interactions with colleagues.*
- *Teamwork skills: Collaborating and sharing ideas, contributing to a common cause, and helping teammates achieve success.*
- *Motivational skills: Motivating and inspiring others.*
- *Analytical skills: The ability to analyze and evaluate processes and operations.*
- *Problem-solving skills: Being able to develop creative solutions to solve District/Club problems.*
- *Decision-making skills: Considering all perspectives, comparing advantages and disadvantages and projecting outcomes of making choices.*
- *Conflict resolution: Leaders need to be able to resolve issues in the District. This means developing conflict resolution techniques like remaining impartial, meeting with*

the team for a feedback session and actively listening to all individuals' points of view.

- *Empathy: Being able to approach coworkers with kindness and acceptance can inspire and foster healthy work relationships:*
- *Compassion: Working with a team requires patience, acceptance and sometimes tolerance.*
- *Confidence: Being open to improvement and understanding the value you provide.*
- *Integrity: Means doing the right thing, no matter the circumstances, and great leaders know this.*
- *Honesty: Leaders who are open and transparent in their communications with their team commonly have healthier work relationships because they inspire greater trust.*
- *Willingness to learn: Being open to learning, along with teaching and directing*
- *Delegating tasks: The ability to evaluate and pair talent with tasks accordingly is what can make leaders efficient in their jobs.*
- *Emotional intelligence: Self-awareness, mindfulness and*

intrapersonal skills are key traits of emotional intelligence.

- *Adaptability: Be flexible in your role and adapt to changes in the District are skills that are critical for growth and development as a leader.*

But what is a Leader?

Unfortunately, the concept of leadership has been misunderstood for far too long. People learn that leadership means giving orders to junior staff in an organization.

Management groups believe that leadership is about issuing instructions and demanding results.

It is disappointing that the real concept of leadership is almost lost.

Only a handful of leaders are willing to give and serve. That's exactly why we only have a few great leaders. If you are a leader right now and you want to truly have a strong influence on people, start by serving them. That's the only way to exert change and enforce positive influence.

Great Leaders Lead by Example

A great leader is a great follower first. If you don't know how it feels like to follow, then you have no right being a leader. Great leaders lead by knowledge and demonstration.

Great Leaders Teach

Teaching people can be hard. It involves a lot of time, work, and sweat. But, if you want people to be an effective leader, you need to teach. No one knows everything. But that shouldn't stop you from teaching what you do know so they can benefit.

Great Leaders Provide

A project always needs resources. Sometimes it's materials, and people. Do not just tell people what resources the project needs. Instead, do everything possible to make the resources available. We all know that the success of your team is also your success. So, do your best to serve them. You don't have to spoon-feed them. But make sure you did everything you can to make life easier for them.

*Great Leaders Inspire Others
Besides lending a hand, you should also show them love and respect. They are your peers. And keep motivating them so all of you can flourish with what you're working on.*

*Great Leaders Make Great Mentors
Great leaders, as I mentioned earlier, impart their wisdom. But sometimes some followers need more than that. They need your mentoring. If you have time and you think it's worth mentoring a person, then by all means, do it. It takes time to counsel someone. It takes, even more, time to see them adapt to your counsel. But as long as you put their best interest ahead of yours, they will become good at what they do.*

If you are interested in taking the next step, but still have questions please

don't hesitate to contact me to discuss.

AND FINALLY!

I would like to thank all the Lions in District 1-A for updating MyLion . As of June 30, 2021, we were at 39% for MyLion updates. As of today, we are at 43% for the first 3 months of the 2021-2022 Lion year. Keep up the good work. If you need assistance on how to use MyLion let me know.

Have a great October and Happy Fall!!

gg

PS the District Convention is 170days away. Please join me for a weekend of fun and fellowship with Elvis.

Greetings

I have had a busy month. I attended the Dist. 1A golf outing and the LIF golf outing. Had a great time and tolled to many great Lions. I attended the Region 2 and Region 6 meetings. Always good to hear the great work the clubs are doing. Both meetings were very well attended. Congratulations on both Regions on a fantastic job.

I did attend the Club Workshop Summit at LCI. Very informative with many ideas for club membership and retention .

USA-Canada forum on Sept.9-11 was very interesting, inspirational speeches, classes on various subjects and meeting new friends from all over the US was worth attending the Forum. Both of us – my wife and I enjoyed the forum.

Until next time,
Yours in Lionism,
FVDG Tony Zartler

2nd Vice District Governor News

By **2nd VDG Thomas Elsey**

I was able to attend the Chicago Mabuhay Centennial Installation of Officers and New Lion Members on August 28, 2021. Our District was well represented and a good time was had by all! Thank you for the invitation.

A Membership Development and Rebuilding workshop was held on August 17, 2021 at Lions Clubs International and taught by Lion Daniel Marney Elkins, a consultant for LCI for Young Lions and membership development and retention of lion members. We learned some methods that have worked in other areas and hope to have the same success here in District 1-A.

The USA Canada Forum was held in Des Moines, IA on September 9-11, 2021. There were many informative sessions and many new ideas have been brought back to the District. Some of the ideas are being discussed with Governor Gail, 1st VDG Tony, the GAT team to see which ideas can be implemented in the future for Leadership Development purposes in our District.

I attended the Council of Governors Meeting in Bloomington, IL on September 17 & 18, 2021 and received an update on MD-1 business. After the morning Council of Governors meeting, there was a GAT Summit conducted in the afternoon. GAT Leaders from the state were in attendance and able to discuss what is going on in each district and brainstorm on some ideas for the future in the areas of membership and Training for the Region and Zone Chairpersons is underway and is scheduled for completion in December. The course is taught in four sections

over the next few months via Zoom.

The Governor, 1st VDG Tony and I are meeting regularly to stay on top of all of Gail's Goals for the District. I have learned much regarding our great District and look forward to learning more from Gail and Tony.

I attended the candy Day Jamboree on September 15, 2021. The Jamboree was informative, and it was nice to see so many clubs attending. Hopefully most clubs will participate this year. As we know, Covid has tremendously affected the funds the Lions of Illinois Foundation got from funding sources and Candy Day is the largest. Please do your best to work the corners or stores and do underwriting to raise the much need funds.

I will be attending the Chicago Filipino American Lions Club Governor's Night and Installation of Officers and New Members on Saturday, October 16, 2021. IT will be Held at Hilton Chicago Northbrook

Goals

I have three goals this year, the first is to observe and learn as much as I can from Governor Gail, 1st Vice District Governor Tony and the PDG's in District 1-A.

The second goal is to get to know more of our clubs in the district. Please reach out to me if you would need any assistance with member inductions, attendance at club or region meetings, etc.

My third goal as the District GLT Coordinator is to provide meaningful training opportunities for District 1-A. Please keep an eye out for training opportunities for leadership development, new member orientations and personal development.

Enjoy Fall and all it has to offer!

Yours in Lionism

Global Membership Team Coordinator News

Membership

Please get your club working, it might be one of your fundraisers or a club service project. The clubs that our doing that, our bringing in new members.

Take advantage of the International Board extended waiver of the entrance and charter fee through Dec. 30, 2021, act now. With the present growth rate, it might end this time, take advantage of it.

Global Membership Approach

We have a positive membership growth for this entire Lions year. We have 13 clubs with a plus in membership, with 9 more clubs adding some, but their drops were greater, but trying to overcome losing members. We have a 44% increase in club showing a plus in membership this past month.

Governors Goals for 2021-2022

GMA Goal: Check in

	New Clubs	New Members From New Clubs	New Members In Existing Clubs	Member Losses	Net Growth
Goal	1	20	100	80	40
Actual			86	-50	+36

Let's work together and keep the momentum going. The more members we can add to our clubs, the more hands to provide the needed service.

New Club Development

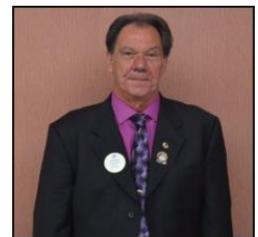

Please let us know if you have an area, you believe would make a good club. A key indicator is your club is providing a lot of service to an open area.

Membership Satisfaction – Leadership Support

The other thing to work on as a club. As you begin to serve in your communities again. Reach out to the members that left Lions because they didn't want to pay dues and not meet or do anything. Lions around the country are reporting they are having success by reaching out to their past members and are bringing them back. Into their membership rolls. One thing for sure, if you don't ask, they are gone.

Retention

Greetings:

We had a Club Membership Chairperson Retention Meeting on September 29, 2021 to discuss retention ideas for District 1-A clubs. We can accomplish this by a newsletter, email or an old-fashioned phone call to the members.

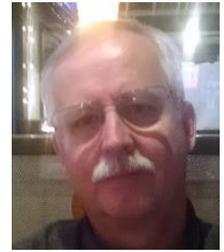

We all need to re-motivate members with fellowship and exciting service. I will recap the results of the Retention meeting in the November edition of GG's Gazette.

Until then, Yours in Lionism

Hello District 1-A Lions!

Our first District service project was a great success! The Bond School was extremely excited to receive these school supplies. Thank you Lions!

Our next District service project is OPERATION WARM HEARTS. For this service project, we would like for EACH INDIVIDUAL CLUB to find a school, church, community center, or pantry that is in need of COATS, HATS, GLOVES, and SCARVES for needy adults and/or children. This will run from October – November. Once your club collects the items, please take a picture of your club giving these items to your recipients and send them to me so we can post them in our newsletter. Also, please make sure to put this in MyLion.

I am proud to announce that we now have 41% of our clubs reporting their service projects in MyLion. This is GREAT progress! Let's keep up the great work and increase this number. Remember, even if you are just attending a club meeting, you should report this in MyLion.

Beverly Ridge Lions Club

You and a guest are invited to the 2021 Annual Bears Square Charity Event sponsored by the **Beverly Ridge Lions Club**. The event will be held on **October 17, 2021**. In light of the Corona Virus & Delta Variant, it will be a virtual event this year.

This annual event is conducted as a fundraiser to support various Lions charities in our community with special focus on causes for the vision and hearing impaired children and adults. The donation of a ticket to this community charity event is \$75.00 which has been reduced due to going virtual.

Possibility of winning some "big bucks".

Bears "BASH" is a GREAT way we support local people in need. No fundraiser was held in 2020...we need your help! to continue our good works.
