

# The Illinois Lion & Leo

MD1 e-Magazine (Lite) Vol. 10 - Issue 3, September 2022

Members of the Bartlett Lions club assisted the Bartlett Police Department at National Night Out.

## **Hello MD-1 Lions,**

Summer sure seemed to go by quickly, but MD-1 continues to be positive in membership. But, we must remain vigilant. When you attend your next club meeting look around the room and see who's missing. Maybe a phone call to some of these Lions to inquire why they haven't been attending meetings would be helpful.

Service reporting is starting to increase, please make sure you are entering all your activities into MyLion. MD-1 currently has 23% of clubs entering their service activities.

Did you know that this is the 1st Council of Governors since the Pandemic that was able to attend a live International Convention? They also are in the midst of planning their live district conventions. We took this for granted a couple years ago. It just means we are emerging out of the pandemic and learning how to live with COVID in our everyday lives.

The first District convention this Lions year is District CN which is October 14-15th and followed by District 1-M November 4-5th. All information is on the MD-1 Lions website. Why not join them. I can tell you that I have been to both of these conventions and have had a lot of fun visiting Lions from these districts and I learned a few things from their seminars. Please support your local District Conventions.

Your Council has been busy this past month:

- Progress is being made with the storage locker.
- RLLI (Regional Lions Leadership Institute) was held on

August 12-14 with 23 participants from 8 of the 10 districts in attendance.

o Kudos to our Leadership Chair IPDG Lori Chasse for a well-planned event and to Lion Terri Pasternik also a member of the faculty. I also, had the pleasure of being a member of the faculty team.

- MD-1 Long Range planning which has been on hiatus for the past couple years has started meeting. Our Chairman is PCC Joe Vinyard. And a big shout out to the committee for stepping up.

- Policy manual updates are in process.

Can you believe the State Convention committee has had 2 meetings already? PDG Barb Stewart is busy planning a great State Convention scheduled for May 18-21. If you are interested in being on the convention committee please contact PDG Barb Stewart.

I have received inquiries from Lions throughout the state regarding the flooding in Kentucky and how the Lions of MD-1 can help. I reached out to the Lions of Kentucky and was advised to contact the

president of the Hindman Lions Clubs. I spoke with Lion President Kristie Jo Sumner, who advised they need everything (Humidifiers, box fans & laundry detergent) but cash donations would be best so they could purchase many different things for the folks in her town who lost everything.

Donations can be sent to:  
President Kristie Jo Sumner  
Hindman Lions Club  
271 Liberty Road  
Sassafra, KY 41759

Additionally, donations can also be made to LCIF.

LCI recently announced that the USA Canada Leo-Leadership Foundation Forum will be held in Chicago next summer. What an exciting opportunity for our Illinois Leos. Watch for more information on this event.

Finally, remember those potential Lions you asked to join your club and they said not now. Maybe it's time to ask them again.....maybe now is TODAY.

Have a great Month!!! Have a safe & happy Labor Day Weekend!!

**Greetings Lions of MD1!**

A Message from the MD1 GMT  
Greetings Lions of MD1!

Last month I focused my message on service. I mean it's who we Lions are and what we do, We Serve! Service as a lion can take many forms at many levels. We Lions have the opportunity to serve not only our community, but

**Remind all your club secretaries to send the news and the pictures of their club events to you so that you can send them to me to the following address:**

**[ILStateEditor@gmail.com](mailto:ILStateEditor@gmail.com)**

communities around the country, and the world. This month I want to talk to you about another element of being a Lion that is vital to the engagement and satisfaction of our membership. I want to talk to you about leadership.

What is leadership? One definition tells us that, "Leadership is a process of social influence, which maximizes the efforts of others, towards the achievement of a goal". American author and speaker, Tony Robbins believes "everyone can be a leader and that there is no single answer to "What is leadership?" Leadership isn't something you're born with, but a rather a skill set that can be developed over time. Great leaders don't follow a single path or personality type. In fact, you've probably taken on leadership roles

in your life that you didn't realize at the time.

Another thing you may not have realized, is that being a Lion leader is just another form of service. As a leader in your club, district, state, or international you are serving your fellow Lions AND enabling them to do even more service for others. Without strong leaders that support and inspire other Lions, our membership loses interest, disengages, and disappears. For our clubs to be successful they need good leadership — leadership that assures that all club members feel they are treated respectfully and fairly, are valued, have a sense that they belong, and are confident and inspired. That is the secret to member retention. That is the secret to strong clubs with growing membership and a culture and history of service.

There are many tools available from LCI to help assess membership satisfaction. Your district GMT and I are here to help you choose and use whatever tools or process you need to make sure members feel they are being served. We have taken on these leadership positions as a form of service. If you haven't already, consider stepping forward and taking on a new role as a Lion leader. Think about how you might help your fellow Lions increase their service and get the most out of their Lion membership. Remember, Together We Can move our clubs forward and do better in the world. Thank you for all you already do.

**GLOBAL LEADERSHIP TEAM**  
**by Lion Lori Chassee, PDG**

GLT State Coordinator

Summer is waning and fall is almost upon us. You have had couple months to get used to your new role as a club officer. I hope you are feeling good about your club, your community and your Lions family. Whatever role you have chosen: officer, board member ,committee chair, you are all leaders. But what is leadership? Each of us believe we have a good idea about what it means to be a good leader, but when it comes to defining the concept, the picture is not so clear. For some, leadership is

motivation, for others, it equals results, for others it is inspiration. Some believe leadership is an innate skill; either you have it or you don t, while others believe that leaders are developed.

Elements of leadership include, motivation, serving, empathy, creativity, thoroughness, management and team building. One definition often used is:

**“Leadership is the ability of an individual or a group of individuals to influence and guide followers or other members of an organization.**

When you look at it that way it is not so hard really, especially in an organization that wants to support you in every way.

I hope that you have all participated in training through your District. You can also check out the Lions Learning Center classes through MyLion. There is a learning path for each position in Lions! You might also have checked out the Lions University classes that

focus on your position on the USA Canada Lions Leadership Forum website [www.lionforum.org](http://www.lionforum.org). Both of these are great resources for your leadership development.

Have you checked out the E-Books for your position? If not, please do. These electronic books can be reached by going to the Lions Clubs International website [www.lionsclubs.org](http://www.lionsclubs.org) search for "president book" or "secretary book" The book will pop up. Another trick I like to mention is simply doing a google search - type the title and add *Lions Clubs International* this will take you directly to the material. Save your book to your computer in a handy place, one you can return to

easily. These books not only have helpful instructions; they have a live link to every form and resource you may need! Go to the resource section at [lionsclubs.org](http://lionsclubs.org) and just browse. There are tools for almost every Lions function.

Remember that there are many others available to answer your questions and help you on your way. Use all of the resources to become the best leader you can be.

## LCIF Continues After 'Campaign 100'

In 1968 our Lions organization created the Lions Clubs International Foundation to "Empower Lions Clubs, volunteers, and partners to improve health and well-being, strengthen

communities, and support those in need through humanitarian services and grants that impact lives globally, and encourage peace and international understanding."

Grants are provided to Lions Clubs for assisting in natural disasters and expanding Lions Clubs projects in a growing number of

humanitarian service needs.

The past four years Lions completed the third major funding campaign. The third and the largest, passing the \$300 million goal to \$325 million. That is a major step forward in an expanding world service requirement.

Each of us were part of that magnificent achievement as Lions. I intend to continue a personal contribution to LCIF as I have the past four years and invite every Lion in the State of Illinois to join me and the other district chairpersons. Let's move forward. So many people are counting on us.

We can serve with simple little contributions. Recently at a club event the 50/50 winner came by and whispered, "I told them to send \$50

to LCIF". \$50 just went into Lions service.

When Campaign !00 began, I computed about what I had been spending in my daily coffee habit. That became my annual goal. Mrs. C., I must say, will testify that I have not given up my daily coffee, however LCIF and an unknown friend or more with a need is receiving an equal amount.

MD1 LCIF Chair Past International Director Bob Block (yes he finally made it) and the Illinois LCIF team stand by to work with you in developing your own personal giving program. We are planning the next step for LCIF. It, too, will be a big one. "Stay tuned" as they used to say in broadcasting.

### FREE LOW VISION PROGRAM FOR STUDENTS

Dear Lions Club,

Thank you for making the Low Vision Clinic possible for us. I got to pick two new pairs of glasses out when I was at the clinic. One pair helps me see things far away and the other pair is for reading. The doctors explained what glasses I needed and what the glasses would do. That was helpful to me!

Thank you for helping!

Kaitlyn

Dear Lions Club,

Thank you so much for allowing the students at ISVI to go to the Low Vision Clinic. It meant a lot to us that we were able to attend the low vision clinic. I was able to get 2 new pairs of glasses and a monocular. The doctors told me about my eye conditions and if I had questions, they were willing to answer them. Thank you again for allowing the students at ISVI to attend the Low Vision Clinic.

Sincerely,

Makayla

Low Vision Clinics for Students are done Annually throughout Illinois

# What Does LIF Car Show Support?

Proceeds from the LIF Car Show go toward the Lions of Illinois Foundation's vision services, such as:

## Vision

Our vision programs test, treat, and rehabilitate those who are visually impaired. Student Low Vision focuses on providing vital tools for students to succeed in school.

## Camp Lions

Camp Lions gives visually and hearing-impaired children the opportunity to have a week of fun and make friends with those who have similar abilities.
