DISTRICT 1A GOVERNOR
TONY ZARTLER'S
MONTHLY NEWSLETTER

OCTOBER 2022

Greetings Lions

On September 9, Lion Bonnie and I attended the Council of Governors meeting in East Peoria. We had a great time talking and exchanging ideas with the other Governors from the other districts. On September 12 I had the pleasure of swearing in my brother Bruce to the Worth Lions. On September 13 we attended the District 1A Candy Day Jamboree. This function was well attended, and the guest speakers were very informative. I and 3 other Worth Lions golfed in the Chicago Heights golf outing on September 14. I swore-in a new member at the Chicago Ridge Lions meeting on September 15. We were lucky

enough to attend a fundraiser for the Palos Lions at Silver Lakes. The Region 5 meeting was held on September 22, it was a great meeting where we were able to share ideas with other clubs. On the 23 we attended the LIF Gala at the Westin. We had a great time gambling and talking to the other lions from around the State. Lion Trish did a wonderful job. Thank you to all of the volunteers that helped with the Gala. On September 25 we made our way to the Stickney-Forest View 5K Run and then onto the Willow Springs Lions Lionesses for their pancake breakfast. My calendar is nearly full for the month of October. I will be out on the streets shaking my can on October 14 for candy day. This is a great time to collect some money

for the Illinois Foundation and let others know who Lions are and what we do.

For the month of September, we are a plus 38 members and for the year we are up 57 members. This shows me that the Lions in the District are promoting Lionism and attracting

new members. Please make sure to report your service projects.

Thank you for your hard work promoting Lions.

Together We Can Governor Tony

Lion Robin Kirar GLT

I am attending the State GLT meeting and learn a few new things about Leadership. Starting a new Club, and ways to keep old members happy in your Clubs. We all need to keep in contact with our members. Sometimes we must call them and find out how they are doing and ask them why they are not attending meeting and Lions activities. Input from your Lions members will help you understand what they need as Lions.

The following will be useful to Club Officers, Zone Chairs, and District Governors.

Training is available for the following officer positions

- [Club Officer](#)
- [Zone Chairperson](#)
- [Second Vice District Governor \(SVDG\)](#)
- [First Vice District Governors \(FDVGs\)/District Governors-Elect \(DGEs\)](#)

Check out [Learn](#) for training available in your local area.

Global Membership Approach GMA Goal: Check in

	New Clubs	New Members From New Clubs	New Members In Existing Clubs	Member Losses	Net Growth
Goal	1	20	100	80	40
Actual	0	0	91	34	+57

We continue our new year a plus in membership. Governor Tony's goal is shown above, together we can continue to grow our membership in District 1-A. The clubs that are engaging their communities with needed services are growing. New members joining are three new members to every one we're dropping. That's a very positive sign for our clubs and District 1-A.

Membership Development & Club Rebuilding:

We have started some community outreach to leaders in the Garfield Ridge, Archer Heights and Clearing communities of Chicago. If you have any family or friends in that area that you think would make good Lions please send their contact information to: jointhelionstoday@gmail.com. But as always, we will follow any leads that might help us develop an area. Don't hesitate to pass on any information you might have for starting a club.

For the clubs, not meeting yet. What can we do to assist you to engage again?

Member Satisfaction:

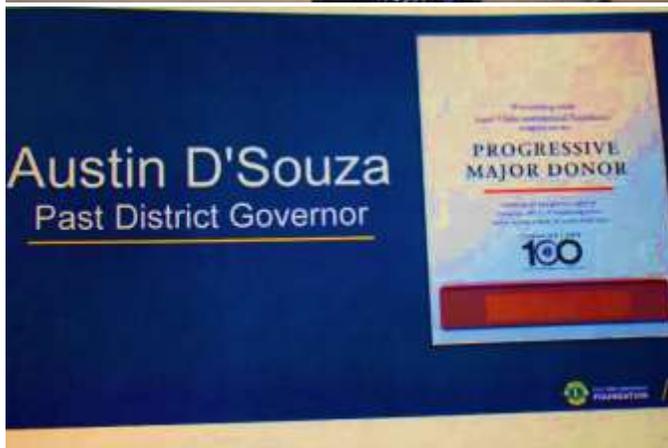

We should all be working together on membership satisfaction! Does your club make you feel welcome? Are you communicating with members about meetings and projects you have coming up? Are you providing service to your area? Think about assigning new members a mentor! Make sure you listen to their input! Make paying their dues convenient!

Together we can strengthen our clubs. Stronger clubs provide more service. Clubs growing and providing more service, Strengthens our District and Lions International. ***Together We Can!***

was memorable night with Las Vegas games, music, food, and fun. PCC Steve Anton was the emcee for the evening.

The Chicago Uptown Lions are hosting a fundraiser on the evening of Sunday, October 2, 2022, at 7 PM. This will be a virtual piano concert performed by our own Lion Steven Solomon. Proceeds will benefit the victims of the Kentucky floods and tornado. We hope you will join us for a fun concert while supporting those in need. Tickets are \$25. When the web site is open for ticket purchase, we will let you know. Once you purchase your ticket, you will receive the Zoom link for the concert.
