

You can lose
so much to
diabetes,
including your
vision.

**Come discover
your risk.**

Know the signs, discover your risk and learn what you can do to prevent diabetes-related vision loss.

The **American Diabetes Association** warns that diabetes can lead to serious health and vision complications.

Advocate South Suburban Hospital is partnering with the **H-F Lion's Club** to help you maintain your sight and enjoy a robust quality of life through early diabetes detection and treatment.

Join us for a **complimentary breakfast, screening and presentation** to learn how diabetes affects health and vision.
