The qualifications for the candidate seeking a board position on V.O.I.C.E.S. is simple. He or she needs to be a member in good standing in a Lions Club that is also in good standing with District 1A and Lions Clubs International. A candidate for a V.O.I.C.E.S position, cannot hold a District elected office, however, they may hold a club office.

The candidate needs to file the proper written resolution with the District 1A Cabinet Secretary stating his or her intention. The resolution shall be prepared and presented as outlined by the latest adopted edition of the District 1A and Lions Club International Constitution and By-Laws. Said resolution needs to be delivered by the District Cabinet Secretary to the appointed Members of the Nominating Committee no later than 20 days prior to their report at the District Convention. As in the history of District 1A, all resolutions received prior to the February Cabinet Meeting will be read and recorded as part of that meeting's minutes.

If there is any position not having a nominee within 20 days of the District Convention, then the procedure to make nominations from the convention floor will be carried out as per the District 1A and Lions Club International Constitution and By-Laws.

Thank you for your consideration to get involved and serve your fellow Lions as an officer of District 1A or a member of the V.O.I.C.E.S. Board.

I am looking forward to receiving your resolution.

Respectfully,
