V.O.I.C.E.S

"Volunteer Organization Involved in Charitable Expressions of Service"

Mission Statement

A results driven volunteer charitable organization dedicated to working with the visually and hearing impaired, including research and prevention; and providing other humanitarian services to mankind.

One of the goals formulated during the creation of **V.O.I.C.E.S. LIONS1A** was that **V.O.I.C.E.S.** would continue to support the Lions Clubs International Foundation (LCIF) and Lions of Illinois Foundation (LIF) in their projects and program by seeking and applying for contributions from like minded foundations, corporations and individuals who were not familiar with Lions services.

*Just as the Lions Clubs International Foundation (LCIF) partners with outside sources to achieve their successes, the directors of **V.O.I.C.E.S. LIONS1A** hope to emulate those concepts to benefit the many ideas on the horizon which Lions are asked to support.*

Current district projects are in need of that extra support which can be accomplished with the aid of many outside benefactors. The district and clubs within the district are contributors to many programs which support the visually impaired, foster research to find new ways to prevent blindness and exciting ways to restore sight.

*Imagine what will be done, if by coming together and with outside help, the funding for the dreams of those in need will be achieved through the **V.O.I.C.E.S. LIONS1A**!*
