If our Motto is "We Serve" why is it that so few of us volunteer our time and talents?

People all over the world look to Lions in time of need. Lions have delivered with eyeglasses, financial assistance, emergency relief, camps for the visually impaired and other meaningful acts of charity.

It is my intention that this seminar will focus on how we all can volunteer our time, talents and resources to help make this a better place to live.

I would like to see our district get more involved in our city, communities and schools as there are many unmet needs that could be met by individuals within our clubs.

This interactive seminar is targeted to all Lions, Leos and Lionesses.

Yours in Lionism, Lion Wes Salsbury VDG

Governor Steve Anton has challenged us to "Step up to the plate and Volunteer" This seminar is being presented to the club members to consider alternative ways of Volunteering time and energies.

What about the Presenters?

Ron Kinnamon is an active speaker and trainer on topics regarding youth, organizational change, team building, and creativity. A retired executive of the YMCA, Ron continues to provide consulting services for several agencies and sits on many advisory boards.

Rob Cancilla

Rob is an employee of Lighthouse for the Blind and is eager to discuss his program with us. He will inspire us and talk about the new program.

Lion Lynn Kimble is the NW Indiana/Chicagoland Leader Dog representative. She has been affiliated with the Leader Dogs for the Blind since 1987 as a breeder, puppy raiser, and Puppy Counselor .

She will bring a puppy and tell us about the program and how we might assist and volunteer our services to the agency. (Currently, there are 14 working Leader dogs in the Chicagoland area!)

She will also talk briefly about some of the new and innovative programs on the horizon at the Detroit area facility.
