Fellow Lions,

It is the time of year for giving, sharing and thinking of those less fortunate. The only problem with that is...that hunger and need, is with the less fortunate for the entire year, not just for as some call it, the holiday season. Lion President Sid Scruggs has designated December and January as the third challenge for his year, to feed the needy. We as a district can work together to help fill those food pantries in our local communities. Please ask your clubs to bring non perishable food items to your meetings or gatherings. Collect them at your Holiday parties or fundraisers. Have them bring those items to any place at any time and collect them and help those in need.

Sometimes in our rush to ready our homes for the season we forget those who are protecting us. They have families also and sometimes those families can use a hand. If you know of such a family please reach out and support them too.

If you would like, you can bring can goods to the District Holiday Party and First Lady Gail has designated that all the proceeds from the party will be donated to the Orland Park Veterans Commission. Thank you for your service and Happy Holiday's,

Lion Governor Steve and First Lady Gail
