

Global Service Framework

The footprint of our second century

The **Global Service Framework** focuses the efforts of Lions on five service areas with the goal of tripling our humanitarian impact by serving **200 million people per year** by 2021. The Global Service Framework complements all of the great ways clubs serve locally, and gives Lions and Leos new opportunities to help meet the growing challenges facing humanity.

No matter how you choose to serve, **Lions matter now more than ever!**

Diabetes. Reduce the prevalence of diabetes and improve the quality of life for those diagnosed. This covers everything from increasing knowledge about diabetes among Lions to supporting the implementation of national diabetes plans and policies.

Environment. Sustainably protect and restore our environment to improve the well-being of all communities

Hunger. All community members have access to nutritious foods

Vision. Prevent avoidable blindness and improve the quality of life for people who are blind and visually impaired.

Pediatric Cancer. To help those affected by childhood cancer survive and thrive
