The fundraiser portion of the Raffle consists of the purchase of one Super Bowl square at the price of \$100.00. Slightly less than fifty percent of all proceeds will go to the Lions Club to fund the ongoing services/programs. The remainder of the funds will be distributed to those individuals with winning squares/adjacent squares per the attached rules. There 24 opportunities to get your money back and much more.

With the funds we raise we will continue the many programs that directly and indirectly support hearing and vision impaired individuals. Just to note, our premier Vision First Program has now touched more that 70,000 needy youngsters in the Chicago area. As many of you know we also serve the homeless, Food Pantry, local hospitals, Boy Scouts and many, many more deserving groups and individuals.
