# Lansing Lions Club Annual Golf Outing

Dear Business Owner,

The Lions Club of Lansing has been a service organization in Lansing since 1937. The Lions are proud contributors to many important groups in town. The club's donations can be of monetary reward, time volunteered, or actual items that are very needed. Although the groups that benefit may vary, the one thing that doesn't change is the clubs purpose "to serve".

On August 27th, Lansing Lions Club will be hosting its Annual Golf Outing. We are inviting local businesses, like yourself, to join in a fun day of golf and/or help with Sponsorship. This Golf Outing will be held in lieu of the Annual Steak Fry held every August. Unfortunately, the Lions are no longer able to host the Steak Fry since the location was no longer suitable for the event. However, the Steak Fry was the Club's largest fundraisers and we needed to replace it. We are hoping to gain as much support for the Golf Outing as we have gotten in the past for the Steak Fry.

Please be a part of this wonderful event to help us keep giving back to such deserving groups in our community.
