

Our Dream is Their Dream

In 1982, the Calgary North Hill Lions Club launched "Make a Child's Dream Come True" to brighten the lives of children whose health prognosis is uncertain and whose quality of life is poor because of illness.

It was Alberta's first program aimed at raising funds to help these children realize a cherished dream. Through the generous response of individuals and businesses it has already made more than 100 dreams come true

For some children and their families, a "Dream Come True" is an important last memory of happy times. For others, having a "Dream Come True" is a morale booster for the rest of their lives.

Sponsoring the Tournament

Many sponsorship opportunities are available with all proceeds going towards making a child's dream come true.

Sponsor the dinner, the lunch, a hole, team pictures, the carts. You can contribute prizes for the golfers or donate outright.
