The Farmers Market is now a new tradition at the Summit County Fair. Enjoyed by all most were sold out by the end of the day! Photos by Cheryl Ovard/SCN Editor

Park City Lions held their annual breakfast at the Summit County Fair that is held in Coalville. Park City Lions and the Coalville Lions have worked together on a number of projects. Coalville Lions Club was the sponsoring club for Park City. Many years ago Coalville Lions were putting on the breakfast. It was too much for them since they are involved at the fairgrounds, so they invited Park City Lions to take over the breakfast. Coalville still helps the Park City Lions by furnishing tables, chairs, and grills. The City of Coalville lets the Lions use the council chambers to prepare their food but this year was little different. Lion Aline France's son and granddaughter help with the breakfast. The granddaughter, who is 12 years old, wanted to help, so they let her cook the ham. She did a wonderful job. Are we using our young people in our Lion projects?

2nd Vice District Governor, Bonnie Johnson, looks on as District Governor, Wayne King, inducts Coalville Lions newest member, Doug Toole, into the Lions.

COALVILLE LIONS CLUB

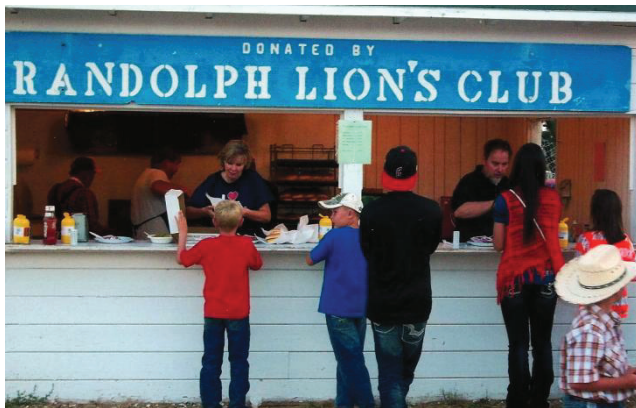

COUNTY FAIR is a busy time for the Coalville Lions. Many years ago the Lions furnished large metal drums to be

used to collect garbage. The drums had Lions painted on them and they were getting shabby looking, So Lion Bonnie Johnson approached Walmart and Home Depot for a donation of outdoor paint. Both of these great organization came through with a donation of two gallons of paint each. The Coalville Lions spent two evenings painting 50 cans, I must say they look a lot better and we are not showing shabby garbage cans at the fair.

The Coalville Lions run a concession stand at the Summit County Fair. They worked eight nights at the concession stand , providing high quality food to fair goers. Many people can hardly wait for the fair so they can eat a Lion's burger. This is their fund raiser for the year. This provides contributions to the Utah Lions Foundation, Lions Clubs International, Foundation, Leader Dog , two \$500 dollar scholarship to students at North Summit High School and other local projects.

You have heard talk about the butcher, the baker and the candle stick maker, Coalville Lions have added the Banker, School Superintendent and former referee for NFL. All are new to the club this last six months. The superintendent's father was a Lion. The referee had two uncles that were Lions. His one uncle was a charter member of the Coalville Lions club. The Lions are proud to add these three great men to the club.

The Johnson Brothers Left to Right Larry, Ralph and Bob of the Randolph Lions Club

Randolph lions held their annual fund raising project. They sell hamburgers, cheeseburgers, hot dog, pop and water at the Rich County fair. This small club of seven member is made up mostly of the Johnson family. Ralph, Larry and Robert are brother and each have large ranches they run, the fourth Johnson is Texie Sue. . She is the daughter of Larry. Larry has been fighting health problems, but he is still there flipping burgers. What dedication. Dallas Johnson the boys' father was an active Lion for many years before he passed away several years ago. All members of Randolph Lions and some friends are involved in this fund raising project. Small clubs can still serve their community.
